**Southern Financial Systems, Inc. DBA Southern Financial Collections** is a full service Collection Agency located in Hattiesburg, Mississippi. Like most other collection agencies we are a Contingency Based agency, however, we are not your typical collection agency. We are equipped and able to handle your accounts at any and all phases of collection process. We also effectively locate "lost" debtors or those debtors in a "skip-trace" status or debtors who simply never fulfill their "promises to pay".

Southern Financial Systems utilizes "*Columbia Ultimate*" collection software to service your accounts. In conjunction with our predictive dialer system "*Smartdial*", we are able to work your accounts with maximum efficiency. We are able to receive your collection files by several different methods to include paper files, diskette, or over the internet (128 bit Encryption required per **HIPAA**). Depending on the method you choose, we can load and assign accounts to a collector to be worked *within 30 minutes of our receiving your write off*.

For those accounts that need a little "extra", we use an advanced internet search program to locate new phone numbers and addresses (skip-trace accounts).

All collectors receive training in the *Fair Debt Collection Practices Act (F.D.C.P.A.)*, and in *Professional Telephone Collector's Techniques* before they are allowed to contact or speak with a consumer. Collectors are supervised closely and receive constant training in all aspects of the debt collection industry.
