SIN Descriptions

Special Item Numbers (SINs) available under this contract provides for services for the full life cycle of a financial management project. When task orders are placed, they must identify the SIN or SINs under which the task is being executed.

SIN 520-5	Loan Servicing and Asset Management
SIN 520-12	Budgeting
SIN 520-13	Complementary Financial Management Services

Task orders for outsourcing of financial and business services may be placed for any of the SINs, provided the work being outsourced is covered under the SIN definition.

A full description of each SIN definition and examples of the types of work covered by the SIN are provided below.

1. **SIN 520-5 - Loan Servicing And Asset Management**

Examples of Asset Management Services include but are not limited to: Provide technical assistance in assessing and improving current asset management processes relating to cash management, inventory management, government property, plant and equipment, and other agency assets, conduct specialized reviews to assess adequacy of controls and policies and procedures, assess agency compliance with asset management related requirements, resolve audit recommendations and assist management in implementing corrective actions, perform special analyses and evaluations. **(Specifically excludes Sale of Assets and Loan Servicing, but does include review of loan servicing practices, opinions on financing or refinancing etc.)**

2. **SIN 520-12 - Budgeting**

Examples of Budget Services include but are not limited to: Assess and improve the budget formulation process, assess and improve the budget execution process, conduct special reviews to resolve budget formulation or budget execution issues, provide technical assistance in improving budget preparation or execution processes and related systems, reviewing budgetary controls, assist management with implementing corrective actions, and apply information technology to streamline/improve budget-related activities.

3. **SIN 520-13 - Complimentary Financial Management Services**

Examples of Complimentary Financial Management Services include but are not limited to:

Assess and improve financial management systems, conduct A-127 system compliance reviews, conduct other system assessments to improve operating efficiency, effectiveness, controls and systems performances, assist management with implementing corrective actions, documenting systems, identify systems requirements, plan and develop systems, assess the integrity of financial systems and related data, provide technical assistance in meeting agency financial management system requirements, etc.

Assess and improve current financial reporting and analysis, develop new reporting formats and pro-forma financial reports, provide technical assistance in meeting agency financial management reporting and analysis requirements, assist in improving and streamlining reporting and analysis processes and related procedures, assist management with implementing corrective actions, analyze financial results, conduct cost-benefit or other special financial analyses, assist analysis and enhancement of existing pricing and rate structures.

Provide technical assistance in complying with the requirements of the Government Performance & Results Act, assist with devising and implementing performance measures and related processes and systems, assist with strategic and operational financial planning, resolve audit recommendations and assist with implementing corrective actions, assess the adequacy of strategic plans and related performance measures, assist in reviewing and improving current processes and related procedures and systems.

All planning, budgetary, contract, and systems/program management execution functions required to procure and/or produce, render operational and provide life cycle support (maintenance, repair, supplies, engineering specific logistics) to technology-based systems, activities, subsystems, projects, etc. Typical associated tasks include, but are not limited to operation and maintenance, program/project management, technology transfer/insertion, training, privatization, and outsourcing.

GSA COMMITMENT TO PROMOTE SMALL BUSINESS PARTICIPATION PROCUREMENT PROGRAMS PREAMBLE

Northrop Grumman Information Technology provides commercial products and services to the Federal Government. We are committed to promoting participation of small, small disadvantaged, and women-owned small businesses in our contracts. We pledge to provide opportunities to the small business community through reselling opportunities, mentor-protégé programs, joint ventures, teaming arrangements, and subcontracting.

COMMITMENT

To actively seek and partner with small businesses.

To identify, qualify, mentor and develop small, small disadvantaged and women-owned small businesses by purchasing from these businesses whenever practical.

To develop and promote company policy initiatives that demonstrates our support for awarding contracts and subcontracts to small business concerns.

To undertake significant efforts to determine the potential of small, small disadvantaged and women-owned small business to supply products and services to our company.

To insure procurement opportunities are designed to permit the maximum possible participation of small, small disadvantaged, and women-owned small businesses.

To attend business opportunity workshops, minority business enterprise seminars, trade fairs, procurement conferences, etc., to identify and increase small businesses with whom to partner.

To publicize in our marketing publications our interest in meeting small businesses that may be interested in subcontracting opportunities.

We signify our commitment to work in partnership with small, small disadvantaged and women-owned small businesses to promote and increase their participation in Federal Government contracts. To accelerate potential opportunities please contact:

**SUGGESTED FORMAT FOR USING BLANKET
PURCHASE AGREEMENTS**

**BEST VALUE
BLANKET PURCHASE AGREEMENT**

**FEDERAL SUPPLY SCHEDULE
(Insert Customer Name)**

In the spirit of the Federal Acquisition Streamlining Act
_____(Agency)_____ and _____(Contractor)_____ enter into a cooperative agreement to further reduce
the administrative costs of acquiring commercial items from the General Services
Administration (GSA) Federal Supply Schedule Contract(s) _____.

Federal Supply Schedule contract BPAs eliminate contracting and open market costs
such as: search for sources; the development of technical documents, solicitations and the
evaluation of offers. Teaming Arrangements are permitted with Federal Supply Schedule
Contractors in accordance with Federal Acquisition Regulation (FAR) 9.6.

This BPA will further decrease costs, reduce paperwork, and save time by eliminating the
need for repetitive, individual purchases from the schedule contract. The end result is to
create a purchasing mechanism for the **Government that works better and costs less.**

(CUSTOMER NAME)
BLANKET PURCHASE AGREEMENT
BPA NUMBER _____

Pursuant to GSA Federal Supply Schedule Number GS-23F-0020L Blanket Purchase Agreements, Northrop Grumman agrees to the following terms of a Blanket Purchase Agreement (BPA) EXCLUSIVELY WITH (Ordering Agency):

- (1) The following contract items can be ordered under this BPA. All orders placed against this BPA are subject to the terms and conditions of the contract, except as noted below:

MODEL NUMBER/PART NUMBER	*SPECIAL BPA DISCOUNT/PRICE
_____	_____
_____	_____

- (2) Delivery:
- | DESTINATION | DELIVERY SCHEDULE/DATES |
|--------------------|--------------------------------|
| _____ | _____ |
| _____ | _____ |

- (3) The Government estimates, but does not guarantee, that the volume of purchases through this agreement will be _____.

- (4) This BPA does not obligate any funds.

- (5) This BPA expires on _____ or at the end of the contract period, whichever is earlier.

- (6) The following office(s) is hereby authorized to place orders under this BPA:

OFFICE	POINT OF CONTACT
_____	_____
_____	_____

- (7) Orders will be placed against this BPA via Electronic Data Interchange (EDI), FAX, or paper.

- (8) Unless otherwise agreed to, all deliveries under this BPA, must be accompanied by delivery tickets or sales slips that must contain the following information as a minimum:

(a) Name of Contractor; **(b)** Contract Number; **(c)** BPA Number; **(d)** Model Number or National Stock Number (NSN); **(e)** Purchase Order Number; **(f)** Date of Purchase; **(g)** Quantity, Unit Price, and Extension of Each Item (unit prices and extensions need not be shown when incompatible with the use of automated systems; provided, that the invoice is itemized to show the information); **(h)** Date of Shipment

- (9) The requirements of a proper invoice are specified in the Federal Supply Schedule contract. Invoices will be submitted to the address specified within the purchase order transmission issued against this BPA.

- (10) The terms and conditions included in this BPA apply to all purchases made pursuant to it. In the event of an inconsistency between the provisions of this BPA and the contractor's invoice, the provisions of this BPA will take precedence.

BASIC GUIDELINES FOR USING CONTRACTOR TEAM ARRANGEMENTS

Federal Supply Schedule Contractors may use “Contractor Team Arrangements” (see FAR 9.6) to provide solutions when responding to a customer agency requirements.

These Team Arrangements can be included under a Blanket Purchase Agreement (BPA). BPAs are permitted under all Federal Supply Schedule contracts.

Orders under a Team Arrangement are subject to terms and conditions or the Federal Supply Schedule Contract.

Participation in a Team Arrangement is limited to Federal Supply Schedule Contractors.

Customers should refer to FAR 9.6 for specific details on Team Arrangements.

Here is a general outline on how it works:

- The customer identifies their requirements
- Federal Supply Schedule Contractors may individually meet the customers needs, or -
- Federal Supply Schedule Contractors may individually submit a Schedules “Team Solution” to meet the customer’s requirement
- Customers make a best value selection

Northrop Grumman Information Technology Labor Category Descriptions

Staff Qualifications

Consistent with Northrop Grumman hiring practices, experience can be substituted for education and education for experience.
