Principal Staff Member	MA/MS in Engineering, Computer Science, Business, or a related academic field plus 5-6 years directly related experience; or BA/BS plus 7-8 years directly related experience.	As the principal company expert within a technical field, acts as consultant in complex and mission critical client assignments. May act as Program Director in particularly complex situations. Has broad mandate for independent judgment and action.
Senior Staff Member III	MA/MS in Engineering, Computer Science, Business, or a related academic field plus 4-5 years directly related experience; or BA/BS plus 6-7 years directly related experience.	As a senior company staff member, possesses recognized expertise within a specific technical area. May act as a lead consultant in varied and complex client assignments. Can act as Program Director/Manager in complex situations. Has considerable mandate for independent action.
Senior Staff Member II	MA/MS in Engineering, Computer Science, Business, or a related academic field plus 3-4 years directly related experience; or BA/BS plus 5-6 years directly related experience.	A senior company staff member with significant technical qualifications in area of expertise. Acts as a consultant in particularly difficult client assignments. Can act for the Program Director/Manager in complex situations. Has wide latitude for independent judgment and action.
Senior Staff Member I	MA/MS in Engineering, Computer Science, Business, or a related academic field plus 2-3 years directly related experience; or BA/BS plus 4-5 years directly related experience.	In the first level of senior company staff, possesses particular in-depth expertise for a technical area. May act as consultant in complex client assignments. Can act as Program Director/Manager in numerous situations. Has latitude for acting on own initiative.

CATEGORY	EDUCATION/EXPERIENCE	SYNOPSIS OF RESPONSIBILITIES/DUTIES
Staff Member IV	MA/MS in Engineering, Computer Science, Business, or a related academic field plus 1-2 years directly related experience; or BA/BS in Engineering, Computer Science, Business, or a related academic field plus 3-4 years directly related experience.	With few guidelines, accomplishes various technical duties in a professional position requiring an extremely high level of specialized knowledge and experience. Has proven capability to analyze complex problems, synthesize data and propose unique solutions or alternatives. Is a recognized leader in one or more disciplines. Serves as the prime point of contact for clients.
Staff Member III	MA/MS in Engineering, Computer Science, Business, or a related academic field plus 0-1 years directly related experience; or BA/BS in Engineering, Computer Science, Business, or a related academic field plus 2-3 years directly related experience.	Within broad objectives, performs in a professional position requiring a high level of concentrated knowledge and background. Has demonstrated ability to analyze difficult problems, research related data and propose alternative solutions. Is a recognized leader in at least one area. Serves as a primary point of contact for clients.
Staff Member II	BA/BS in Engineering, Computer Science, Business, or a related academic field plus 1-2 years directly related experience; or AA/AS in Engineering, Computer Science, Business, or a related academic field plus 3-4 years directly related experience.	Within defined objectives, but with considerable latitude, performs in a professional position requiring an in-depth knowledge of technical subject matter. Capable of independent, complex analysis, concept formulation, and new method identification. Serves as a technical point of contact for clients.
Staff Member I	BA/BS in Engineering, Computer Science, Business, or a related academic field plus 0-1 years directly related experience; or AA/AS in Engineering, Computer Science, Business, or a related academic field plus 2-3 years directly related experience.	Works within general guidelines on broadly defined projects. Requires frequent exercise of originality with some latitude for independent decision-making. Frequent client contact is a routine occurrence.
Associate Staff Member	AA/AS in Engineering, Computer Science, Business, or a related academic field plus 1-2 years directly related experience.	Performs professional work that is somewhat challenging and varied in nature, within general guidelines. Involves some originality and interpretations. Situations outside parameters referred to management for clarification. Limited client contact.
Junior Staff Member	AA/AS in Engineering, Computer Science, Business, or a related academic field plus 0-1 years directly related experience.	Discharges the duties of an entry level professional position, usually as part of a client support team. Works under close supervision and within well-defined guidelines.
Administrative Assistant	High school diploma plus minimum of 1 year formal secretarial or administrative education	Accomplishes variety of contract support, database, financial, inventory control, word processing, or related functions. Prepares forms, correspondence and other documents of a technical nature.

2. Maximum Order

The total dollar value of any order placed under this contract will be \$750,000.00 except for requirements exceeding the Maximum Order which will be processed in accordance with Clause I-FSS-125.

3. Minimum Order

The minimum dollar value of any order placed under this contract will be \$100.00.

4. Geographic Scope Of Contract

The Geographic Scope of Contract will be domestic and overseas delivery.

5. Discounts

Prices shown are net prices; basic discounts have been deducted. However, discounts may be made on an order-by-order basis, depending on contract length, volume and previous experience performing similar type of work for the same client.

6. Quantity Discount

ROH has no set discount for quantity. However, discounts may be made on an order-by-order basis, depending on contract length and previous experience performing similar type of work for the same client.

7. Prompt Payment Terms

Net 30 days from receipt of invoice or date of acceptance, whichever is later. No discount will be made for prompt payment.

8. Government Purchase Cards

ROH accepts Government Purchase Cards at, below and above the micro purchase threshold. No discount is offered for the use of the cards.

9. Foreign Items

N/A

10. Delivery Schedule

The delivery schedule to destination shall be negotiated between Contractor and Ordering Activity.

For expedited delivery or urgent requirements, ordering activities are encouraged, if time permits, to contact the Contractor for the purpose of obtaining accelerated delivery. The Contractor shall reply to the inquiry within 3 workdays after receipt. (Telephonic replies shall be confirmed by the Contractor in writing.) If the Contractor offers an accelerated delivery time acceptable to the ordering activity, any order(s) placed pursuant to the agreed upon accelerated delivery time frame shall be delivered within this shorter delivery time and in accordance with all other terms and conditions of the contract. *Urgent delivery is available at the expense of the Ordering Activity
