FSC Group 36 (The Office, Imaging and Document Solution)

CONTRACT: GS-25F-0005L

Contract Period: Valid through March 26, 2021

About Us:

Over 70 Years of Highest Quality Products & Service

Idesco manufactures and distributes laminating materials and supplies to industrial facilities, offices, shops, retail and food-service establishments nationwide. Our Desktop Laminating machines and Pouch Laminations are in use everywhere!

For over 70 years, companies have turned to Idesco for uncompromising quality, reliable and friendly service, competitive pricing, and responsive and market-driven product development. With a production facility and main offices minutes from New York City, our ability to respond to the needs of our diverse and growing customer base is second to none.

Our safety tags are made of extra-tough plastic, laminated using high-intensity heat and pressure which make our tags uniquely durable and resistant to wear and tear. These tags are often exposed to the most extreme conditions, including oil platforms, automobile manufacturing, forestry, machinery plants, salt water, chemical immersion tanks, and countless indoor and outdoor facilities. They do not crack, chip, peel, or decompose in even the toughest conditions. Further, the hard textured matte finish allows pencil, ink and marker notations which may be erased or changed as often as desired, but won't come off by accident, even if the tag is immersed in water.

Our stock line of safety tags, signs and labels is extensive and includes hundreds of legends and designs, and thousands of custom designs for companies everywhere. Need a tag or sign or label for your shop? We will make any quantity, size or design. Stock tags, signs and labels are ready to ship immediately. Custom in just days!

Idesco is also one of the nation's leading suppliers of ID badging, access control and security system, as well as printers and ribbons used by card manufacturers around the country.

Turn to the Safety and Lamination Industry leader. Call 844-302-9806 or email us for further information today! We look forward to serving you.

- Payment Address: 31 South Street Unit #1W, Mount Vernon, NY 10550

RETURN POLICY

If you wish to return an unused item, in the original packaging, you may do so within 30 days of receipt, provided you obtain a Return Merchandise Authorization (RMA) from us. Please comply with the following to help us process your return:

- Item must be unopened, unused and sealed.
- Please ship your item in its original packaging
- A 25% restocking fee will be deducted from your credit. Please contact your sales representative for more information.
- Custom orders are not generally refundable unless they are incorrect or incomplete.

OPENED ITEMS

We are unable to accept any return of items that have already been opened and used unless you have received pre-authorization from us. Please contact your sales representative for assistance.

INCORRECT ITEMS

If there is an error on our part related to your order, we will issue you a Return Merchandise Authorization for return of the materials. Upon receipt and inspection of the returned items, we will issue you a credit for the amount of your order, including shipping charges. Please call your sales representative for assistance in obtaining an RMA.

Any items that you return to us must be in the original manufacturer's packaging. We suggest you keep the packaging (manuals, boxes, cables) for at least 30 days after your purchase.
