Lincoln Moving & Storage is a full-service relocation company and has been since its inception in 1914. Currently, Commercial office and industrial relocations constitute sixty-five (65) percent of our business. We have the experience, equipment and personnel to handle all aspects of office relocations. Lincoln's intention is to keep 100% of the business in house and will always manage each relocation. The use of any subcontractors will be for remote locations where it is quality wise and economically appropriate to use local labor rather than flay some staffing in. Lincoln has established national and long term relationships companies across the country.
