Federal Supply Service

Authorized Federal Supply Schedule Price List

On-line access to contract ordering information, terms and conditions, up-to-date pricing, and the option to create an electronic delivery order are available through *GSA Advantage!*[®], a menu-driven database system. The INTERNET address for *GSA Advantage!*[®] is: GSAAdvantage.gov.

Schedule Title: Environmental Services

FSC Group: 899

Contract Number: GS-10F-0228J

For more information on ordering from Federal Supply Schedules click on the FSS Schedules at fss.gsa.gov.

Contract Period: September 15, 2014 to September 14, 2019

Contractor Name:

EA Engineering, Science, and Technology, Inc.

Address:

225 Schilling Circle, Suite 400

Hunt Valley, MD 21031

Phone Number: 410-584-7000

Fax Number: 410-771-1625

Web site: www.eaest.com

Contact for contract administration: Steve H. Kuhr, CPA

Business size: Small Business under NAICS Code 562910, Environmental Remediation Services

Date: September 2014

Customer Information

1a. Table of awarded special item number(s) with appropriate cross-reference to item descriptions and awarded price(s).

Special Item Number	Description
899-1	Environmental Consulting Services
899-3	Environmental Training Services
899-7	Geographic Information Systems (GIS) Services
899-8	Remediation and Reclamation Services

1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer, should show the range of the lowest price, and cite the areas to which the prices apply.

Not applicable.

1c. If the Contractor is proposing hourly rates, a description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided. If hourly rates are not applicable, indicate "Not applicable" for this item.

See labor category descriptions below.

2. Maximum order.

\$1,000,000

3. Minimum order.

\$100

4. Geographic coverage (delivery area).

Domestic only.

5. Point(s) of production (city, county, and State or foreign country).

EA offices nationwide and at customer sites where applicable.

6. Discount from list prices or statement of net price.

Prices listed are net.

7. Quantity discounts.

Discounts may be negotiated at the task order level.

8. Prompt payment terms. Note: Prompt payment terms must be followed by the statement "Information for Ordering Offices: Prompt payment terms cannot be negotiated out of the contractual agreement in exchange for other concessions."

Net 30 days.

9a. Notification that Government purchase cards are accepted at or below the micro-purchase threshold.

Government purchase cards are accepted at or below the micro-purchase threshold.

9b. Notification whether Government purchase cards are accepted or not accepted above the micro-purchase threshold.

Contact contractor.

10. Foreign items (list items by country of origin).

None.

11a. Time of delivery. (Contractor insert number of days.)

To be negotiated with the ordering agency for each task order.

11b. Expedited Delivery. The Contractor will insert the sentence "Items available for expedited delivery are noted in this price list." under this heading. The Contractor may use a symbol of its choosing to highlight items in its price lists that have expedited delivery.

Items available for expedited delivery are noted in this price list.

11c. Overnight and 2-day delivery. The Contractor will indicate whether overnight and 2-day delivery are available. Also, the Contractor will indicate that the schedule customer may contact the Contractor for rates for overnight and 2-day delivery.

Contact Contractor.

11d. Urgent Requirements. The Contractor will note in its price list the "Urgent Requirements" clause of its contract and advise agencies that they can also contact the Contractor's representative to effect a faster delivery.

Contact Contractor.

12. F.O.B. point(s).

Destination.

13a. Ordering address(es).

EA Engineering, Science, and Technology, Inc.
Brian C. Lesinski
225 Schilling Circle, Suite 400, Hunt Valley, MD 21031
Phone: 401-736-3440
Mobile: 401-742-4758
Fax: 401-736-3423
Email: blesinski@eaest.com

13b. Ordering procedures: For supplies and services, the ordering procedures, information on Blanket Purchase Agreements (BPA's) are found in Federal Acquisition Regulation (FAR) 8.405-3.

For supplies and services, the ordering procedures, information on Blanket Purchase Agreements (BPA's) are found in Federal Acquisition Regulation (FAR) 8.405-3.

14. Payment address(es).

EA Engineering, Science, and Technology, Inc.
PO Box 23865
Baltimore, MD 21203-5865

15. Warranty provision.

Not applicable.

16. Export packing charges, if applicable.

Not applicable.

17. Terms and conditions of Government purchase card acceptance (any thresholds above the micro-purchase level).

Contact Contractor.

18. Terms and conditions of rental, maintenance, and repair (if applicable).

Not applicable.

19. Terms and conditions of installation (if applicable).

Not applicable.

20. Terms and conditions of repair parts indicating date of parts price lists and any discounts from list prices (if applicable).

Not applicable.

20a. Terms and conditions for any other services (if applicable).

Not applicable.

21. List of service and distribution points (if applicable).

Not applicable.

22. List of participating dealers (if applicable).

Not applicable.

23. Preventive maintenance (if applicable).

Not applicable.

24a. Special attributes such as environmental attributes (e.g., recycled content, energy efficiency, and/or reduced pollutants).

Not applicable.

24b. If applicable, indicate that Section 508 compliance information is available on Electronic and Information Technology (EIT) supplies and services and show where full details can be found (e.g. contractor's website or other location.) The EIT standards can be found at: www.Section508.gov/.

Not applicable.

25. Data Universal Number System (DUNS) number.

06-938-1812

26. Notification regarding registration in Central Contractor Registration (CCR) database.

EA is registered in the CCR (now incorporated in the System for Award Management or SAM) database.

Responsible for general supervision of the installation, operation, maintenance, and repair of on-site equipment. Oversight of subcontractors.	High school diploma and 10 years' experience, or Bachelor's degree and 5 years' experience
Technician: Mid-level**	Independently performs and coordinates day-to-day field and technical tasks. Responsible for installation, operation, maintenance, and repair of on-site equipment. Provides oversight of subcontractors.	High school diploma and 5 years' experience, or Bachelor's degree
Technician: Junior**	Performs assigned field and routine technical tasks. Responsible for installation, operation, maintenance, and repair of on-site equipment under supervision.	High school diploma
CIH/CSP	Provides health and safety support in compliance with relevant Federal and other regulations, and related health and safety compliance consulting services. Assesses risks to health from various environmental factors including chemicals, noise, lighting, ventilation, etc. Generally has significant responsibility for staff management.	Bachelor's degree, 12 years' experience, and Certified Industrial Hygienist or Certified Safety Professional

Labor Category	Description	Minimum Qualifications
GIS/CADD Technician**	Utilizes Geographical Information Systems (GIS) or Computer Aided Design (CAD) systems to prepare drawings, maps, figures, presentations, and other graphics products. Estimates quantities. Compiles drawings and provide graphics support.	High school diploma
Database Administrator	Develops and maintains project databases and related systems in support of project execution. Defines file organization, indexing methods, and security procedures for specific user applications. Develops, implements, and maintains database back-up and recovery procedures for the processing environments, and ensures that data integrity, security, and recoverability are built into applications	Bachelor's degree and 5 years' experience
Administrator**	Performs routine administrative, clerical, and other support tasks including general office work, typing, and filing.	High school diploma

Substitutions:

- A master's degree can be substituted for two additional years of experience in all labor categories.
- A doctoral degree can be substituted for three additional years of experience in all labor categories if in addition to a master's degree, or five additional years of experience if in addition to a bachelor's degree.

SCA Matrix ()**

SCA Eligible Labor Category	SCA Equivalent Code Title	Wage Determination No
GIS/CADD Technician	30061 Drafter/CAD Operator I	05-2447
Administrator	01111 General Clerk I	05-2447
	01311 Secretary I	05-2447
Technician - Junior	30090 Environmental Technician	05-2447
Technician - Mid-level	30090 Environmental Technician	05-2447
<p>The Service Contract Act (SCA) is applicable to this contract and it includes SCA applicable labor categories. The prices for the cited SCA labor categories are based on the U.S. Department of Labor WD Number(s) identified in the SCA matrix. The prices offered are based on the preponderance of where work is performed and should the Contractor perform in an area with lower SCA rates, resulting in lower wages being paid, the task order prices will be discounted accordingly.</p>
