Title: Senior Technical Analyst	\$140.16
<p>Experience/Education: MA/MS in Business Administration or appropriate specialized field of study plus at least 10 years directly related experience or BA/BS plus at least 20 years directly related experience. Previous experience required that demonstrates complete knowledge of public-private partnerships, Federal Activities Inventory Reform Act and OMB Circular A-76.</p>	
<p>Description of Qualifications: The Senior Officer/Director is responsible for the overall planning and execution of services that relate to Privatization Support Services and to insure that full implementation of these services is complete according to OMB Circular A-76. This position requires direct interface with the upper levels of management at the Federal agency. Responsibilities include developing a strategy for full implementation of recommended Performance Work Statements (PWS), Quality Assurance Surveillance Plans (QASP) and oversight of studies to determine the Government's Most Efficient Organization (MEO). This positions calls for expert level aptitude and has the ability to act as an expert during US Senate hearings and speaker at national A-76 conferences. In depth knowledge of every aspect of the A-76 process and can advise on current and future procedures. Oversight the entirety of large projects and manages these projects to bring them in on budget. Provides senior executive level advice and provides briefings for your top level staff. Also provides expert advice and guidance in support of an agencies' mission with respect to full implementation of Privatization Support Services.</p>	

Labor Category	GSA Hourly Rate w/IFF
Title: Senior Analyst	\$ 122.76
<p>Experience/Education: MA/MS in Business Administration or appropriate specialized field of study plus at least 5 years directly related experience or BA/BS plus at least 8 years directly related experience. Previous experience requires that that they have held positions of upper management in previous positions or similar experience with a military / federal background.</p>	
<p>Description of Qualifications: Provides executive support to your senior management. Expertise may include organizational management, business improvement, distribution, or quality control and assurance. Senior Managers have advanced skills in management and process improvement, strategic analysis & organizational engineering, dispute resolution, and “outsourcing and privatization”. This position is required to lead workshops specific to Privatization Support Services, seminars and facilitate process improvements. Senior Managers are able to be the leader of teams and teach team process improvement. Senior Managers insure that the strategy, objectives, and plans developed in the Performance Work Statements (PWS), Quality Assurance Surveillance Plans (QASP) and Most Efficient Organization (MEO) are implemented at the management level within the Federal agency. Senior Managers are instrumental in development of customized training and to perform such tasks. Further services include analysis and reports on documented procedures and recommendations for improvements in existing processes.</p>	

Labor Category	GSA Hourly Rate w/IFF
Title: Analyst	\$ 97.77
<p>Experience/Education: : BA/BS in Business Administration or appropriate specialized field of study plus at least 5 years directly related experience or at least 10 years directly related experience. Previous experience requires that that they have held positions of supervision in previous positions or similar experience with a military / federal background.</p>	
<p>Description of Qualifications: Provides the bulk of the day to day work on our projects. At this level they have between 5 and 10 yrs of experience as consultants, instructors, or managers. They possess an undergraduate degree and experience as analysts. Experience may include organizational management, business improvement, distribution, or quality control and assurance. Analysts are able to be the members of teams and participate in team process improvement. Analysts create and perform work on the strategy, objectives, and plans developed in the Performance Work Statements (PWS), Quality Assurance Surveillance Plans (QASP) and Most Efficient Organization (MEO). At the top level, our analysts are experienced in all facets of our business and have taught most, if not all, of our A-76 and process improvement classes. They are skilled writers and team members. They have background and experience in statistical methods and analysis. They are problem solvers. They all are skilled computer users and constantly use word processing, spreadsheet, and presentation software to analyze and present their ideas. They are adept at helping our clients do the research, analyze the facts and present the data to everyone from the user to the senior staff.</p>	

Labor Category	GSA Hourly Rate w/IFF
Title: Junior Analyst	\$ 44.68
<p>Experience/Education: Bachelor and 1 yr experience or 3 yrs of experience in related field. Previous experience in computer operation to include word processing, spreadsheet analysis, presentation software, data disk creation, and internet research.</p>	
<p>Description of Qualifications: Helps with the day to day work on our projects. This level of analyst is where we make the biggest difference in the total price of the project. Jr Analysts get background training in many of the A-76 products such as Performance Work Statements (PWS), Quality Assurance Surveillance Plans (QASP) and Most Efficient Organization (MEO). They work with our Analysts and Sr. Analysts to perform tasks such as data collection and data processing, creation of electronic handbooks, formatting of reports, creation of manuals and shipping. They help in creation of presentations and documentation. This frees our analysts and managers to do what they do best which is to analyze.</p>
