15. Limited Warranty: Plastic Card Systems Inc. Card Printer and Systems Warranty*General Coverage*

PLASTIC CARD SYSTEMS INC. (PlastiCard) warrants all systems, plastic card printers, material, supplies and accessories, under normal use and service to be free from defects in material and workmanship for one year from date of purchase by the end user

Failure to exercise caution to protect the equipment or supplies from electrostatic discharge damage, adverse temperature and humidity conditions or physical abuse may void warranty. Failure to use PlastiCard or Original Equipment Manufacturer media may void warranty. PlastiCard will repair or replace the equipment or any parts which are determined to be defective within this warranty period, and which are returned to Plastic Card Systems or Original Equipment Manufacturer.

Print Head Coverage

Plastic Card Systems Inc. warrants the print head, a normal wear item, under normal use and service, to be free from defects in material and workmanship for one year from the date of purchase of the printer

Returned Goods Authorization

PlastiCard Technical Support provides phone and Internet support to customers. If PlastiCard Technical Support is unable to resolve the problem over the telephone or Internet, a Return Material Authorization number (RMA Number) will be issued by a PlastiCard Customer Service Representative prior to any equipment return to PlastiCard for in or out of warranty depot service. The product must be properly packaged and returned to the PlastiCard Service Depot, the RMA number must be clearly marked on the outside of the package. Customer is responsible for proper packaging shipment of product to depot; PlastiCard will provide return ground transportation for products returned on an authorized RMA. Usual turn-around is five (5) working days from receipt.

Hot Swap Program (United States Only)

PlastiCard printers include a one-year free hot swap service option within the United States. Under this program, PlastiCard provides a temporary replacement unit while customer-owned unit is at PlastiCard or OEM location for warranty repair. Extended Hot Swap Coverage is also available.

Extended Depot Repair Service

Extended Depot Repair Service coverage is available for up to five years in one-year increments.

Maximum coverage

Maximum coverage – In addition to PlastiCard warranty service and technical support, PlastiCard passes through all Original Equipment Manufacturer warranty, customer service and technical support.

16. Maintenance, Repair and Parts: Available from PlastiCard outside of the scope of this contract.

17. Installation: On-site equipment installation, including configuration of included software and initial operator training, is available within the normal trading areas of PlastiCard and its participating dealers. Technical support, connection to the agency's network and custom programming are not included, but may be available separately, outside of this contract.

18. Sales and Service Locations: See listing herein.

21. Preventive Maintenance: Information is provided with equipment, during installation or upon request.

22. Y2K Compliance, Environmental Attributes: Information available upon request.

23. DUNS Number, CCR Registration: PlastiCard is in the Central Contractor Registration database under DUNS Number 18-827-3023

Technical Service
