CORPORATE OVERVIEW

Malcolm Pirnie is one of the largest consulting firms in the U.S. focused on environmental issues. For over a century, we've provided environmental engineering, science, consulting and IT services to over 3,000 public and private clients.

We respond to today's environmental needs and the issues of tomorrow. Malcolm Pirnie has built its practice and reputation on technical excellence and innovation. Our staff of nearly 1,700 engineers, scientists, planners, management consultants, designers, architects and technical support personnel in more than 60 offices nationwide, are driven by this focus - to meet and exceed client's needs and expectations with forward-looking solutions. The result: more than 100 Pirnie projects over the last ten years have been recognized for engineering excellence in competitions nationwide. We are also a recognized source in developing environmental policy, management and technology.

Malcolm Pirnie is proud to provide innovative, cost-effective environmental solutions to Federal clients since the early years of the first World War. We offer a full range of services to help meet the changing needs of government agencies and the military. These services include: hazardous waste, design, waste management, water and wastewater treatment, air quality, environmental compliance, environmental planning, geographic information systems and information technology services to enhance the overall performance of our clients.

Our federal clients include the Department of Defense (U.S. Army, Corps of Engineers, U.S. Air Force, U.S. Navy, U.S. Marine Corps), the Environmental Protection Agency, the National Disaster Medical System (NDMS), the Postal Service, the Departments of Agriculture (Forest Service), Interior (National Park Service and Fish and Wildlife Service), and Justice (U.S. Attorney General's Office).

Client satisfaction, integrity and quality work - they're what Malcolm Pirnie is all about. It's the way we do business. It's what our employees take pride in. It's why our clients keep coming back with a resounding **85% in repeat business.**
