American Reprographics, Inc.

Introduction

American Reprographics, Inc. (AmeRepro) has been serving the DC, Maryland and Northern VA area for over 27 years. Founded in 1979, AmeRepro has grown from a blueprinting shop to a full service digital reprographics company using state-of-the art equipment with small and large format color capabilities. Our small and large format capabilities allow us to handle documents of various sizes up to 100” wide by almost any length.

AmeRepro’s services include;

- Copying/Reproduction/Printing of architectural drawings, space plans and other such documents from hard copy or electronic medium (Black/White)
- Scanning of architectural drawings, space plans and other documents from hard copy (Black/White)
- Archiving and storage of architectural drawings, space plans and other documents from hard copy or electronic forms (Black/White)
- Copying/Reproduction/Printing of small and large documents on various mediums (Color)
- Mounting of documents on Foam Core, Gator Board and Sintra
- Color Posters
- Color Banners
- Color Signs

AmeRepro’s commitment and service minded approach has enabled us to grow consistently over the past 27 years while earning, maintaining and servicing our very loyal client base. We have enjoyed our relationships with our clients, some for close to 27 years. Our continual commitment to process and technological improvements allows us to process your order faster and deliver it where it needs to be on a timely basis. Our success has developed thru our constant communication with our clients ensuring satisfaction with every job. AmeRepro has handled the reprographic needs for projects consisting of one page to several thousand with multiple sets. We have printed and mounted banners, signs and posters for indoor and outdoor use and have always strived to exceed our client’s expectations.

American Reprographics, Inc.

1. Special Item Number (SIN)

This contract covers the following SINs (Special Item Numbers);

51-504 Records Management Services

AmeRepro offers organization and maintenance services that provides intellectual and physical support to enable the Government to control its documents or information. This may include the organization of documents or information placing them into a simplified filing system in accordance with the ordering agency's needs to improve their existing work-flow. In general, it includes gathering documents and data to be scanned into a digital image format, storing or archiving that information while granting electronic access by the ordering government agency, or transferring data onto electronic media. The ordering agency may simply require updating to an existing file system, maintenance of documents, or filing existing documents or information into a storage media for shipping. File organization and management services allow for easy location, retrieval and storage of files and may include tracking of files, information and document indexing, scanning, labeling, and electronic filing.

51-505 Document Production Services

These services are offered off-site with pick-up and delivery of documents by AmeRepro. Our state-of-the-art equipment allows us to quickly and efficiently reproduce documents in black/white or color with sizes up to 100 inches wide by almost any length. Copies can be mounted on Foam Core, Gator Board or Sintra or can be bound by stapling, Acco, Coil, GBC or Velo. Services also include;

- Photocopying using state-of-the-art equipment (single or double-sided, black/white or color, small or large format)
- Scanning into PDF or TIF format
- Assessing, Recommending and providing equipment
- Printing from electronic form in color or black/white

American Reprographics, Inc.
