CUSTOMER INFORMATION

1a. TABLE OF AWARDED SPECIAL ITEM NUMBER(S) WITH APPROPRIATE CROSS-REFERENCE TO PAGE NUMBERS:

874-501 Supply and Value Chain Management Services, page 5; 874-503 Distribution and Transportation Logistics Services, page 5; 874-504 Deployment Logistics Services, page 5; 874-505 Logistics Training Services, page 6, 874-507 Operations & Maintenance Logistics Management and Support Services, page 6.

1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit process based on geographic location of the customer, should show the range of the lowest price, and cite the areas to which the prices apply.

1c. If the contractor is proposing hourly rates a description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided. If hourly rates are not applicable, indicate "Not applicable" for this item.

2. Maximum Order: \$1,000,000.00

3. Minimum Order: \$300.00

4. Geographic Coverage (delivery Area): Domestic and Overseas

5. Point(s) of production (city, county, and state or foreign country): Same as company address

6. Discount from list prices or statement of net price: Government net prices (discounts already deducted).

7. Quantity discounts: None Offered

8. Prompt payment terms: Net 30 days

9a. Notification that Government purchase cards are accepted at or below the micro-purchase threshold: Yes

9b. Notification whether Government purchase cards are accepted or not accepted above the micro-purchase threshold: will not accept over \$2,500

10. Foreign items (list items by country of origin): None

11a. Time of Delivery (Contractor insert number of days): Specified on the Task Order

11b. Expedited Delivery: The Contractor will insert the sentence "Items available for expedited delivery are noted in this price list." Under this heading. The Contractor may use a symbol of its choosing to highlight items in its price list that have expedited delivery: Contact Contractor

11c. Overnight and 2-day delivery. The Contractor will indicate whether overnight and 2-day delivery are available. Also, the Contractor will indicate that the schedule customer may contact the Contractor for rates for overnight and 2-day delivery: Contact Contractor

11d. Urgent Requirements: The Contractor will note in its price list the "Urgent Requirements" clause of its contract and advise agencies that they can also contact the Contractor's representative to effect a faster delivery: Contact Contractor

12. F.O.B Point(s): Destination

13a. Ordering Address(es):

For Electronic Ordering: gsalogorders@allencorporation.com

For Fax Ordering: (571) 321-1661

For Mail Ordering:

Allen Corporation of America
10400 Eaton Place, Suite 450
Fairfax, VA 22030
ATTN: GSA Ordering or Payment Department
Phone: 1-866-472-5536 (HQ ALLEN) Fax: (571) 231-1661

13b. Ordering procedures: For supplies and services, the ordering procedures, information on Blanket Purchase Agreements (BPS's), and a sample BPA can be found at the GSA/FSS Schedule homepage (fss.gsa.gov/schedules).

14. Payment address(es):

Allen Corporation of America
10400 Eaton Place, Suite 450
Fairfax, VA 22030
ATTN: Payment Department
Phone: 1-866-472-5536 (HQ ALLEN) Fax: (571) 321-1661

15. Warranty provision: Contractor's standard commercial warranty
16. Export Packing Charges (if applicable): N/A
17. Terms and conditionals of Government purchase card acceptance (any thresholds above the micro-purchase level): Contact Contractor
18. Terms and conditions of rental, maintenance, and repair (if applicable): N/A
19. Terms and conditions of installation (if applicable): N/A
20. Terms and conditions of repair parts indicating date of parts price lists and any discounts from list process (if applicable): N/A
- 20a. Terms and conditions for any other services (if applicable): N/A
21. List of service and distribution points (if applicable): N/A
22. List of participating dealers (if applicable): N/A
23. Preventive Maintenance (if applicable): N/A
- 24a. Special attributes such as environmental attributes (e.g., recycled content, energy efficiency, and/or reduced pollutants):
- 24b. If applicable, indicate that Section 508 compliance information is available on Electronic and Information Technology (EIT) supplies and services and show where full details can be found (e.g., contractor's website or other location.) The EIT standards can be found at: www.Section508.gov/.
25. Data Universal Numbering System (DUNS) number: 007102168
26. Notification regarding registration in Central Contractor Registration (CCR) database: Registered

SCHEDULE OF ITEMS

LOGISTICS WORLDWIDE (LOGWORLD) GSA Federal Supply Schedule 874V

874-501 Supply and Value Chain Management Services: Allen Corporation of America will provide services including, but not limited to, the planning, development, management, operation, and maintenance of logistics systems. These systems deal with: acquisition support, movement and maintenance of resources (including the material requirements determination and acquisition planning, storage, movement, distribution, maintenance, evacuation and disposition of material and equipment), asset or property visibility and management; and operation and maintenance of the infrastructures that support these activities. Contractors may provide assistance and guidance in support of an agency's assessment of the best combination of channels to create value for its customers. Services may include vendor-managed inventory systems; the operation of private and/or Government-owned warehouses, stockrooms, or other storage facilities; shipping and receiving; staging and storage; packing and crating (excluding household goods); and design, re-engineering, and operation and maintenance of distribution and material handling equipment systems.

874-504 Deployment Logistics Services:

Allen Corporation of America provides services including, but not limited to, contingency planning; inventory and property planning, movement, storage, and accountability; and communications and logistics systems to permit rapid deployment and management of supplies and equipment. We will provide expert advice, assistance, guidance, or operational support to identify and utilize existing regional or global resources, identify alternative capabilities, and plan for effective integration of public and private sector support or resources.

874-505 Logistics Training Services:

Allen Corporation of America will provide services including, but not limited to, training in system operations and automated tools for supply and value chain management, property and inventory management, distribution and transportation management and maintenance of equipment and facilities supporting these activities.

Customization of off-the-shelf training may include but is not limited to:

- Workbooks
- Computer based training
- Overhead transparencies
- Training manuals
- Videotapes
- Advanced presentation media

874-507 Operations & Maintenance Logistics Management and Support Services:

Allen Corporation of America will provide services using the best practices, technologies and methodologies to plan, design, manage, operate and maintain reliable and efficient systems, equipment, facilities and logistics infrastructures. Agency orders may include complete turnkey

operations, maintenance and support services, or components thereof, as needed to improve equipment and logistics performance, and reduce life cycle costs. Contractor personnel carrying out these activities, to include management and operating staffs, are not involved with or responsible for the core business of the federal agency placing the order.

Commercial Job Title: Program Manager, L001

Minimum/General Experience: Fifteen years of experience (or equivalent combination of education and experience). Relevant experience includes, but is not limited to, progressive experience in managing projects, contracts, funds, and resources (including personnel).

Functional Responsibilities: Duties may include contract management, large project management, and interface with the customer. The program manager must be capable of planning, directing, and coordinating the work of technical personnel including requirement determination, system/program specification, system/program design-analysis, documentation, conversion, training, and installation/extension of AIS. This person is responsible for implementing a quality assurance program to ensure that services and products conform to applicable standards and are done IAW Government regulations.

Minimum Education: Requires a bachelor s degree.

Equivalencies: An additional two years of specialized experience may be substituted for the required bachelor s degree.

Commercial Job Title: Administrative Specialist II, L002

Minimum/General Experience: Five years of office and/or clerical work experience. Experience required includes: performing diversified clerical, administrative, and general office duties of a highly responsible and confidential nature for managers and staff.

Functional Responsibilities: This position requires knowledge of applicable policies, organization, and a high level of technical skills using automation tools, including word processing and graphics. The administrative specialist II communicates and/or coordinates instructions with various individuals and departments; furnishes and obtains information from multiple sources; organizes and maintains files of correspondence and records; follows up on pending matters; acts as a receptionist, screens telephone calls, letters, and visitors, answers routine questions, and furnishes information; schedules appointments, coordinates arrangements for meetings and conferences, and or answers routine correspondence not requiring the manager s attention; prepares special reports, and gathers and summarizes data; organizes and expedites workflow through the manager s office; and initiates follow-up action. This person may provide supervision, training, and guidance to lower level administrative assistants, and may operate a computer terminal and printer for data storage and retrieval.

Minimum Education: Requires a high school diploma.

Equivalencies: N/A.

Commercial Job Title: Functional Analyst III, L003

Minimum/General Experience: Ten years of experience (or equivalent combination of education and experience) or a minimum of seven years of experience is required, five of which must be specialized. Specialized experience required includes: superior functional knowledge of task-order specific requirements, or developing functional requirements for complex, integrated ADP systems. General experience required includes: demonstrated ability to work independently or with only general direction.

Functional Responsibilities: The senior functional analyst performs advanced and complex systematic reviews of selected functions to determine application and design of systems or models. This person participates in various testing functions (such as, string and acceptance tests) to verify that results are correct. This person develops and updates functional or operating manuals outlining established methods of performing work in accordance with organizational policy; trains clients or user personnel in the operation and capabilities of proposed models; provides functional guidance on more complex projects; and may supervise and provide technical direction to lower level functional and data analysts.

Minimum Education: Requires a bachelor s degree.

Equivalencies: An additional two years of specialized experience may substitute for the required bachelor s degree.

Commercial Job Title: Functional Analyst II, L004

Minimum/General Experience: Seven years of experience (or equivalent combination of education and experience) is required, three of which must be specialized. Specialized experience required includes: developing functional requirements and data elements for complex, integrated ADP systems. General experience required includes demonstrated ability to work independently or with only general direction.

Functional Responsibilities: The functional analyst recommends improvements or modifications in sequence of operations, equipment utilization, and related matters. This person examines and analyzes current and contemplated operations for developing, defining, and coordinating user requirements that will satisfy the total program need. This person translates user requirements into system specifications, data management plans, configuration management plans, and life cycle management documentation; integrated logistics support plans, and related operational summaries. The functional analyst assists in the design, development, analysis, testing, and maintenance of logical and physical databases; writes specification manuals and user documentation for client or user personnel; gathers information from users, defines work problems, and designs a system and procedures to resolve problems.

Minimum Education: Requires a bachelor s degree.

Equivalencies: An additional two years of experience may substitute for the required bachelor s degree.

Commercial Job Title: Functional Analyst I, L005

Minimum/General Experience: Four years of experience (or equivalent combination of education and experience), one year of which must be specialized. Specialized experience required includes developing functional requirements and data elements for complex, integrated ADP systems. General experience required includes: demonstrated ability to work independently or with only general direction.

Functional Responsibilities: The junior functional analyst recommends improvements or modifications in sequence of operations, equipment utilization, and related matters. This person examines and analyzes current and contemplated operations for developing, defining, and coordinating user requirements that will satisfy the total program need; translates user requirements into system specifications, data management plans, configuration management plans, life cycle management documentation, integrated logistics support plans, and related operational summaries; assists in the design, development, analysis, testing and maintenance of logical and physical databases; writes specification manuals and user documentation for client or user personnel, and gathers information from users, defines work problems, and designs a system and procedures to resolve problems.

Minimum Education: Requires a bachelor s degree.

Equivalencies: An additional two years of experience may substitute for the required bachelor s degree.

Commercial Job Title: Logistics Management Specialist III, L006

Minimum/General Experience: Ten years of experience (or equivalent combination of education and experience). Relevant experience includes, but is not limited to, performing supply management functions in an automated logistics management environment.

Functional Responsibilities: Duties may include providing technical and administrative direction for personnel performing supply management and logistics automation functions, and performing supply management functions in an automated logistics environment.

Minimum Education: Requires a bachelor s degree.

Equivalencies: An additional two years of specialized experience may substitute for the required bachelor s degree.

Commercial Job Title: Logistics Management Specialist II, L007

Minimum/General Experience: Five years of experience (or equivalent combination of education and experience). Relevant experience includes, but is not limited to, performing supply management functions in an automated logistics management environment.

Functional Responsibilities: Duties may include providing technical and administrative direction for personnel performing logistics automation functions, and performing supply management functions in an automated logistics environment.

Minimum Education: Requires a bachelor s degree.

Equivalencies: An additional two years of experience may substitute for the required bachelor s degree.

Commercial Job Title: Logistics Management Specialist I, L008

Minimum/General Experience: Three years of experience (or equivalent combination of education and experience). Relevant experience includes, but is not limited to, performing supply management functions in an automated logistics management environment.

Functional Responsibilities: Duties may include providing technical and administrative direction for personnel performing logistics automation functions, and performing supply management functions in an automated logistics environment.

Minimum Education: Requires a bachelor s degree.

Equivalencies: An additional two years of experience may substitute for the required bachelor s degree.

Commercial Job Title: Property Book Technician, L009

Minimum/General Experience: An associate's degree and seven years of experience (or equivalent combination of education and experience) required. Relevant experience includes, but is not limited to, performing duties involving request, storage, issue, accountability, and preservation of individual, organizational, installation, and expendable supplies and equipment.

Functional Responsibilities: Assist Supply Personnel in establishing supply and inventory control management functions and maintain property automated systems such as PBUSE and DPAS provide technical assistance to equipment records and parts supply personnel. Perform duties involving request, storage, inventory, issue, accountability, and preservation of individual, organizational, installation, and expendable supplies and equipment. Assist Supply Personnel in establishing supply and inventory control management functions and maintain property under automated system such as PBUSE and DPAS provide technical assistance to equipment records

and parts supply personnel. Analyze statistical data and reports to determine trends, conformance to standard and directives and efficiency of operations. Inspects completed work for accuracy and compliance with established regulatory requirements. Ensure that the equipment and components listed in the TOE, MTOE, TDA, CTA, JTA and TM are on hand and available. Using ULLS S-4 or PBUSE to update component list confirm that listings are current and correct by performing a random check. Ensure that the property book system is annotated with the serial number, USA number, and the UIC of the unit. Using data from the PBUSE hand receipt and data from the SC, TM, component listings (CL). Identify and report supply constraints in accordance with AR 710-2 and AR 725-50. Ensure property book allowances are reconciled with authorization documents and that these equipment authorization documents are loaded with the requisition validation system (REQVAL). Use AR 710-2, ULLS-S4 and PBUSE to request and receive supplies. Assist in the enforcement of command and supervisory responsibilities for the care, use and safekeeping of Government Property.

Minimum Education: Requires an Associate's degree.

Equivalencies: An associate's degree and seven years of experience (or equivalent combination of education and experience) required.

Commercial Job Title: Supply Technician, L010

Minimum/General Experience: A high school diploma and a minimum of 3 years experience required. Establishes and maintains a material control program at field level for requisition, receiving, storing and issuing materials, tools, equipment and supplies in a timely manner to meet the contract workload and delivery schedule.

Functional Responsibilities: Responsible for maintaining material requirements list, inventories, bench stock (expendable items), critical items list, receipt, storage and issue records, coordinates, processes and expedites supply transactions. Determines local and vendor repair capabilities for rebuilding and overhaul of components and accessories. Determines and forecasts material requirements, and establishes minimum stock levels. Provide liaison with the customer supply activities. Determines methods of storage, identification and stock location, considering temperature, humidity, height and weight limits turnover, floor loading capacities, and required space. Prepare documentation necessary for turn-in or repair of repairable components. Have a good working knowledge of Army, Navy, and Air force supply systems, policies, methods, and technical publications and be familiar with manual and mechanical methods of supply administration.

Minimum Education: A high school diploma and a minimum of 3 years experience required.

Equivalencies: None.

Commercial Job Title: Document Preparation Clerk, L011

Minimum/General Experience: Perform duties involving request, storage, issue, accountability, and preservation of individual, organizational, installation, and expendable supplies and equipment.

Functional Responsibilities: The Document Preparation Clerk assists Supply Personnel in establishing supply and inventory control management functions and maintain property under automated system such as PBUSE and DPAS, provide technical assistance to equipment records and parts supply personnel. Perform duties involving request, storage, issue, accountability, and preservation of individual, organizational, installation, and expendable supplies and equipment. Assist Supply Personnel in establishing supply and inventory control management functions and maintain property under automated system such as PBUSE and DPAS provide technical assistance to equipment records and parts supply personnel. Coordinate logistical activities with other staff elements i.e. (supply, services and motor transport services). Assist in development and preparation of operations information. Inspects completed work for accuracy and compliance with established regulatory requirements. Ensure that the equipment and components listed in the TOE, MTOE, TDA, CTA, JTA and TM are on hand and available. Using ULLS S-4 or PBUSE to update component list confirm that listings are current and correct by performing a random check. Ensure that the property book system is annotated with the serial number, USA number, and the UIC of the unit. Using data from the PBUSE hand receipt and data from the SC, TM, component listings (CL). Identify and report supply constraints in accordance with AR 710-2 and AR 725-50. Ensure property book allowances are reconciled with authorization documents and that these equipment authorization documents are loaded with the requisition system (REQVAL). Use AR 710-2, ULLS-S4 and PBUSE to request and receive supplies. Assist in the enforcement of command and supervisory responsibilities for the care, use and safekeeping of Government Property.

Minimum Education: A high school diploma and a minimum of 3 years experience required.

Equivalencies: None.

Commercial Job Title: Property Book Administrator, L012

Minimum/General Experience: Five years of experience and a bachelor s degree (an additional two years of experience may be substituted for a bachelor s degree). Relevant experience includes, but is not limited to, performing supply management functions in an automated logistics management environment.

Functional Responsibilities: The Property Book Administrator performs duties involving request, storage, issue, accountability, and preservation of individual, organizational, installation, and expendable supplies and equipment. They assist Supply Personnel in establishing supply and inventory control management functions and maintain property under standard property book

system redesign (SPBS-R) provide technical assistance to equipment records and parts supply personnel.

This person analyzes statistical data and reports to determine trends, conformance to standard and directives and efficiency of operations. They coordinate logistical activities with other staff elements i.e. (supply, services and motor transport services). The PBA assists in development and preparation of operations information and ensures that the equipment and components listed in the TOE, MTOE, TDA, CTA, JTA and TM are on hand and available.

For property book accounting purposes, there are two types of property; organization and installation. Ensure that the property book system is annotated with the serial number, USA number, and the UIC of the unit. Using data from the SPBS-R hand receipt and data from the SC, TM, component listings (CL) the PBA will ensure that the property book system is annotated with the serial number, USA number, and the UIC of the unit. The PBA will also ensure property book allowances are reconciled with authorization documents and that these equipment authorization documents are loaded with the requisition system (RECVAL)

Use AR 710-2, ULLS-S4 and SPBS-R to request and receive supplies.

Assist in the enforcement of command and supervisory responsibilities for the care, use and safekeeping of Government Property.

Minimum Education: Requires a bachelor s degree.

Equivalencies: An additional two years of experience may substitute for the required bachelor s degree.

**USA COMMITMENT TO PROMOTE SMALL BUSINESS PARTICIPATION
PROCUREMENT PROGRAMS PREAMBLE**

Allen Corporation provides commercial products and services to the Federal Government. We are committed to promoting participation of small, small disadvantaged and women-owned small businesses in our contracts. We pledge to provide opportunities to the small business community through reselling opportunities, mentor-protégé programs, joint ventures, teaming arrangements, and subcontracting.

COMMITMENT

To actively seek and partner with small businesses.

To identify, qualify, mentor and develop small, small disadvantaged and women-owned small businesses by purchasing from these businesses whenever practical.

To develop and promote company policy initiatives that demonstrates our support for awarding contracts and subcontracts to small business concerns.

To undertake significant efforts to determine the potential of small, small disadvantaged and women-owned small business to supply products and services to our company.

To insure procurement opportunities are designed to permit the maximum possible participation of small, small disadvantaged, and women-owned small businesses.

To attend business opportunity workshops, minority business enterprise seminars, trade fairs, procurement conferences, etc., to identify and increase small businesses with whom to partner.

To publicize in our marketing publications our interest in meeting small businesses that may be interested in subcontracting opportunities.

We signify our commitment to work in partnership with small, small disadvantaged and women-owned small businesses to promote and increase their participation in Federal Government contracts. To accelerate potential opportunities please contact Kevin C. Vaughey, President/CEO, phone number 1-866-472-5536 (HQ ALLEN), fax number (571) 321-1661

**BEST VALUE BLANKET PURCHASE AGREEMENT FEDERAL SUPPLY SCHEDULE
ALLEN CORPORATION**

In the spirit of the Federal Acquisition Streamlining Act (Agency) and Allen Corporation enter into a cooperative agreement to further reduce the administrative costs of acquiring commercial items from the General Services Administration (GSA) Federal Supply Schedule Contract(s)
_____.

Federal Supply Schedule contract BPAs eliminate contracting and open market costs such as: search for sources; the development of technical documents, solicitations and the evaluation of offers. Teaming Arrangements are permitted with Federal Supply Schedule Contractors in accordance with Federal Acquisition Regulation (FAR) 9.6.

This BPA will further decrease costs, reduce paperwork, and save time by eliminating the need for repetitive, individual purchases from the schedule contract. The end result is to create a purchasing mechanism for the **Government that works better and costs less.**

ALLEN CORPORATION BLANKET PURCHASE AGREEMENT

Pursuant to GSA Federal Supply Schedule Contract Number(s) _____, Blanket Purchase Agreements, Allen Corporation agrees to the following terms of a Blanket Purchase Agreement (BPA) EXCLUSIVELY WITH (Ordering Agency):

(1) The following contract items can be ordered under this BPA. All orders placed against this BPA are subject to the terms and conditions of the contract, except as noted below:

MODEL NUMBER/PART NUMBER	*SPECIAL BPA DISCOUNT/PRICE
---------------------------------	------------------------------------

_____	_____
_____	_____

(2) Delivery:

DESTINATION	DELIVERY SCHEDULE/DATES
--------------------	--------------------------------

_____	_____
_____	_____

(3) The Government estimates, but does not guarantee, that the volume of purchases through this agreement will be _____.

(4) This BPA does not obligate any funds.

(5) This BPA expires on _____ or at the end of the contract period, whichever is earlier.

(6) The following office(s) is hereby authorized to place orders under this BPA:

OFFICE	POINT OF CONTACT
---------------	-------------------------

_____	_____
_____	_____

(7) Orders will be placed against this BPA via Electronic Data Interchange (EDI), FAX, or paper.

- (8) Unless otherwise agreed to, all deliveries under this BPA must be accompanied by delivery tickets or sales slips that must contain the following information as a minimum:
- (a) Name of Contractor;
 - (b) Contract Number;
 - (c) BPA Number;
 - (d) Model Number or National Stock Number (NSN);
 - (e) Purchase Order Number;
 - (f) Date of Purchase;
 - (g) Quantity, Unit Price, and Extension of Each Item (unit prices and extensions need not be shown when incompatible with the use of automated systems; provided, that the invoice is itemized to show the information); and
 - (h) Date of Shipment.
- (9) The requirements of a proper invoice are specified in the Federal Supply Schedule contract. Invoices will be submitted to the address specified within the purchase order transmission issued against this BPA.
- (10) The terms and conditions included in this BPA apply to all purchases made pursuant to it. In the event of an inconsistency between the provisions of this BPA and Allen Corporation's invoice, the provisions of this BPA will take precedence.

BASIC GUIDELINES FOR USING “CONTRACTOR TEAM ARRANGEMENTS”

Federal Supply Schedule Contractors may use “Contractor Team Arrangements” (see FAR 9.6) to provide solutions when responding to a customer agency requirements.

These Team Arrangements can be included under a Blanket Purchase Agreement (BPA). BPAs are permitted under all Federal Supply Schedule contracts.

Orders under a Team Arrangement are subject to terms and conditions or the Federal Supply Schedule Contract.

Participation in a Team Arrangement is limited to Federal Supply Schedule Contractors.

Customers should refer to FAR 9.6 for specific details on Team Arrangements.

Here is a general outline on how it works:

- The customer identifies their requirements.
- Federal Supply Schedule Contractors may individually meet the customers needs, or -
- Federal Supply Schedule Contractors may individually submit a Schedules “Team Solution” to meet the customer’s requirement.
- Customers make a best value selection.
