## Overview of TVGA

---

Since 1917, TVGA Consultants (TVGA) has provided comprehensive surveying, mapping, planning, engineering and environmental services to clients in government, business, and industry throughout the United States. TVGA is headquartered in Elma, NY (a suburb of Buffalo) with branch offices in Niagara Falls, Syracuse, and Jamestown, NY. TVGA has five Professional Land Surveyors registered to practice in Arizona, Connecticut, Kentucky, Maine, Massachusetts, New Hampshire, New Jersey, New York, North Carolina, Ohio, Pennsylvania, Rhode Island, South Carolina, Vermont, and West Virginia. TVGA also has 12 Professional Engineers registered to practice in the states of Connecticut, Florida, Georgia, Maine, Maryland, Michigan, New Hampshire, New York, North Carolina, North Dakota, Ohio, Pennsylvania, South Carolina, Vermont and Virginia.

Talented people and a responsive attitude are the keys to our success. TVGA currently employs a staff of over 90 highly qualified professional, technical, and support personnel experienced in all facets of civil engineering and surveying. Our strong diversified experience is well documented and proof of our engineering expertise and capabilities. TVGA enjoys a reputation for providing quality, value based solutions to our engineering projects while maintaining high professional and ethical standards.

### **TVGA's Mission:**

Partnering to provide Quality of Life Improvements through cost-effective Infrastructure Solutions.

## Federal Clients
