GRB Environmental Services, Inc.

GRB Environmental Services, Inc. (GRB) is an environmental consulting firm established in 1985 and has been providing many of our listed services to the federal government since 1990. We are committed to solving problems in a practical way that serves our clients' best interests. We strive to assist our clients by assembling the right mix of expertise, technology and service. Our goal is to provide cost effective environmental solutions within the hazardous waste, construction, energy, and transportation fields. GRB is headquartered in midtown Manhattan in New York City with offices in Buffalo, Chicago, Seattle, San Francisco, and Dallas. GRB is a certified DBE, and WBE Corporation. GRB intends to regularly interface with our existing contracts as well as develop new contracts within the federal government to market our environmental expertise.
