CASE DESCRIPTIONS

C-1: NAC

The National Agency Check (NAC) investigation is used as the initial investigation for contractors at the Confidential, Secret, and L access levels. It is also used as the reinvestigation product for both contractors and Federal employees at the same access levels. The NAC consists of law checks. Note: Law coverage will be attempted by written inquiry whenever possible with expedited record searches conducted at non-responsive or admitted arrest locations by field staff. A report of investigation will be composed in an OPM-designed format on a desktop or laptop computer and transmitted to the requesting Agency Security Office.

C-2: LAC

The Local Agency Check (NAC) investigation is used as the initial investigation for contractors at the Confidential, Secret, and L access levels. It is also used as the reinvestigation product for both contractors and Federal employees at the same access levels. The LAC consists of law checks. Note: Law coverage will be attempted by written inquiry whenever possible with expedited record searches conducted at non-responsive or admitted arrest locations by field staff. A report of investigation will be composed in an OPM-designed format on a desktop or laptop computer and transmitted to the requesting Agency Security Office.

C-3: SSBI-PR

The Periodic Reinvestigation of the Single Scope Background Investigation with Issue Resolution (SSBI-PR) is conducted to meet the reinvestigation requirements established by Executive Order 12968 for positions requiring access to Top Secret and Sensitive Compartmented Information and for "Q" access authorization. The SSBI-PR consists of a Personal Subject Interview (PRSI), employment, residence, education, references, law coverage, court records, and interviews of former spouse(s). These investigations will include the resolving of issues before the case is returned to the adjudicating facility. A report of investigation will be composed in an OPM-designed format on a desktop or laptop computer and transmitted to the requesting Agency Security Office.

C-4: SSBI

The Single Scope Background Investigation (SSBI) is conducted to meet investigation requirements established by Executive Order 12968 for positions requiring access to Top Secret and Sensitive Compartmented Information and for "Q" access authorization and for High Risk Public Trust positions. Coverage requirements for these consist of a Personal Subject Interview (PRSI), employment, education, residence, law coverage, court checks and interviews of former spouse(s). These investigations will include the resolving of issues before the case is returned to the adjudicating facility. A report of investigation will be composed in an OPM-designed format on a desktop or laptop computer and transmitted to the requesting Agency Security Office.
