COMPANY OVERVIEW

New Horizon Industries, Inc. is a leading facilities management firm based in Atlanta, Georgia. A woman-owned small business, New Horizon Industries has been providing cost-effective facility management solutions since 2007. Our team of professional managers and staff are on a mission to provide quality service at the lowest price. Our clientele includes customers in both the public and private sector, including several government agencies throughout the United States.

New Horizon Industries has extensive maintenance and management experience in various government facilities, including office buildings, courthouses, laboratories, military and research and development facilities. New Horizon Industries has provided facility management services to various government agencies such as GSA, EPA SSA, FAA, NARA and DOD. We self-perform all key services, and through partnerships or contractual agreements with other specialty contractors, we provide operation and maintenance services that are fully managed and controlled by our on-site management team.
The Service Contract Act (SCA) is applicable to this contract and includes SCA applicable labor categories. Offered pricing for SIN 561210FAC are based on the Wage Determination for New York, New York. The actual offered pricing is based on the location in which the work is performed. Should the contractor perform in an area with a lower SCA rate, resulting in a reduction in paid wages, the rates will be adjusted accordingly.

Direct Costs are based on the requirements of the solicitation and a detailed analysis of the equipment and facilities.

Direct Costs for subcontracted work are based on actual bids (whenever possible, NHI will obtain at least (3) bids per item in order to satisfy our requirements for competitiveness under the specific circumstances of the acquisition.)
