VENDOR INFORMATION

Founded in 1961, Bono Film & Video is a family-owned and operated motion picture lab & post-production facility. We offer high definition and standard definition best-light film-to-tape or direct to hard drive transfers for 16mm, S16, 35mm, Super 8mm and Regular 8mm. Credentialed to handle all archival film and video formats, our facility offers new solutions that bridge the gaps between vintage moving image formats and the new 21st century technologies

CUSTOMER INFORMATION

- We accept Government purchase cards; credit card will be charged at time of shipment of order to client.
- Payment: credit card or ACH only
- Terms and Conditions:
Bono Film & Video Inc assumes liability only for the value of the raw stock involved, and in no event shall the company be liable for any consequential damages. In the event of loss, damage or destruction of films or tapes while in the possession of Bono Film & Video Inc, the company will replace the stock at no charge. All items must be labeled correctly and submitted with complete instructions. We will not be held responsible for any unfortunate misprocessing of material caused by improper or incomplete labeling. Should a print or duplicate be found defective, or labeled or shipped in error, the company will promptly replace or repair such defective prints or duplicates, and/or correct an error of shipment at its expense, provided that the defective print or duplicate is returned and written notice of such imperfection and/or error is given the company within ten days (10) after delivery acceptance.
Minimum Order Acceptable: \$100.00 per order
Maximum Order Limitation: \$750,000 per order
We ship UPS Ground and USPS Priority with delivery confirmation. We do not ship on client accounts nor do we ship FedEx.
