Wage Determination **WD 15-4603**

Used:

The Service Contract Act (SCA) is applicable to this contract and it includes SCA applicable labor categories. The prices for the indicated SCA labor categories are based on the US Department of Labor Wage Determination Number(s) identified in the matrix. The prices offered are based on the preponderance of where work is performed and should the contractor perform in an area with lower SCA rates, resulting in lower wages being paid, the task order prices will be discounted accordingly.

Labor Category Substitution

Formal training in the area of expertise may be substituted for experience on a one-to-one basis. Experience may be substituted for degree requirements as follows: 4 Yrs Exp for bachelors, 3 Yrs Exp for masters; 3 Yrs Exp for Doctorate (i.e., if someone had a high school diploma, he/she would require 10 years of related experience already shown in the matrix for a particular labor category requiring a Doctorate).
