## **Company Overview**

Avanti Corporation is a Native American woman-owned 8(a) firm that has been providing environmental support to Federal and state clients since 1990. Avanti offices are based in Alexandria, Virginia with additional offices in Washington, DC, and Denver. Avanti staff include scientists, engineers, programmers, and planners. Our long history of providing support to Federal and state environmental programs gives Avanti the unusual distinction of being an 8(a) firm with the experience, past performance history, and staff to win, effectively hold, and successfully manage government contracts.
