1. COMPANY OVERVIEW

Language on Demand, Inc. (LOD), a SBA-certified 8(a), minority-owned, Top Secret facility cleared, small disadvantaged business (SDB) has been in the business of providing high quality language services to federal agencies since 2008. The president of LOD, Mr. Seung Rowe, has served in the Army Reserve as a Combat Engineer and currently holds a Top Secret Clearance and conference rating from the U.S. Department of State, which is the highest rating given to interpreters. LOD specializes in Language Services, Bilingual Staffing, ASL Interpretation, Communications Access Real-time Translation (CART) Reporting, Language Instruction, and Conference Equipment.

LOD builds its solution on the foundation of a trusted partnership with multiple government clients and years of experience providing support solutions to the Federal Government for such high-ranking events as the Six-Party Talks, G-20 Summit Meetings, APEC Summits, Secretarial meetings, and other annual events. LOD employs linguists that possess the optimal combination of native linguistic skill, cultural knowledge, industry certifications, academic credentials, and practical experiences in respective fields. Over 85% of our linguists have a Master’s degree in translation and/or interpretation from Monterey Institute and other graduate schools accredited for linguistic programs. In addition, many of our language specialists have security clearances with the U.S. Department of State that enable them to carry out vital missions for the U.S. Government as well as for private sector clients.

LOD adheres to the ASTM International F2575-14 Standard Guide for Quality Assurance in Translation. ASTM International is one of the largest standards development organizations in the world, known for its best-in-class practices for both standards and delivery. ASTM International’s Translation Standards Guide represents an important new standard for the translation industry and its clients.

3. SERVICES

3.1. SIN 382-1 & 382-1RC: TRANSLATION SERVICES

About two-thirds of our translation projects deal with highly technical documents such as patent, legal and military documents. LOD has a wealth of experience in providing technical document translation for submission to United States Patent and Trademark Office and for use during patent infringement depositions and for government. LOD has handled over 27,000 pages of patent document translations for law firms such as Finnegan Henderson, Fish & Richardson, and McDermott, Will, and Emory over the past seven years. As a subcontractor, LOD translated 400 pages of documents on missile defense systems for Raytheon Corporation and also provided document translation services to the Department of Justice for more than 56 extradition cases that required formatting and using camera-ready tools.

- Document Review
- Document Translation
- Transcription (Open Market Item)
- On-Site Translation

3.2. SIN 382-2 & 382-2RC: INTERPRETATION SERVICES

LOD provides interpretation services to help federal and local governments conduct domestic and international missions involving interpretation services. LOD employs linguists that possess the optimal combination of native linguistic skill, cultural knowledge, industry certifications, academic credentials, and practical experience in respective fields. We not only have experts in each field, but we offer experts with top-notch interpersonal skills to put clients at ease in any situation. Over 85% of our linguists have a Master’s degree in translation and/or interpretation from Monterey Institute and other graduate schools accredited for linguistic programs. In addition, many of our language specialists have security clearances with the U.S. Department of State that enable them to carry out vital missions for the U.S. Government as well as for private sector clients.

- Simultaneous Interpreters
- Consecutive Interpreters
- Court Interpreters
- Escort Interpreters
- Conference Interpretation Equipment Services (Open Market Item)
3.3. SIN 382-3 & 382-3RC: TRAINING AND EDUCATIONAL MATERIALS

Our services include customized or standardized off-the-shelf Foreign Language training courses at on and off site locations in classroom, private, semi-private, tutorial and in-country immersion forums. Instructional training for various language proficiency levels and testing is included. Educational material in publication, software, audio and video formats are provided.

- On & Off site language training
- Primary Asian languages
- Assessment and Testing included
- Supports US Military students around the world

3.4. SIN 382-5 & 382-5RC: AMERICAN SIGN LANGUAGE & CART SERVICES

LOD provides ASL & CART services to help federal and local governments conduct domestic and overseas missions. ASL interpreters possess ability to interpret in clear and concise grammatically correct statement while providing ASL interpretation. CART reporters provide aide to the hearing impaired in order for the participant to actively engage in the conversation and meeting.

- Conferences
- Meetings requiring TS & Secret cleared personnel
- Agency meetings
- Able to travel

5.5. The Service Contract Act
The Service Contract Act (SCA) is applicable to this contract and it includes SCA applicable labor categories. The prices for the cited SCA labor categories are based on the U.S. Department of Labor Wage Determination Number(s) identified in the SCA matrix. The prices offered are based on the preponderance of where work is performed and should the contractor perform in an area with lower SCA rates, resulting in lower wages being paid, the task order prices will be discounted accordingly.
