Heritage Health Solutions, LP Pharmacy Services

Heritage Health Solutions, LP, provides comprehensive pharmaceutical management, including both full-scale retail and mail-order services, with an additional specialty in first and emergent fill prescription services to the VA. As the only Service-Disabled Veteran-Owned Small Business on the GSA FABS Schedule for pharmacy services, we offer federal agencies a nationwide network of pharmacies, significant discounts off of brand and generic drug costs and low fees. These advantages, coupled with superior customer service and satisfaction, as demonstrated by our top quartile rating (93 percentile) Dun & Bradstreet blind evaluation by VA contracting officers, provide the highest quality performance available.

***Heritage will offer a 2% discount for every task/delivery order in excess of \$250,000 in value**

Heritage’s GSA FABS 520-15 Solution for Pharmacy Services provides superior pricing, unparalleled customer service, and robust management resources that allow its customers to manage both their health care delivery and achieve their health care cost goals. Heritage brings to each of its customers:

- A national network of over 63,000 pharmacies including major chain and community-based availability with fully-licensed and trained pharmacists
- Deep discounts on both generic and brand drugs
- Complete formulary management
- Ability to bring a new contract on-line within 7 to 10 business days
- Dynamic “on demand” patient enrollment that eliminates the need for managing and continually updating a patient enrollment list
- Real-time instantaneous claim adjudication when prescriptions are entered
- Direct customer service support and telephone call-in number
- Capability for quick entry of preauthorizations to help minimize inconvenience to patients
- Rapid response to customer’s changing needs, e.g., formulary revisions; additional pharmacy coverage
- Robust reporting package that provides customers with multiple monthly reports to fully manage their health care services as well as the capability to develop *ad hoc* reporting to meet the needs of individual customers
