

MDI Official Price List - for Services and Products Effective March 1, 2008

MDI's price list reflects the cost we charge our commercial customers for Program and Project Management services. MDI's government prices are based on a minimum of thirty-three (33%) percent discount of our commercial prices. The prices are in accordance with the Independent Government Cost Estimate (IGCE) Labor Category Hourly Rates. MDI's Most Favored Customer (MFC) is in the state Government and Private Industry sector, and the MFC receives a price discount between 11 – 19% off MDI Official Commercial Price List of March 1, 2008. MDI established the following commercial prices for:
