Contract Administration: Rubina Chaudhary

Online access to contract ordering information, terms and conditions, up-to-date pricing, and the option to create an electronic delivery order is available through GSA *Advantage!*[™], a menu-driven database system. The INTERNET address for GSA *Advantage!*[™] is <http://www.GSAAdvantage.gov>.

For more information on ordering from Federal Supply Schedules click on FSS Schedules button at <http://www.fss.gsa.gov>

Customer Information

- 1a. Table of awarded special items numbers(s) with appropriate cross-reference page numbers(s) and awarded prices

| Special Item Number | Price List | Labor Rates |
|--|-------------------------|------------------------|
| 899-1 RC – Environmental Services | Pages 16 thru 21 | Pages 8 thru 13 |
| 899-8 RC – Remediation Services | Pages 16 thru 21 | Pages 8 thru 13 |

2. Maximum Order: **\$1,000,000.00**

3. Minimum Order: **\$100.00**

4. Geographic Coverage (delivery area): **Domestic only**

5. Point(s) of production (city, county, and state or foreign county):

**340 E. Commonwealth Avenue
Fullerton, CA 92832**

**101 State Place, Suite J
Escondido, CA 92029**

6. Discount form list prices or statement of net price:

Government net prices. See the following.

7. Quantity Discount:

None offered

8. Prompt payment terms:

Net 30 days

- 9a. Notification that Government purchase cards are accepted at or below the micro-purchase threshold:

Yes

- 9b. Notification whether Government purchase cards are accepted or not accepted above the micro-purchase threshold:

Accept Over \$2,500

10. Foreign Items (list items by country of origin):

None

- 11a. Time of Delivery (Contractor insert number of days):

Specified on the Task Order

- 11b. Expedited Delivery. The contractor will insert the sentence “Item available for expedited delivery are noted in this price list” under this heading. The Contractor may use a symbol of its choosing to highlight items in its price list that have expedited delivery:

Contact Contractor

- 11c. Overnight and 2-day delivery. The contractor will indicate whether overnight and 2-day delivery are available. Also, the Contractor will indicate that the schedule customer may contact the Contractor for rates for overnight and 2-day delivery:

Contact Contractor

- 11d. Urgent Requirements. The Contractor will note in its price list the “Urgent Requirements” clause of its contract and advise agencies that they can also contact the Contractor’s representative to effect a faster delivery:

Contact Contractor

12. F.O.B Point(s):

Destination

- 13a. Ordering Address(es):

**340 E. Commonwealth Avenue
Fullerton, CA 92832**

**101 State Place, Suite J
Escondido, CA 92029**

- 13b. Ordering Procedures: For supplies and services, the ordering procedures, information on Blanket Purchase Agreements (BPA’s), and a sample BPA can be found at the GSA/FSS Schedule homepage (fss.gsa.gov/schedules).

14. Payment Address(es):

Same as company address

15. Warranty provision:

Contractor’s standard commercial warranty

16. Export Packing Charges (if applicable):

N/A

17. Terms and condition of Government purchase card acceptance (any threshold above the micro-purchase level):

Contact Contractor

18. Terms and conditions or rental maintenance, and repair (if applicable):

N/A

19. Terms and condition of installation (If applicable):

N/A

20. Terms and conditions of repair parts indicating date of parts price lists and any discounts from list prices (if applicable):

N/A

- 20a. Terms and conditions for any other services (if applicable):

N/A

Authorized Federal Supply Schedule Price List

21. List of service and distribution points (if applicable):

N/A

22. List of participating dealers (if applicable):

N/A

23. Preventative maintenance (if applicable):

N/A

24a. Special attributes such as environmental attributes (e.g. recycle content, energy efficiency, and/or reduced pollutants):

N/A

24b. If applicable, indicate that Section 408 compliance information is available on Electronic and Information Technology (EIT) supplies and services show where full details can be found (e.g. contractor's website or other location.) The EIR standards can be found at www.section508.gov/

N/A

25. Data Universal Number System (DUNS) number:

83-1729249

26. Central Contractor Registration (CCR)

Cage Number: IBYN6

MARRS Services, Inc.

MARRS Services Inc. (MARRS) provides environmental project management and engineering support services to the Department of Defense (DoD), municipal, and private sector clients. MARRS provides interpretation and implementation services of environmental laws and regulations pertaining to hazardous materials and wastes; petroleum hydrocarbons, oils, and lubricants (POLs); for air, water, soil, wastewater; and stormwater. Clients range from governmental, including United States Environmental Protection Administration (USEPA) and DoD, to municipal and private sector entities. Services include preparation of planning documents, field investigations, studies and analyses; regulatory guidance review; remedial designs, implementation and operation; pollution prevention plans, compliance documents; and regulatory permitting.

MARRS' professionals are familiar and have extensive experience with federal, state, and local regulations and guidelines as they pertain to environmental project work. This experience includes but is not limited to the legislation listed below:

- Comprehensive, Environmental Restoration, Compensation, and Liability Act (CERCLA) and its reauthorization, Superfund Amendments and Reauthorization Act (SARA)
- 29 and 40 Code of Federal Regulations (CFR)
- Resource Conservation and Recovery Act (RCRA)
- Pollution Prevention Act
- Safe Drinking Water Act
- Federal Clean Water Act
- Oil Pollution Act (OPA 90)
- Federal Clean Air Act
- California Code of Regulations (CCR), Chapters 16 and 30
- U.S. EPA SW-846 "Test Methods for Evaluating Solid Waste, Physical/Chemical Methods"
- Emergency Planning and Community Right-to-Know Act of 1986
- California Safety and Health Code, Division 20, Chapter(s) 6.5, 6.7, & 6.75
- Occupational Safety and Health Act (OSHA) 29 CFR 1910 & 1926
- California Regional Water Quality Control Board (RWQCB) Basin Plan Requirements
- San Diego County Code, Title 6, Division(s) 7 & 8, Chapter(s) 4 & 10
- California Water Code, Division 7
- Orange County Department of Environmental Health regulations
- Assembly Bill (AB) 2588, "Toxic Hot Spots"
- South Coast Air Quality Management District (SCAQMD) regulations
- San Diego Air Pollution Control District (SDAPCD) regulations
- San Diego County Department of Environmental Health, Site Assessment and Mitigation Guidelines

About the GSA Environmental Services Schedule Contract

GSA's Environmental Services Schedule multiple-award contracts are intended to provide federal agencies and others with a quick and efficient means of meeting their environmental needs. By establishing GSA schedule contracts, under the Federal Supply Schedule program, GSA enters into government-wide contracts with commercial firms to provide product and services at pre-approved prices and for a given period of time. This approach significantly reduces the time required to obtain services because GSA has reviewed the firm's capabilities, negotiated rates, and pre-qualified commercial firms to provide services. The advantages of the Schedule program include:

- Less time required to obtain services
- Commerce Business Daily synopsis is not required

- Competition requirements have been met (FAR 6.1023(d)(3))
- Rates have been determined to be fair and reasonable
- Can be used by all federal agencies
- Maximum order limitations \$1,000,000
- Utilization of Blanket Purchase Agreements
- Contractor and subcontractor teaming allowed.

Scope of Services

This environmental services schedule provides a vehicle for all government agencies to obtain professional environmental services in an efficient and cost effective manner. Task orders can be issued to obtain the required services. MARRS will provide all resources necessary to provide a wide range of environmental services as specified in each task order. Services can be performed at MARRS' facilities or at the ordering agencies' facilities.

MARRS will perform services under SIN's 899-1 (Environmental Compliance Services) and 899-8 (Remediation Services).

SIN 899-1 RC Environmental Compliance Services

Services under this SIN include:

- Development of Plans that meet environmental regulations
- Environmental Compliance Audits
- Compliance Management Planning
- Pollution Prevention Surveys and Plans
- Compliance Effects of Process Modifications
- Review of New Technologies on Compliance

SIN 899-8 RC Remediation Services

Services under this SIN include:

- Excavation, removal, manifesting, transportation, storage, treatment (on-site and off-site) and/or disposal of hazardous waste
- Preparation, characterization, field investigation, conservation and close of site
- Long Term Monitoring/Long Term Operation (LTM/LTO)
- Containment, monitoring and/or reduction of hazardous waste sites
- Ordnance removal and support

Exempt & Non-Exempt Labor Category (899-1 RC & 899-8 RC)

Labor Category Rates & Experience Requirements

| Title of Labor Category | | Year 6 | Year 7 | Year 8 | Year 9 | Year 10 |
|-------------------------|--|----------|----------|----------|----------|----------|
| 1 | Project Manager – Planning and directing technological improvements and project management implementation on medium-scale projects. Manage a diverse group of functional activities, subordinate groups of technical and administrative personnel. BA/BS (or equivalent) in related field, plus 15 years of related experience. | \$143.53 | \$148.84 | \$154.35 | \$160.06 | \$165.98 |
| 2 | Principal Engineer - Provide highly technical specialized guidance with regard to engineering solutions to complex problems. Often called upon as one of a few specialists with unique knowledge and skills. B.A/B.S. in related field plus 15 years of related experience. Maintains a professional engineer's certification in California. | \$143.53 | \$148.84 | \$154.35 | \$160.06 | \$165.98 |
| 3 | Environmental Engineer - Applies developed skills and knowledge of techniques in a specific professional, scientific or technical area. Under general supervision, performs a variety of assigned duties including analysis, design, and development, evaluation, specifications, procedures, troubleshooting and documentation. May be called upon to deliver presentations, plan task, and coordinate resources and budgets. BA/BS or equivalent in related field, plus 6 years of related experience required. | \$102.31 | \$106.10 | \$110.02 | \$114.09 | \$118.31 |
| 4 | Civil Engineer - Under general supervision, performs a variety of assigned duties including analysis, design, and development, evaluation, specifications, procedures, troubleshooting and documentation. May be called upon to deliver presentations, plan task, and coordinate resources and budgets. BA/BS or equivalent in related field, plus 6 years of related experience required. Maintains a professional engineer's certification in California. | \$99.25 | \$102.92 | \$106.73 | \$110.68 | \$114.78 |
| 5 | Senior Engineer - Senior Technical professional who applies broad to comprehensive knowledge of methodologies, theoretical concepts, principals, and practices in specific professional scientific or technical disciplines. Under minimal supervision, plans, conducts, leads, and accomplishes board assignments. Provides guidance and assistance in coordinating tasks and ensuring technical adequacy of the end product. Ensures compliance with technological standards throughout the project. Usually operates with some latitude for unreviewed actions or decision and provides daily supervision and direction to support staff. Client contact is routine and frequent. BA/BS (or equivalent) in related field, plus 10 years of related experience required. Maintains a professional engineer's certification in California. | \$109.18 | \$113.21 | \$117.40 | \$121.75 | \$126.25 |

Labor Category Rates & Experience Requirements

| Title of labor category | | Year 6 | Year 7 | Year 8 | Year 9 | Year 10 |
|-------------------------|--|----------|----------|----------|----------|----------|
| 6 | Environmental Scientist - Applies developed skills and knowledge of techniques in a specific professional, scientific or technical area. Under general supervision, performs a variety of assigned duties including analysis, design, and development, evaluation, specifications, procedures, troubleshooting and documentation. May be called upon to deliver presentations, plan tasks, coordinate resources and budgets. BA/BS or equivalent in related field, plus 6 years of related experience required. | \$96.19 | \$99.75 | \$103.44 | \$107.27 | \$111.24 |
| 7 | Principal Scientist - Senior company expert within a technical field, who acts as a consultant in complex and mission critical client assignments. Has broad mandate for independent action. BA/BS in related field plus 15 years of related experience. | \$143.53 | \$148.84 | \$154.35 | \$160.06 | \$165.98 |
| 8 | Senior Scientist - Senior Technical professional who applies broad to comprehensive knowledge of methodologies, theoretical concepts, principals, and practices in specific professional scientific or technical disciplines. Under minimal supervision, plans, conducts leads and accomplishes board assignments. Provides guidance and assistance in coordinating tasks and ensuring technical adequacy of the end product. Ensures compliance with technological standards throughout the project. Usually operates with some latitude for unreviewed actions or decision and provides daily supervision and direction to support staff. Client contact is routine and frequent. BA/BS (or equivalent) in related field, plus 10 years of related experience required. | \$109.18 | \$113.21 | \$117.40 | \$121.75 | \$126.25 |
| 9 | Quality Control Manager - Knowledge in a wide range of tasks involving geology, chemistry, federal, state, and local regulations, and technical writing. Compiles, validates, and verifies the consistency of a variety of technical documents such as test procedures and instructions. Has 15 years related experience. | \$100.78 | \$104.50 | \$108.37 | \$112.38 | \$116.54 |
| 10 | Registered Geologist - Possess broad knowledge of geologic processes and impact and/or potential impact on contaminant migration. Requires familiarity with geomorphology and hydrogeology. Position requires preparation of planning documents, performance of field work, report preparation, and client relations. Knowledge of regulatory requirements of federal, state, and local agencies. Registration in California requires a minimum of 5 years of experience under the supervision of a registered geologist as well as references. BA/BS (or equivalent) in related field, plus 10 years of related experience required. | \$109.18 | \$113.21 | \$117.40 | \$121.75 | \$126.25 |

Labor Category Rates & Experience Requirements

| Title of labor category | | Year 6 | Year 7 | Year 8 | Year 9 | Year 10 |
|-------------------------|---|----------|----------|----------|----------|----------|
| 11 | Biologist - Applies developed skills and knowledge of biology. Under general supervision, performs a variety of assigned duties including analysis, design, and development, evaluation, specifications, procedures, and documentation. May be called upon to deliver presentations, plan tasks, and coordinate resources and budgets. BA/BS or equivalent in related field, plus 6 years of related experience required. | \$72.51 | \$75.19 | \$77.97 | \$80.86 | \$83.85 |
| 12 | Chemist - Applies developed skills and knowledge of organic and inorganic chemistry. Under general supervision, performs a variety of assigned duties including determination of appropriate analyses, sampling plan design, and evaluation of data and laboratory procedures, and preparation of documentation. May be called upon to deliver presentations, plan tasks, and coordinate resources and budgets. BA/BS or equivalent in related field, plus 6 years of related experience required. | \$78.79 | \$81.71 | \$84.73 | \$87.86 | \$91.12 |
| 13 | Certified Industrial Hygienist - Conduct audits, develops and reviews programs, and conduct training. Posses a solid understanding of OSHA regulations, strong technical background, good presentation skills, and excellent written and verbal communication skills. A B.S. in industrial hygiene or environmental health. Familiarity with Cal OSHA and OSHA regulations is mandatory. BA/BS or equivalent in related field, plus 6 years of related experience required. | \$112.99 | \$117.17 | \$121.51 | \$126.00 | \$130.67 |
| 14 | Toxicologist - Provide expertise in environmental health, researches relevant published or unpublished scientific literature on the human toxicity of chemical and biological compounds and substances including research through current computerized resource libraries; consults with other peers in the field to validate findings, results, and conclusions in interpreting scientific data; oversees design and implementation of field investigations which sample, test, and monitor for the presence, concentration, and persistence of health effects of toxic substances; analyzes and interprets data using statistical principles and techniques. BA/BS or equivalent in related field, plus 10 years of related experience required. | \$110.31 | \$114.39 | \$118.62 | \$123.01 | \$127.56 |
| 15 | Industrial Hygienist - Conduct audits, develop and review programs, and conduct training. Posses a solid understanding of OSHA regulations, strong technical background, good presentation skills, and excellent written and verbal communication skills. A B.S. in industrial hygiene or environmental health. Familiarity with Cal OSHA and OSHA regulations is desirable. BA/BS or equivalent in industrial hygiene or environmental health, plus 6 years of related experience required. | \$63.03 | \$65.36 | \$67.78 | \$70.29 | \$72.89 |

Labor Category Rates & Experience Requirements

| Title of labor category | | Year 6 | Year 7 | Year 8 | Year 9 | Year 10 |
|-------------------------|--|----------|----------|----------|----------|----------|
| 16 | Programmer - Under general direction formulates and defines system scope and objectives. Devises or modifies procedures to solve complex problems considering computer equipment capacity and limitations, operating times, and form of desired results. Prepares detailed specifications from which programs will be written. Designs, codes, tests, debug and document those programs. Competent to work at the highest technical level of all phases of applications system analysis and programming activities. May be responsible for the completion of a phase of a project. BA/BS or (equivalent) in related field, plus 6 years of related experience. | \$122.16 | \$126.68 | \$131.37 | \$136.23 | \$141.27 |
| 17 | Database Specialist - The Database Administrator primarily responsible for coding, monitoring and tuning database objects for optimal performance. Additional responsibilities include support for design, development and implementation of application development projects. BA/BS or (equivalent) in related field, plus 3 years of related experience. | \$61.07 | \$63.33 | \$65.67 | \$68.10 | \$70.62 |
| 18 | Cost Estimator - Prepare Statements of Work, Work Breakdown Structures, estimating rationale and related material. Estimator will be responsible for the directing the estimating process including extensive interface with project staff and program managers. Estimator will be required to analyze raw input data, provide judgment of reasonableness, and support audits with internal audit functions as well as external government audit agencies. BA/BS or (equivalent) in related field, plus 3 years of related experience. | \$93.14 | \$96.59 | \$100.16 | \$103.87 | \$107.71 |
| 19 | Technical Writer - Directs development and production of technical documents by managing staff resources. Proficiency in writing and editing technical documents. BA/BS or (equivalent) in related field, plus 8 years of related experience. | \$95.44 | \$98.97 | \$102.63 | \$106.43 | \$110.36 |
| 20 | Designer (CAD) - Under General supervision, produce electronic drawing files and annotates drawings within project standards from sketches, layouts, and notes. Knowledge of and skill in fundamental drafting practices. The ability to generate simple layouts from sketches. Proficiency in the firm's standard Micro-Station and/or AutoCAD. The ability to perform moderately complex calculations such as quantity take-offs. Decision-making and Problem Resolution Decisions are routine and are governed by established standards and project instructions. Planning and scheduling consistently estimates accurate completion time of own assignments and coordinates with project team effectively. AA/AS or equivalent in related field, plus 5 years of related experience required. | \$85.51 | \$88.67 | \$91.96 | \$95.36 | \$98.89 |

Labor Category Rates & Experience Requirements

| Title of labor category | | Year 6 | Year 7 | Year 8 | Year 9 | Year 10 |
|-------------------------|--|---------|---------|---------|---------|---------|
| 21 | Draftsman (CAD) - Under direct supervision, prepares preliminary and final design plans utilizing AutoCad and/or Micro Station software and provides support for others as required. Knowledge of basic drafting practices. Familiarity with civil/mechanical/electrical drafting/cad principles (i.e., text placement and editing, layering, snap, precision input, etc). Strong organizational skills, attention to detail, good verbal/written communication skills. AA/AS or equivalent in related field, plus 2 years of related experience required | \$61.07 | \$63.33 | \$65.67 | \$68.10 | \$70.62 |
| 22 | Secretarial - Performs secretarial work under the supervision of manager. Types and proofreads correspondence, reports and documentation. Maintains filing system for department. Answer telephones, responds to routine question/request, greets visitors, schedules meetings, mail distribution, and makes travel arrangements. Has 4 years or related experience. | \$48.86 | \$50.67 | \$52.55 | \$54.49 | \$56.51 |
| 23 | Word Processor - Provides general-purpose administrative and clerical support for project tasks. May include secretarial, word-processing, graphics, desktop publishing, editing and coordination 1 years of related experience required. | \$41.22 | \$42.75 | \$44.33 | \$45.97 | \$47.67 |
| 24 | Technician - Perform routine and complex technical duties involving relevant technical disciplines. Six years of related experience required. | \$72.51 | \$75.19 | \$77.97 | \$80.86 | \$83.85 |
| 25 | Heavy Equipment Operator - No scholastic or specialty requirements. Requires current OSHA Hazardous Waste Operations and Emergency Response Training. | \$62.72 | \$65.04 | \$67.44 | \$69.94 | \$72.53 |
| 26 | Truck Driver - No scholastic or specialty requirements. Requires a commercial Drivers License and compliance with all State and Federal endorsements and laws. Requires current OSHA Hazardous Waste Operations and Emergency Response Training. | \$53.07 | \$55.04 | \$57.07 | \$59.19 | \$61.38 |
| 27 | Maintenance Laborer - No scholastic requirements or specialty training. Requires current OSHA Hazardous Waste Operations and Emergency Response Training. | \$39.53 | \$40.99 | \$42.51 | \$44.08 | \$45.71 |
| 28 | Helper (Trade) - No scholastic requirements or specialty training. Requires current OSHA Hazardous Waste Operations and Emergency Response Training. | \$46.61 | \$48.34 | \$50.13 | \$51.98 | \$53.90 |

| Individual Metals by Flame AA: Sb, Ca, Cd, Cr, Co, Cu, Fe, Pb, Mg, Mn, K, Na, Ni, Ag, Zn | 7000 series, SM 3111 B | \$41.11 | \$42.34 | \$43.61 | \$44.92 | \$46.27 |
| Individual Metals by Graphite Furnace: Ag, As, Be, Cd, Cr, Cu, Pb, Ni, Sb, Se, Ti | 200 series, 7000 series | \$41.11 | \$42.34 | \$43.61 | \$44.92 | \$46.27 |
| Ferrous and Ferric Iron (Fe ²⁺ & Fe ³⁺) | 200.7, 6010 | \$68.52 | \$70.57 | \$72.69 | \$74.87 | \$77.11 |
| Organic Lead | CA DHS | \$109.63 | \$112.92 | \$116.31 | \$119.80 | \$123.39 |
| CA Title 22 Metals (17): (aka TTLC, CCR, CAC, and CAM Metals) Sb, As, Ba, Be, Cd, Cr, Co, Cu, Pb, Hg, Mo, Ni, Se, Ag, Tl, V, Zn | 200.7, 6010, 7000 series | \$301.47 | \$310.51 | \$319.83 | \$329.43 | \$339.31 |
| STLC Extraction (CA WET or Title 22 Waste Extraction Test) | CA Title 22 | \$116.37 | \$119.86 | \$123.46 | \$127.16 | \$130.97 |
| STLC Metals (CA WET + Title 22 Metals) | CA WET 6010/7000 | \$417.55 | \$430.08 | \$442.98 | \$456.27 | \$469.96 |

Laboratory Analysis (Hazardous Waste Analyses) Rates

| ANALYSIS | METHOD | Year 6 | Year 7 | Year 8 | Year 9 | Year 10 |
|---|--------------------------|----------|----------|----------|----------|----------|
| Asbestos – solids | PLM | \$61.67 | \$63.52 | \$65.42 | \$67.38 | \$69.41 |
| Asbestos – water | TEM | \$411.10 | \$423.44 | \$436.14 | \$449.22 | \$462.70 |
| Chlorinated Pesticides | 8081 | \$191.85 | \$197.60 | \$203.53 | \$209.64 | \$215.93 |
| PCBs | 8082 | \$191.85 | \$197.60 | \$203.53 | \$209.64 | \$215.93 |
| Chlorinated Pesticides & PCBs | 8080 | \$191.85 | \$197.60 | \$203.53 | \$209.64 | \$215.93 |
| Chlorinated Pesticides & PCBs | 8081/8082 | \$287.77 | \$296.40 | \$305.30 | \$314.46 | \$323.89 |
| Chlorinated Acid Herbicides (full suite) | 8151 | \$246.66 | \$254.06 | \$261.69 | \$269.54 | \$277.62 |
| Dioxin (2,3,7,8-TCDD) | 8280 | \$616.65 | \$635.15 | \$654.20 | \$673.83 | \$694.05 |
| Fluoride | 300 | \$28.78 | \$29.64 | \$30.53 | \$31.45 | \$32.39 |
| Title 22 Metals (17 Metals) | 6010/7000 | \$301.47 | \$310.51 | \$319.83 | \$329.43 | \$339.31 |
| Organic Lead | CA DHS Method | \$109.63 | \$112.92 | \$116.31 | \$119.80 | \$123.39 |
| Trichloroethene | 8010, 8021 | \$171.30 | \$176.44 | \$181.73 | \$187.18 | \$192.80 |
| Pentachlorophenol | 8041, 8270 | \$246.66 | \$254.06 | \$261.69 | \$269.54 | \$277.62 |
| STLC Extraction (CA WET) for metals | CA Title 22 | \$116.48 | \$119.98 | \$123.58 | \$127.28 | \$131.10 |
| STLC Extraction (CA WET) for trichloroethane (TCE) | CA Title 22 | \$239.80 | \$247.00 | \$254.41 | \$262.04 | \$269.90 |
| Corrosivity | 9045 | \$16.44 | \$16.93 | \$17.44 | \$17.96 | \$18.50 |
| Ignitability | SW 846 7.12.2 | \$54.82 | \$56.46 | \$58.15 | \$59.90 | \$61.70 |
| Reactivity (Cyanide, Sulfide, and Reaction with water) | SW 846 7.3.3.2 & 7.3.4.2 | \$143.88 | \$148.20 | \$152.64 | \$157.22 | \$161.94 |
| Bioassay - pass/fail and LC50 | CA Dept. of Fish & Game | \$582.40 | \$599.88 | \$617.87 | \$636.41 | \$655.50 |
| Bioassay - pass/fail screen | CA Dept. of Fish & Game | \$308.33 | \$317.58 | \$327.11 | \$336.92 | \$347.03 |
| Volatile Organics by GC/MS | 8260 | \$308.33 | \$317.58 | \$327.11 | \$336.92 | \$347.03 |
| Halogenated & Aromatic Volatiles by GC | 8021 (full suite) | \$260.36 | \$268.17 | \$276.22 | \$284.51 | \$293.04 |
| Semi Volatile Organics | 8270 | \$507.03 | \$522.24 | \$537.91 | \$554.04 | \$570.66 |
| Chlorinated Pesticides | 8081 | \$191.85 | \$197.60 | \$203.53 | \$209.64 | \$215.93 |
| PCBs | 8082 | \$191.85 | \$197.60 | \$203.53 | \$209.64 | \$215.93 |
| PPL Metals: SDb, As, Be, Cd, Cr, Cu, Pb, Hg, Ni, Se, Ag, T1, Zn | 6010/7000 series | \$301.47 | \$310.51 | \$319.83 | \$329.43 | \$339.31 |
| Cyanide | 9014, SM 4500-CN-C or E | \$61.67 | \$63.52 | \$65.42 | \$67.38 | \$69.41 |
| TCLP Zero Headspace Extraction (ZHE) for Volatiles | 1311 | \$239.80 | \$247.00 | \$254.41 | \$262.04 | \$269.90 |
| TCLP Semi Volatile Extraction | 1311 | \$116.48 | \$119.98 | \$123.58 | \$127.28 | \$131.10 |
| TCLP Metals Extraction | 1311 | \$116.48 | \$119.98 | \$123.58 | \$127.28 | \$131.10 |
| SPLP Extraction (ZHE) for Volatiles | 1312 | \$239.80 | \$247.00 | \$254.41 | \$262.04 | \$269.90 |
| SPLP Extraction for metals and Semi Volatiles | 1312 | \$116.48 | \$119.98 | \$123.58 | \$127.28 | \$131.10 |
| RCRA Metals: As, Ba, Cd, Cr, Pb, Hg, Se, Ag | 6010/7000 | \$226.12 | \$232.90 | \$239.89 | \$247.08 | \$254.50 |

Laboratory Analysis (Air) Rates
