TRANSLATION SERVICES

Language Services: Language Translation (SIN 382 I)

Our Language Translation Best Values are:

- Experience:** We have been providing language services since 1979.
- Clients:** We have provided service to federal, state, and local agencies.
- Department of Homeland Security
 - Department of Customs & Border Control
 - Department of Health & Human Services
- Range:** We translate a variety of printed and web-based projects.
- Speed:** Most projects take 3-5 business days to complete.
- Prices:** Our prices are very competitive compared to other GSA vendors.
- Project Managers:** You will be assigned an experienced Project Manager who has completed thousands of varied projects in numerous languages. They know what linguistic and technical issues to address while avoiding potential pitfalls.
- Process:** All translations go through a designed quality control process including an extra proofreader.
- Talent:** We can choose one translator or multiple translators who are native speakers of your target language and have the appropriate industry background for your specific project.
- Culturally Sensitive:** Our translations go Beyond Words™ to convey the ideas and intent of the original source text in a way that's appropriate for the target audience.
- Risk-free:** Our translations are guaranteed. If you're not happy with our translation, we will work with your original text at no additional cost until the translation meets your standards.

TESTING SERVICES

Language Services: Language Testing (SIN 382 III)

Our Language Testing Best Values are:

- Experience:** We have been providing language assessments since 1997.
- Clients:** We provide language testing services to clients across a wide variety of industries, including civilian, military, and Federal agencies.
- Range:** We provide speaking, written, reading, and combined reading/written assessments in over 70 languages on the GSA Schedule.
- Process:** We provide results across the full range of language proficiency. Results can be reported on the Interagency Language Roundtable (ILR) scale or ALTA's twelve-level scale.
- Evaluators:** We use native speakers of the tested language who are trained extensively in ALTA's testing methodology.
- Quality Control:** We have an ongoing QC process involving independent sampling of test scores to ensure reliable results.
- Flexibility:** We can customize language tests specific to your agency and industry.
- Price:** Our prices per test are very competitive compared to other GSA vendors.
- Turnaround:** Most test results take 1-2 business days to assess.
- Accuracy:** In the event a test score is disputed, we will initiate an independent review to resolve any discrepancies at no charge to you.
