# CUSTOMER INFORMATION

## 1. AWARDED SPECIAL ITEM NUMBERS:

### ORDERS AVAILABLE FOR RENEWALS ONLY

51-57	Maintenance
51-58	Lease to Ownership Plan (LTOP)
merger of Océ North America	Lease With Option To Own (LWOO)

## 2. MAXIMUM ORDER THRESHOLDS:

<u>SIN</u>	<u>Maximum Order Thresholds</u>
51-57	\$350,000
51-58	\$350,000
51-58a	\$350,000

3. MINIMUM ORDER: \$100.00

## 4. GEOGRAPHIC COVERAGE:

The contract coverage area is defined as the 48 contiguous states and the District of Columbia. Océ will provide service coverage for federal agencies in any area in the 48 contiguous states within 90–120 days after receipt of a formal purchase order.

## 5. POINTS OF PRODUCTION:

The items offered in this contract are from an eligible product from a designated within these countries are exempted from Purchase Evaluation Procedures of the Buy American Act and qualify to be evaluated for procurement under the same procedures as products manufactured in the United States.

## 6. DISCOUNT FROM LIST OR STATEMENT OF NET PRICE:

Prices listed in this catalog are net with discounts deducted and GSA's Industrial Funding Fee added.

7. PROMPT PAYMENT TERMS: Net 30 Days

8. TIME OF DELIVERY: 30 to 90 days ARO (after receipt of order).

CARDS: Océ accepts government credit cards.

10. F.O.B. Points: Destination

## 11. ORDERING ADDRESSES:

Canon Solutions America, Inc. (CSA)  
DUNS: 071619878  
CAGE Code: 1B6R1  
Mailing Address: 300 Commerce Square Blvd., Burlington, NJ 08016-1276  
Remit to Address: 15004 Collections Center Drive, Chicago, IL 60693

## 12. PAYMENT ADDRESSES:

### (FOR ORS & Maintenance PAYMENTS)

Remit to Address: CSA, 15004 Collections Center Drive, Chicago, IL 60693

OR

### (FOR LTOP & LWOO PAYMENTS)

See Point 4 "Maintenance And Installation" of Lease To Ownership (LTOP) and Lease With Option To Own (LWOO) Terms and Conditions.

## 16. TERMS & CONDITIONS OF REPAIR PARTS:

SIN 51–56 is not included in this contract, but is available as an open market item.

## 17. LIST OF SERVICE & DISTRIBUTION POINTS:

Dealers

## 18. LIST OF PARTICIPATING DEALERS:

See Authorized Sales and Service Dealers

## 19. PREVENTATIVE MAINTENANCE:

Covered under Point 4 of General Information.

## 20. TONER COSTS:

Toner for DPS Office Equipment is available on open market purchase basis.

# ORDERING INFORMATION

Due to the recent acquisition and merger of Océ North American into Canon USA Inc. the General Services Administration (GSA) has novated Contract GS-25F-0060M held by Océ North America Inc. to Canon USA Inc.

As a result of the action Canon USA Inc. has authorized Canon Solutions America (CSA) to issue invoices for existing equipment, service orders and subsequent renewals for orders placed prior to the Novation Agreement.

For renewals, maintenance orders and all invoices, please use the address shown below:

Canon Solutions America, Inc. (CSA)  
DUNS: 071619878  
CAGE Code: 1B6R1  
Mailing Address: 300 Commerce Square Blvd., Burlington, NJ 08016-1276  
Remit to Address: 15004 Collections Center Drive, Chicago, IL 60693

For LTOP & LWOO payments, please use the address shown below:

Canon Financial Services, Inc.  
14904 Collections Center Drive  
Chicago, IL 60693-0149  
DUNS No: 021974928  
Cage Code: 1GYX0  
Federal Tax ID: 22-3056822

Prior to issuing a renewal order, please confirm the proper vendor block information.

For questions and clarifications, please contact Canon Solutions America, Inc. (CSA) at [GSAPORenewals@csa.canon.com](mailto:GSAPORenewals@csa.canon.com).

# GENERAL INFORMATION

**1. THE FOLLOWING TERMS; INCLUDING BUT NOT LIMITED TO: EQUIPMENT, PRODUCT, MODEL, COPIER, SCANNER, MULTIFUNCTION DEVICE, SHALL REFER TO THE VARIOUS ITEMS OF HARDWARE EQUIPMENT, INCLUDING ACCESSORIES, SUPPLIES, TRAINING, SOFTWARE, AND ITS LICENSING REQUIREMENTS, AND THE MAINTENANCE AND SUPPORT SERVICES THEREFORE, WHICH ARE INCLUDED UNDER THE SPECIAL ITEM NUMBERS AWARDED IN THIS CONTRACT. America into Canon USA Inc., the General Services**

## **2. SUBSTITUTION / REPLACEMENT EQUIPMENT:**

Océ reserves the right to substitute equipment that is of equal or greater functionality in the event that an order cannot be fulfilled. The substitution equipment will be equal to or less than the original purchase price. There will be no additional charge to the customer.

## **3. EQUIPMENT DEFINITIONS:**

Equipment will either be newly manufactured, factory produced new model (FPNM) or remanufactured (Reman). All Equipment will be assumed newly manufactured; unless customer is notified otherwise (that the machine will be FPNM or Reman).

**Newly Manufactured Equipment** is equipment that has been assembled for the first time from new parts. It may also contain some used components (parts) that have been reprocessed to new parts standards.

**Factory Produced New Model (FPNM)** is equipment that has been converted to New Model status which maintains features and/or functions of the previous model and adds new features and/or functions not available on the previous model. FPNM has been disassembled to a predetermined standard, established by Océ and manufactured to New Model status. It has a new serial number. FPNM contains reprocessed and/or recovered parts that fully meet new product specifications. The customer is the first user of the Factory Produced New Model Equipment.

**Remanufactured Equipment (Reman)** is equipment which has been subject to the following factory processes at an Océ plant: (1) disassembly to predetermined standards established by Océ for each model, (2) cleaning, (3) replacement of defective components / parts with either new or used components / parts, which have been reprocessed to new parts standards, (4) installation of all retrofits designated by Océ as field mandatory as of the date of the machine installation, (5) inspection & testing to ensure that remanufactured equipment functions within new equipment performance requirements. With Remanufactured equipment the features, functions, model number and serial number remain the same.

## **4. PREVENTIVE MAINTENANCE NOT REQUIRED:**

Since Océ North America, Inc. copiers are of modular design and do not utilize developer, periodic preventive maintenance as required for most xerographic type copiers is not required for all products listed in this offering. Product parts replacement and retrofits are accomplished as necessary periodically during regular service calls.

## **5. GUARANTEED SERVICE PERIOD FOR EQUIPMENT SALE:**

See Maintenance Terms and Conditions (SIN 51-57).

## **6. ENVIRONMENTAL CONSIDERATIONS:**

The Océ North America, Inc. copiers listed within this offering are space efficient, have low noise levels, and low heat output for console copiers. A summary of characteristics is listed as follows:

**Space Efficiency:** All Océ North America, Inc. Console Copiers do not require rear or left side access for service. No ventilation space is required.

**Ozone Emission:** MG/M<sup>3</sup> (MAC Value 0.2 MG/M<sup>3</sup>)

**Radio Interference:** Radio interference suppression according to FCC Class A.

**Approved:** Underwriter's Laboratory Registered under Number D 69871. **Photoreceptor**

**Disposal:** No special storage or disposal precautions required.

## **9. 9-HOUR DOWNTIME CREDIT:**

If for any reason other than customer negligence or customer copier damage, copier repairs are not completed and the copier is not restored to normal working order, within nine normal workday work hours, 1/30 of the monthly minimum charge will be credited for each day the equipment is inoperable.

## **10. TERMINATION CHARGES:**

**LTOP AND LWOO: See Leasing Section:** See Point 13 "Early Termination Charges" and Point 14 "Termination For Non-Appropriation" of Lease To Ownership (LTOP) and Lease With Option To Own (LWOO) Terms and Conditions.

## **11. INSTALLATION, REMOVAL, RELOCATION and RIGGING CHARGES:**

Installation and Removal Charges (if applicable) are charged to the government per order as stated with Equipment Sale Pricing. Locations that require special rigging will have additional charges. Removal Charges (if applicable) will be charged for all removal of equipment and accessories. Relocation Charges will be priced on an Open Market basis and quoted by Océ's Logistics Department at time of move. All Excess Rigging & Stair Crawler Rates will be priced on an Open Market basis and quoted by Océ's Logistics Department at time of move. Please contact your Océ Representative for quote.

## **12. TRADE-IN POLICY:**

Trade-ins will be negotiated on an open market basis.

## **13. EQUITY TRANSFER POLICY:**

Equity may be transferred on a machine from one agency to another to take advantage of lowest purchase prices.

## **14. MOVEMENT OF EQUIPMENT:**

In the event that any equipment being maintained under the terms and conditions of this contract is moved to another location, Océ North America, Inc. shall continue to maintain the equipment at the new location unless such equipment is moved to a geographical area not covered by this contract.

(a) If the equipment is moved to a geographical area not serviced by this contract, the maintenance order shall be terminated without further obligations being incurred by either Océ North America, Inc. or the government. (b) The government shall give at least 30 days' written notice of the movement of equipment, unless the move is required because of an emergency. (c) Shipment to the new installation site shall be at the government's expense by padded van or airfreight. The government may ship the equipment by government transportation or by commercial carrier. (d) When the shipment is under the control of the contractor and damage is incurred which results in costs for either labor or parts to restore the equipment to good operating condition at the new site, such costs shall be borne by the contractor.

(e) When the shipment is under the control of the Government and damage is incurred which results in costs for either labor or parts to restore the equipment to good operating condition at the new site, such costs shall be borne by the Government.

## **15. UNAUTHORIZED ATTACHMENTS AND ACCESSORIES:**

Without prior written consent, the government shall not move, alter, modify nor install attachments or accessories to the equipment. Any such action, which in Océ North America, Inc. judgment results in a service call, is billable. This applies to lease, and owned equipment.

## **16. PROCEDURE FOR REPORTING UNRESOLVED OR UNSATISFACTORY SERVICE:**

## GENERAL INFORMATION

### 7. SPECIAL SERVICE PROVISIONS:

The service rates for after-hours service, holidays, weekends, or on a per-call basis are available on an open market basis.

### 8. SERVICE POINTS:

The nearest Océ Sales & Service Center or an authorized dealer (see Océ Sales and Service Locations, and Authorized Sales and Service Dealers).

The government should advise the local Océ North America, Inc. sales and service center of any unresolved or unsatisfactory service. If this does not result in satisfactory resolution, the government should write to Océ North America, Inc., 5450 N. Cumberland Avenue, Chicago, Illinois 60656. The report should include a brief description of the problem along with efforts to resolve. Océ North America, Inc will initiate resolution action immediately. This term shall not affect the Government's rights under the "default" clause.

### 17. SOFTWARE AGREEMENTS:

The following statement refers to all Software covered in Océ North America, Inc Contract GS-25F-0060M. Océ North America, Inc.'s Software License Agreement (containing Software License Terms and Conditions) and Océ North America, Inc.'s Software Maintenance and Support Agreement (containing Software Maintenance Terms and Conditions) are hereby incorporated into this Contract by reference. Customers wishing to obtain copies of Océ North America, Inc.'s Software Agreements may do so through their local Océ North America, Inc.'s Sales Representative.

## GENERAL INFORMATION

### 18. BLANKET PURCHASE AGREEMENTS (BPA):

Océ North America, Inc. agrees to enter into blanket purchase arrangements with ordering activities, provided that: (a) Only items covered by the contract are ordered under such arrangements. (b) The period of time covered by such arrangements shall not exceed the period of the contract. (c) Orders placed under such arrangements shall be issued in accordance with all applicable regulations and the terms and conditions of the contract. NOTE: The maximum order of the contract applies solely to individual orders placed against the blanket purchase arrangement and has no bearing on the cumulative total orders placed under the contract.

### 19. PURCHASE ORDER RENEWALS FROM PREVIOUS CONTRACTS:

Maintenance contracts entered into prior to the new contract period would be required to fulfill any contractual agreements of the GSA contract in effect at the time of the original order prior to receiving new pricing. The terms and conditions of the previous contract would apply until contractual terms are met.

Any purchase order processed for maintenance in which these contractual obligations still exist should reference the GSA contract number under which the original order was placed.

All Renewal Purchase Orders are subject to price adjustments in accordance with commercial pricing fluctuations; not to Exceed the allowable 10% Increase per Year per FAR Clause 552.216-70 - ECONOMIC PRICE ADJUSTMENT - FSS MULTIPLE AWARD SCHEDULE CONTRACTS (SEP 1999) (ALTERNATE I—SEP 1999), which is incorporated into Océ's Contract GS-25F-0060M.

Océ North America, Inc. will provide a ten percent (10%) discount to the monthly minimum charge of the October invoice if the renewal purchase order for maintenance funded for a full federal fiscal year, and dated on or before November 1st is received by Océ North America, Inc. on or before November 8th. This discount will appear on the invoice for the month of October only.

### 20. CONTINUOUS PAYMENT PLAN:

If a renewal purchase order is not received within 90 days of its due date, the customer will be invoiced at the previous purchase order rates until a renewal purchase order is received. Océ will also retroactively invoice for the difference between the higher purchase order renewal rates and those invoiced under the "Continuous Payment Plan".

### 21. ZONE DEFINITIONS & RESPONSE TIMES

**Zone Definitions:** Zone I - Within a 25-mile radius of the Océ Service Office. Zone II - Within a 25 to 50-mile radius of the Océ Service Office. (**Response Time** approx. 8 hours). Zone III - Within a 51 to 100-mile radius of the Océ Service Office (**Response Time** not to exceed 24 hours).

### 22. MONOCOMPONENT IMAGING SYSTEM:

The purchase of developer is not required and use of developer is not required for all products listed in this catalog.

# LEASE TO OWNERSHIP (LTOP - SIN 51-58) AND LEASE WITH OPTION TO OWN (LWOO - SIN 51-58a)

**THIS CONTRACT IS AVAILABLE FOR LEASING RENEWALS ONLY. NO NEW LEASE ORDERS MAY BE WRITTEN UNDER THIS CONTRACT.**

## 1. STATEMENT OF GOVERNMENT INTENT

For the purpose of this solicitation, Lease Term is defined as the duration of the lease in months (not to exceed 60 months) as shown on the Ordering Agency's initial delivery order. It is understood by all parties to this contract that this is a leasing arrangement. In that regard, the Government anticipates fulfilling the leasing agreement subject to the availability of appropriated funds and the continued needs of the Ordering Agency.

The Ordering Agency, upon issuance of any delivery order pursuant to Special Item Numbers (SIN's) 51 58, 51 58a or 51 58b, intends to use the equipment for the lease term specified in the initial delivery order so long as the needs of the Ordering Agency for the equipment or functionally similar equipment continues to exist and adequate funds are appropriated.

Each lease hereunder shall be initiated by a delivery order which shall, either through a statement of work or other attachment specify the equipment being leased, and the terms of the transaction as required in other sections of SIN's 51 58, 51 58a or 51 58b. The lease commencement is the date of acceptance as defined by FAR 12.4.

The first period or initial term of the leasing agreement will be through September 30<sup>th</sup> of the fiscal year in which the order is placed, or as extended by act of Congress, unless the ordering office has multi-year funding.

Ordering Agencies are advised to follow the guidance provided in Federal Acquisition Regulation (FAR) Subpart 7.4 Equipment Lease or Purchase, and to review the lease terms and conditions prior to ordering and obligating funding for a lease. Ordering Agencies are responsible for the obligation of the funding consistent with fiscal law when entering into any lease arrangement.

## 2. ORDERING PROCEDURES

(a) Ordering Agencies are strongly encouraged to conduct a needs assessment prior to the procurement of copiers.

(b) When the Ordering Agency expresses an interest in leasing a product(s), the Ordering Agency will provide the following information to the prospective vendor:

- (i) Which product(s) is (are) required.
  - (ii) The required delivery date.
  - (iii) The proposed term of the lease.
  - (iv) Where the equipment will be located.
  - (v) Description of the intended use of the equipment.
- (c) The contractor will respond with:
- (i) Whether the contractor can provide the required equipment.
  - (ii) The monthly payment based on the rate and the initial and residual values of the equipment.
  - (iii) The estimated cost, if any, of applicable State or local taxes.
  - (iv) A confirmation of the availability of the equipment on the required delivery date.
  - (v) Extent of warranty coverage, if any, of the leased products.
  - (vi) Cite the cost of any mandatory maintenance is applicable.
  - (vii) The Termination Ceiling Charges, as applicable. (See Section 13, Early Termination Charges).

d. The ordering agency and contractor shall agree upon a termination ceiling charge which is established in accordance with the appropriate formula in Section 13. Early Termination Charges (See FAR Subpart 17.1)

e. The Contracting Officer shall insert the agreed upon termination ceiling charge for the first year in the order and modify it for successive years upon availability of funds.

**b. Annual Year Funding.** When using annually appropriated funds when placing an order for leasing, the following applies:

(1) Any lease executed by the Ordering Agency shall be on the basis that the known requirements exceed the remainder of the fiscal year. Due to funding constraints, however, the Ordering Agency cannot normally commit to a term longer than one fiscal year at the commencement of the lease. To facilitate the exercise of renewal options for future fiscal years, the lease term will be specified in the delivery order. All orders for leasing shall remain in effect through the Government fiscal year (or as extended by Act of Congress),

or the planned expiration date of the lease, whichever is earlier, unless the Ordering Agency exercises its rights hereunder to acquire title to the equipment prior to the planned expiration date. Despite the fact that the delivery order will specify the total lease term, orders under the lease shall not be deemed to obligate succeeding fiscal year's funds or to otherwise commit the Ordering Agency to a renewal.

(2) All orders for leasing automatically terminate at the end of the Government fiscal year (or as extended by Act of Congress) or the contract term, whichever is earlier. However, Ordering Agencies should notify the contractor in writing thirty (30) calendar days prior to the expiration of such orders as to the Government's intent to renew. Ordering Agencies are instructed to follow the guidelines set forth in Paragraph 14 of this section with regard to termination of lease terms for non-appropriation or agency decisions not to renew. Should Ordering Agencies decide to terminate the lease prior to the expiration of the lease term under any other condition other than those set forth in Paragraph 14. Early termination charges shall apply. See Section 13, Early Termination.

**c. Multi-Year Funding Within contract Period:** Where an Ordering Agency specific appropriation authority provides for funds in excess of a 12 month (fiscal year) period, the Ordering Agency may place a schedule contract order for leasing for a period up to the expiration of its period of appropriation availability, or the expiration of its period of appropriation availability, or the expiration of the contract period whichever comes first, notwithstanding the intervening fiscal years.

d. In recognition of the types of products on this Schedule and the potential adverse impact to the Government's mission, the Government's quiet and peaceful possession and unrestricted use of the equipment shall not be disturbed in the event the equipment is sold by the Contractor, or in the event of bankruptcy of the contractor, corporate dissolution of the Contractor, or other event, so long as the Government is not in default.

The equipment shall remain in the possession of the Government until the expiration of the lease. Any assignment, sale, bankruptcy, or other transfer of the leased equipment by the contractor will not relieve the Contractor of its obligations to the Government, and will not change the Government's duties or increase the burdens or risks imposed on the Government.

**e. Assignment of Claims:** In accordance with GSAR 552.232-23 Assignment of Claims under this contract, the Ordering Agency Contracting Officer may approve the assignment of claim for an order under these leasing Special Item Numbers (SINs) in accordance with FAR 32.803. Contractors cannot prohibit or otherwise limit the Government's ability to setoff lease payments under any lease or assignment of a lease.

## LEASE TO OWNERSHIP (LTOP - SIN 51-58) AND LEASE WITH OPTION TO OWN (LWOO - SIN 51-58a)

### 3. ORDERS AND PERIOD OF LEASING ARRANGEMENTS

a. **Lease Options:** At a minimum, Ordering Agencies placing orders for equipment under a leasing arrangement must specify on the delivery order the applicable leasing SIN under which the equipment is being leased.

51-58 Lease to Ownership Plan (LTOP) (Lease/Purchase)(Copier)

51-58A Lease with Option to Own (Operating Lease) (Copier)

f. **Government Rights under Lease:** The Government does NOT waive any performance requirements, warranty rights nor other contract or statutory rights, such as the right to set off payments against other Government debt, as a part of the lease. The Government's acceptance of an assignment of a lease, does not waive any of the Government contract provisions.

# LEASE TO OWNERSHIP (LTOP - SIN 51-58) AND LEASE WITH OPTION TO OWN (LWOO - SIN 51-58a)

## 4. MAINTENANCE AND INSTALLATION

a. Maintenance and installation, when applicable, are not included in the lease payments. The Ordering Agency will obtain installation and/or maintenance from the contractor or a designated authorized service provider.

b. When installation and/or maintenance is to be performed by the Contractor, the payments, terms and conditions will be as stated in this contract. Maintenance payments and terms and conditions during subsequent renewal periods of this lease will be those of the prevailing GSA Schedule contract in effect.

## 5. MONTHLY PAYMENTS

a. Prior to the placement of an order under this SIN, the Ordering Agency and the contractor must agree on a "base value" for the products to be leased. The base value will be the contract purchase price (less any discounts). For operating leases the residual value is independent of the purchase option price. The residual value will be used in the calculation of the original lease payment.

b. To determine the initial lease term payment, the contractor agrees to apply the negotiated lease factor to the agreed upon base value: See Lease Rate Factors for LTOP and LWOO on page 12.

Examples: Lease factor one (1) percent over the rate for the three year (or other term) Treasury Bill (T-bill) at the most current U. S. Treasury auction. Or the Contractor's most favored finance rate factor as agreed to during contract negotiations. The lease payment may be calculated by using a programmed business calculator or by using "rate" functions provided in commercial computer spreadsheets (e.g., Lotus 1-2-3, Excel).

c. The purchase option price will be based upon the unamortized principle of the product. The payment will be based upon the unamortized principle, as shown on the payment schedule as of the last payment prior to date of transfer of ownership.

In the event the Government desires, at any time, to acquire title to equipment leased hereunder, the Government may make a one time lump sum payment.

i. The monthly payments can be calculated using Microsoft Excel.

1. LTOP Monthly Payment. Example -

In cell B4, type the principal or schedule price of the equipment at time of order: \$20,000

In cell D4, type your term in months: 48

In cell D5, type your lease factor: 0.095

In cell F4, type the following function to calculate the monthly payment:

=PMT(D5/12,D4,-B4,B5,F5)

Your monthly payment should equal: \$502.46.

2. Operating Lease Monthly Payment Example -

In cell B4, type the principal or schedule price of the equipment at time of order: \$14,500

In cell B5, type your residual value: \$1450

In cell D4, type your term in months: 60

In cell D5, type your lease factor: 0.085

In cell F4, type the following function to calculate the monthly payment:

=PMT(D5/12,D4,-B4,B5,F5)

Your monthly payment should equal: \$278.01.

## 7. ADDITIONS

For the purpose of this solicitation the definition of an addition is defined as follows:

**Additions:** The addition of accessories features or other enhancements available for lease under this contract to an existing model (base unit) already installed. Additions shall not change the functionality of the installed equipment.

a. The ordering agency may require the contractor to modify existing leased equipment through order modifications, provided the modifications are customarily offered by the contractor for the equipment leased. The price of the modification will be mutually agreed upon by the ordering agency and the contractor.

The ordering agency may pay for the modification at full price upon acceptance, or the modification price may be leased coterminous with the initial lease term. The contract lease interest rate in effect at the time of order of the modification will be used to calculate the monthly payment applicable to the modification. For Operating leases a residual value should be negotiated for the modification.

i. The modification payment can be calculated using Microsoft Excel. The modification payment can then be added on to your existing monthly lease payment. You will need to know the following three (3) variables: the price of the modification, the months remaining on the equipment lease, and the current contract lease factor at the time of modification.

Example - Lease to ownership

In cell A1, type the price of the modification: \$1000

In cell A2, type the months remaining on the equipment lease: 19

In cell A3, type the current contract lease factor at the time of the modification: 0.625%

In cell A4, type the following payment function: =PMT(A3,A2,-A1) and then press the enter key.

Your modification payment should equal \$55.98.

b. The Ordering Agency may affix or install any accessory, addition, equipment or device on the equipment ("additions") provided that such additions:

(1) Can be removed without causing material damage to the equipment;

(2) Do not reduce the value of the equipment; and

(3) Are obtained from or approved by the contractor, and are not subject to the interest of any third party other than the contractor.

c. Any other additions may not be installed without the contractor's prior written consent. At the end of the lease term, the Government shall remove any additions which:

(1) Were not leased from the contractor, and

(2) Are readily removable without causing material damage or impairment of the intended function, use, or value of the equipment, and restore the equipment to its original configuration.

d. Any additions, which are not removable, will become the contractor's property (lien free).

e. Payment may be modified based on the schedule price adjusted to reflect the actual period until the end of the lease term.

## **LEASE TO OWNERSHIP (LTOP - SIN 51-58) AND LEASE WITH OPTION TO OWN (LWOO - SIN 51-58a)**

### **6. EXPIRATION OF LEASE TERM:**

a. Upon the expiration of the Lease Term, the Ordering Agency will: (i) Upon 30 day written notice, return the Equipment to the Contractor (LWOO) or - (ii) Purchase the equipment at the fair market value of the equipment or 10% Purchase Option for LWOO; (iii) Obtain requirements in accordance with FAR 8.4 (Ordering Procedures) by issuing a new request for quote.

Note: Customers are advised to see paragraph 15-18 for additional lease expiration provisions for LTOP and additional LWOO Conditions.

f. Should the Ordering Agency elect to replace equipment under the lease a new FAR 8.4 competition is required. This does not preclude substitution for failure to perform. Ordering Agencies are advised that when making the decision to conduct a new competition, consideration must be given to the early termination of existing equipment and/or the financial considerations involved with the rollover of existing equipment should the current contractor prevail. Ordering Agencies are strongly advised to perform a cost benefit analysis in accordance with their agency procedures and policies with regard to rollovers.

# LEASE TO OWNERSHIP (LTOP - SIN 51-58) AND LEASE WITH OPTION TO OWN (LWOO - SIN 51-58a)

## 8. RISK OF LOSS OR DAMAGE

The Government is relieved from all risk of loss or damage to the equipment during periods of transportation, installation, and during the entire time the equipment is in possession of the Government, except when loss or damage is due to the fault or negligence of the Government. The Government shall assume risk of loss or damage to the equipment during relocation unless the Contractor shall undertake such relocation.

## 9. WARRANTY

In accordance with Clause 552.246-73 under this contract, the contractor's warranty, as stated in the contractor's GSA Authorized Price List is applicable to the lease.

## 10. EQUIPMENT PERFORMANCE

a. The equipment supplied must be in operational or repairable condition throughout the term of the lease.

(1) Operational condition means the equipment is producing clear and clean copies, all mechanical accessories are operating as intended and in all respects the equipment is performing up to the standards in the manufacturer's specifications.

(2) Repairable condition means that the equipment can be repaired by a qualified technician within the terms of the maintenance agreement. Additionally, all required replacement parts are available and the equipment down time does not exceed that specified in the maintenance agreement.

b. After a thirty (30) day notice and cure period, if the equipment continues to fail to be operational or repairable as defined above, the Ordering Agency may take those remedies available to it under either the contractor warranty provisions or default clause set forth in FAR 52.212-4(m). Such recourse will not be the basis for increasing the monthly payment or extending the term of the lease

c. Maintenance and Support:

**Preventive Maintenance:** The contractor shall provide preventive maintenance at least equal to the commercial practice. Intervals between scheduled maintenance services shall be no greater than those provided to commercial customers for the same model of copier. **Once performs a "total service call" on every Maintenance Call; therefore does not require scheduled Preventive Maintenance.**

**Response to Service Calls:** At minimum, during normal working hours (as specified by the using activity), Monday through Friday (excluding holidays observed by the Government), the contractor shall respond to verbal or written requests for service calls.

The contractor shall repair the copier within either nine (9) working hours or sixteen (16) working hours (as specified by the User Activity) after the verbal or written request for the service call.

However, for copiers identified as critical, the contractor shall respond to verbal requests for service calls and shall repair the copier within four (4) working hours.

Copiers designated critical will be identified by the ordering activity in the order and shall not exceed 5% of the total number of copiers on the order. The contractor's response time on a service call starts when authorized personnel of an ordering

**Repair and Maintenance Service:** Offerors shall submit and include in their pricelist's, a list of Names, addresses, and phone number(s) of authorized representatives, responsible to the contractor, who may be contacted by ordering activities for repair and maintenance of equipment. Only those authorized representatives listed may render maintenance service, unless the list is subsequently modified by mutual agreement between the contractor and the Contracting Officer, to add or terminate authorized representatives.

## 11. TITLE

During the Lease Term, the equipment shall always remain the property of the contractor. The Government shall have no right or interest in the equipment except as provided in this leasing agreement and shall hold the equipment subject and subordinate to the rights of the contractor.

## 12. STATE AND LOCAL TAXES (52-229-1):

Notwithstanding the terms of the Federal, State, and Local Taxes Clause the contract price excludes all State and Local taxes levied on or measured by the contract or sales price of the services or completed supplies furnished under this contract.

The contractor shall state separately on its invoices taxes excluded from the contract price, and the Government agrees either to pay the amount of the taxes (based on the current value of the equipment) to the contractor or provide evidence necessary to sustain an exemption.

See FAR clauses 52.229-1 State and Local Taxes; 52.229-3 Federal, State, and Local Taxes, which are incorporated by, reference.

## 13. EARLY TERMINATION CHARGES

Equipment leased under this agreement may be terminated at any time during a Government fiscal year by the Ordering Agency's Contracting Office responsible for the delivery order in accordance with FAR 52.212-4, paragraph (l) *Termination for the Government's Convenience*.

The Termination Ceiling Charge is a limit on the amount that a contractor may claim from the Ordering Agency on the termination for convenience of a lease or failure to renew a lease prior to the end of the lease term for reasons other than those set forth in section 14, Termination for Non-Appropriation. Termination ceiling charges will apply for each year of the lease term (See FAR 17.1).

The Ordering Agency and contractor shall establish a termination ceiling amount. The Contracting Officer shall insert the Termination Ceiling Charge for amount of the first year in the order and modify it for successive years upon availability of funds.

No claim will be accepted for future costs: supplies, maintenance, usage charges or interest expense beyond the date of cancellation. In accordance with the bona fide needs rule, all termination charges must reasonably represent the value the Ordering Agency received for the work performed at cancellation based upon the shorter lease

**LEASE TO OWNERSHIP (LTOP - SIN 51-58) AND  
LEASE WITH OPTION TO OWN (LWOO - SIN 51-58a)**

response time on a service call starts, when authorized personnel or an ordering activity place a verbal request to the contractor for a service call or a written request is received by the contractor requesting a service call, whichever is earlier.

Contractors are required to submit a contingency plan to maintain full and proper operation of copiers and to avoid extended delays for repair or replacement of copiers.

term. No termination cost will be associated with the expiration of the lease term.

**SEE NEXT PAGE FOR LTOP & LWOO TERMINATION CEILING CHARGE  
CALCULATIONS**

# LEASE TO OWNERSHIP (LTOP - SIN 51-58) AND LEASE WITH OPTION TO OWN (LWOO - SIN 51-58a)

## 13. EARLY TERMINATION CHARGES ... Continued...

### Formula 1: FOR Lease To Own (LTOP) SIN 51-58

The termination ceiling charge can be calculated using Microsoft Excel. You will need to know the following variables: principal, term, lease factor, monthly payment, recalculated monthly payment, total recalculated monthly payment, and total payment made. Example -

In cell B4, type the principal or schedule price of the equipment at time of order: \$20,000

In cell D4, type your term in months: 48

In cell D5, type your lease factor: 0.095

In cell F4, type the following function to calculate the monthly payment:  
=PMT(D5/12,D4,-B4,B5,F5)

Your monthly payment should equal: \$502.46.

In cell A9, type the month: 1

In cell B9, type the following formula to re-calculate the monthly payment at month 1: =PMT(\$D\$5/12,A9,-\$B\$4)

In cell C9, type the following formula to calculate the total recalculated monthly payment: =A9\*B9

In cell D9, type the following formula to calculate the total payment made: =A9\*\$F\$4

In cell E9, type the following formula to calculate the Termination Ceiling Charge: =IF(C9-D9>0,C9-D9,0)

Your termination ceiling charge for month 1 should equal: \$19,655.87.

### Formula 2: For Operating leases SIN 51 58a and 51 58b

The termination ceiling charge can be calculated using Microsoft Excel. You will need to know the following variables: principal, residual value, term, lease factor, monthly payment, beginning principal, payment, principal, and interest.

Example -

In cell B4, type the principal or schedule price of the equipment at time of order: \$14,500

In cell B5, type your residual value: \$1450

In cell D4, type your term in months: 60

In cell D5, type your lease factor: 0.085

In cell F4, type the following function to calculate the monthly payment:  
=PMT(D5/12,D4,-B4,B5,F5)

Your monthly payment should equal: \$278.01.

In cell A8, type the month: 1

In cell B8, type the following formula to calculate the Beginning Principal: =B4-PV(D5/12,D4,0,-B5,F5)

In cell C8, type the following formula to calculate the payment: =IF(A8>D\$4,0,\$F\$4)

In cell D8, type the following formula to calculate the principal: =C8-E8

In cell E8, type the following formula to calculate the interest: =B8\*\$D\$5/12

In cell F8, type the following formula to calculate the Termination Ceiling Charge: =B8-D8

Your termination ceiling charge for month 1 should equal: \$13,368.58.

## 14. TERMINATION FOR NON-APPROPRIATION

## 14. TERMINATION FOR NON-APPROPRIATION ... Continued...

Nevertheless, the Ordering Agency's Contracting Officer may terminate or not renew leases at the end of any initial base period or renewal period under this paragraph if (a) it no longer has a bona fide need the equipment or functionally similar equipment; or (b) there is a continuing need, but adequate funds have not been appropriated to the ordering agency in an amount sufficient to continue to make the lease payments.

If this occurs, the Ordering Agency will promptly notify the contractor and the equipment lease will be cancelled at the end of the last fiscal year for which funds were appropriated. The determination of the availability of funds is made solely by the Government.

## 15. LEASE EXPIRATIONS

Extension of the present lease term is not permitted. Future copier requirements shall be procured in accordance with FAR 8.4, FSS Ordering Procedures.

## 16. LEASE EXPIRATIONS – SIN 51 58/LEASE TO OWN

Title to equipment installed under SIN 51 58 automatically transfers to the Government upon conclusion of the Lease Term Agreement.

## 17. LEASE EXPIRATIONS – SIN 51 58A/OPERATING LEASE AND 51 58B/ALL OTHER EQUIPMENT

Extension of the present lease term is not permitted. Future copier requirements shall be procured in accordance with FAR 8.4 covering Ordering Procedures. Unless notified by the Ordering Agency that the Government intends to exercise its option to purchase the equipment, the equipment, upon the expiration of the lease term,

will be removed by the contractor at the earliest practicable time. The Ordering Agency is responsible for removal charges. Unless specified under the schedule contract, removal charges will be administered outside the scope of the contract. The equipment shall be in the same condition as when delivered, with the exception of ordinary wear and tear.

The contractor shall conduct a timely inspection of the returned products and within thirty (30) days of the return, assert a claim if the condition of the equipment exceeds normal wear and tear. In the event the Ordering Agency desires, at any time, to acquire title to equipment leased hereunder, the price will be mutually agreed upon by the parties.

## 18. RETURN OF EQUIPMENT

The Government will provide written instructions for the removal of the equipment. The Ordering Agency is required to provide serial numbers and exact location of equipment for pick up.

Upon receipt of this notice the contractor shall remove the equipment within thirty (30) days or a mutually agreed date and time. The Ordering Agency is responsible for removal charges. Unless specified under the schedule contract, removal charges will be administered outside the scope of the contract. The equipment shall be in the

## **LEASE TO OWNERSHIP (LTOP - SIN 51-58) AND LEASE WITH OPTION TO OWN (LWOO - SIN 51-58a)**

The Ordering Agency reasonably believes that the bona fide need will exist for the entire lease term and corresponding funds in an amount sufficient to make all payment for the lease term will be available to the Ordering Agency. Therefore, it is unlikely that leases entered into under the SINS 51 58/Lease to Own (Copiers), 51 58a/Operating Lease (Copier), and 51 58b/all other equipment will be terminated prior to the full lease term.

same condition as when delivered, with the exception of ordinary wear and tear.

The contractor shall conduct a timely inspection of the returned products and within thirty (30) days of the return, assert a claim if the condition of the equipment exceeds normal wear and tear. Equipment not removed by the contractor within thirty (30) days of the date of notification by the Order Agency shall be considered as abandoned and subject to such disposal as the Government may deem appropriate.

# MAINTENANCE TERMS CONDITIONS (SIN 51-57)

**THIS CONTRACT IS AVAILABLE FOR MAINTENANCE RENEWALS ONLY. NO NEW MAINTENANCE ORDERS MAY BE WRITTEN UNDER THIS CONTRACT. Maintenance Renewal PO's are subject to price adjustments in accordance with commercial pricing fluctuations. Maintenance Base and Excess Rates will not exceed the allowable 20% increase per year allowable per FAR Clause 552.216-70 - ECONOMIC PRICE ADJUSTMENT - FSS MULTIPLE AWARD SCHEDULE CONTRACTS (SEP 1999) (ALTER-NATE I—SEP 1999) which is incorporated into Océ's Contract GS-25F-0060M. Maintenance Renewal Pricing for Discontinued Models will be available only on an Open Market basis.**

**GOVERNMENT SERVICE PERFORMANCE SPECIFICATIONS:**

Océ shall grant a credit to the government for any machine which fails to perform at an effectiveness level of 90 percent during any month. The effectiveness level for a machine is computed by dividing the total productive time by the sum of that time plus machine failure downtime.

The credit shall be a percentage amount of the fixed monthly charge, which is determined by subtracting the actual percentage amount of the fixed monthly charge, which is determined by subtracting the actual percentage

of effectiveness level attained during the month from 100. (Examples: If the effectiveness level for a machine is 87 percent for the month the credit would be 13 percent of the fixed monthly charge; if the effectiveness level is 90 percent or higher there is no credit due under this provision.) Any downtime for which credit is granted, shall be excluded from the effectiveness level computation.

**1. WARRANTIES (RENTAL CONVERSION TO PURCHASE EQUIPMENT)**

Rental not offered at this time.

**2. MAINTENANCE AGREEMENT PERIOD:**

All Maintenance Agreements initiated under this contract will expire on September 30 of each year. Renewal agreements are subject to the prices in effect at the time of renewal. Equipment maintenance agreements may be canceled by either party at any time on 30 days' advance written notice.

Such cancellation may be effected as to the entire EMA or as to any one or more units of Equipment covered thereby. During each fiscal year, the government may upgrade their maintenance plan to a higher volume plan at any time. The government may downgrade their maintenance plan to a lower volume plan on October 1 of each contract year.

**3. GOVERNMENT RESPONSIBILITIES:**

The government agrees to: **a)** prepare the installation site according to Océ instructions; **b)** provide suitable electrical service and space for the equipment, as outlined in product specifications; **c)** provide sufficient space for the storage of parts and supplies kept on the government's premises;

**d)** designate an employee to be trained by Océ to be a key operator and to notify Océ if personnel turnover requires the training of a new key operator; **e)** make no alteration or place attachments on the equipment without Océ's prior written permission;

Letterhead with thermographically affixed headings will not perform satisfactorily in Océ copiers and its usage will void the provisions of the government performance specifications.

If the Government uses alternate parts, photoconductors, toners, or other supplies exclusive of paper that meet the definition of Authorized Supplies ("Alternate Supplies"), the monthly minimum charge shall be reduced by an amount which Océ determines to be value of such Alternate Supplies. In such case, the government performance specifications shall no longer be in effect.

**4. INVOICING AND PAYMENT:**

The **monthly minimum charge** as stated in this price list commences on the 1st day after installation of the equipment. Machines will be billed monthly in arrears. Meter copy charges shall be billed post monthly upon receipt of government's meter card which must be properly completed by the government and mailed to Océ on the last day of each month. If the meter card is not received by Océ on a timely basis, the meter copy charges shall be estimated by Océ and billed accordingly.

**5. MAINTENANCE RENEWALS:**

Maintenance Renewal Pricing will be provided each FY to the Federal Government. All Maintenance Renewal PO's are subject to price adjustments in accordance with commercial pricing fluctuations. Maintenance Renewal Pricing for Discontinued Models (except for the Models published in the DPS Discontinued Maintenance Pricing Section) will be available only on an Open Market basis.

Maintenance Base and Excess Rates will not exceed the allowable 20% increase per year allowable per FAR Clause 552.216-70 - ECONOMIC PRICE ADJUSTMENT - FSS MULTIPLE AWARD SCHEDULE CONTRACTS (SEP 1999) (ALTER-NATE I—SEP 1999) which is incorporated into Océ's Contract GS-25F-0060M.

**6. ADDITIONAL WARRANTY:**

When ordering any series copier under outright purchase or Lease To Ownership (LTOP), agencies may purchase additional warranty. In order to take advantage of the extra warranty, the Government must also purchase an Océ North America, Inc. maintenance plan.

**7. MAINTENANCE FIXED RATE FACTORS**

The following Fixed Rate Factors are applicable for Océ Products ONLY.

**Fixed Rate Factors can be applied for Canon Models: OPEN MARKET BASIS**

Maintenance Contract Term	Standard Multiplier	Uplift
2 Years	1.025	2.50%
3 Years	1.05	5%

## MAINTENANCE TERMS CONDITIONS (SIN 51-57)

- f) not move the equipment without prior written authorization by Océ and shall be responsible for a charge incurred in the movement of the equipment (see General Information, para 12);
- g) provide Océ with unrestricted access to the equipment at all reasonable times to service the equipment; h) permit only authorized Océ personnel to service the equipment; and

4 Years	1.075	7.50%
5 Years	1.1	10%

- i) use only paper, recycled paper, parts, photoconductors, toner, or other supplies which in Océ's opinion will not cause equipment damage or excessive servicing or effect the equipment's ability to satisfy the government performance specifications ("Authorized Supplies").

All other paper, recycled paper, parts, photoconductors, toner or other supplies are defined as "Unauthorized Supplies". If problems occur, use of these unauthorized supplies must be discontinued immediately.

### Maintenance Fixed Rate Calculations

Ø To calculate the fixed maintenance, multiply applicable published base maintenance by the Standard Multiplier based on the length of service plan desired. This calculation also applies to any applicable excess or additional charges.

Ø Maximum period allowed for fixed maintenance is 60 months.

Ø For Cotermious terms, round to the nearest published term (12, 24, 36...) and use corresponding multiplier (i.e., 50 month – use 48 month factor; 55 month – use 60 month factor)

**	On media only. Maintenance begins first day after warranty period of 90 days.		
†	Products under Standard Plan Warranty: Standard Plans include labor, travel and all parts except consumables. Parts that are considered consumable include but are not limited to lamps, drums, charts, inks and glass. Consumables will be billed at GSA Price.		
† †	No usage limitation during warranty for other metered equipment not otherwise noted		
† † †	Print heads not covered in warranty period.		

<p>Warranty Buy pricing can be purchased at any published level within the WFPS price book. The associated copy allowance and excess rate will be applicable during that warranty buy period.</p>
<p>Interpolate a monthly warranty buy value and allowance if service pricing is only published in a quarterly or annual plan. For example: To calculate a 6 month warranty buy for a 7056: (Annual maintenance of 1,012 / 12 months = 84.33/ month) (\$ 84.33/ month x 6 months = \$506 warranty buy for 6 months)</p>
<p>This pricing scheme could lead to a warranty period that differs in allowance from month to month. In this case, the warranty allowance and excess, per period, should be clearly noted on all order package information submitted to CHQ.</p>
<p>For example: A Model 9840, ORS has a limited warranty of 100,000 sf/ mo for the first three (3) months. The customer purchases a three (3) month warranty buy for a service plan that offers 200,000 sf/ mo. The order package information should clearly state that the warranty period is as follows: Warranty period, Month 1- 3 includes an allowance of 100,000 sf/ mo with excess of 0.0086/ sf. Warranty period, Month 4- 6 includes an allowance of 200,000 sf/ mo with excess of 0.0076/ sf. The value of (monthly TC2400 plan x 3) should be built into the transaction to cover the warranty buy. - Note: 9700/ 9800 "RPO" models include hardware and server software maintenance.</p>
<p>Warranty Buy for All Accessories: Use the monthly base maintenance charge or 1/ 12th of the annual charge, which</p>
<p>Time Limit: Warranty Buy is limited to 12 months for all models, including any free warranty (i.e., if 90 day warranty -- buy 9 months; if 1 year warranty --- buy 0 months)</p>
<p>USED, DEMO or RECONDITIONED Equipment has a 30-day Warranty, if applicable, as well as a pro-rated allowance</p>

# Océ-North America, Inc. Software License

## Océ-North America, Inc. Software License

*The parties agree that the following terms and conditions ("Agreement")*

### 1. DEFINITIONS

- A. **Software** shall mean: the Océ software modules in object-code form listed in the Customer Agreement and accompanying documentation.
- B. **Installation Site** shall mean: the Customer location specified in the Customer Agreement to which Customer requests that Océ ship the Software.
- C. **Client Software** shall mean: that portion of the Software that resides in, and operates on, the desktop or portable computers in use by Customer or third parties as provided herein and provides access to the Server Software and computer system resources shared and used by the Software.
- D. **Server Software** shall mean: that portion of the Software that resides in, and operates on, the computer systems of Customer which allow access by the Client Software to shared computer system resources, including data files and databases.

### 2. LICENSE

- A. Subject to compliance by Customer with the terms and conditions contained herein, Océ hereby grants to Customer a nonexclusive, nontransferable, limited license to use the Software as follows:

(i) **Single Workstation License**: If a Single Workstation License is specified for the Software, Customer may install the Software on a single workstation (C.P.U.) at the Installation Site solely for the internal use of Customer and its employees.

(ii) **Fixed Client/Server License**: If a Fixed Client/Server License is specified for the Software, Customer may install and use one (1) copy of the Server Software solely at the Installation Site and may copy and distribute the Client Software to its own internal users and to third parties for the sole purpose of accessing the Server Software; provided, however that in no event shall the number of workstations (C.P.U.s) on which the Client Software has been installed exceed the number of workstations specified in the Customer Agreement.

(iii) **Concurrent Client/Server License**: If a Concurrent Client/Server License is specified for the Software, Customer may install and use one (1) copy of the Server Software solely at the Installation Site and may copy and distribute the Client Software to its own internal users and to third parties for the sole purpose of accessing the Server Software; provided, however that in no event shall the number of users accessing the Server Software at any one time exceed the number of users specified in the Customer Agreement;

- B. Upon distribution of the Client Software to a third party, Customer shall ensure that, as part of the Client Software installation process, the third party is required to read and accept the End-User License Agreement ("Clickwrap Agreement") included as part of the Client Software.

C. Océ or an independent auditor appointed by Océ, shall have the right, upon reasonable notice, exercised no more than once per year, to inspect the applicable records of Customer, and Customer grants Océ reasonable access to its personnel, records and facilities for such purpose. All costs of the audit shall be borne by Océ; provided, however, in the event the audit reveals Customer under-reporting by 3% or more of the license fees due during the period under audit, Customer shall pay Océ such under-reported amount and shall reimburse Océ for the cost of the audit.

D. Except as expressly provided herein, Customer shall not, without the prior written consent of Océ, copy the Software in whole or in part, except that Customer may make one (1) copy of the Software for backup purposes. The original and any copy in whole or in part of the Software made by Customer shall include Océ's copyright and other proprietary notices and shall remain the property of Océ.

E. Customer agrees that it will not translate, disassemble, decompile, reverse engineer, or create Derivative Works based on the Software or any portion thereof.

# Océ-North America, Inc. Software License

## 3. LIMITED WARRANTY

A. Océ warrants that the media on which the Software is delivered will be free from defects in materials and workmanship under normal use for a period of ninety (90) days from the date of shipment to the Customer (the "Warranty Period"). This warranty shall be terminated immediately if the media is subjected to accident, abuse, or improper use. Océ will be obliged to honor this warranty only if Customer informs Océ of a defect in the media during the Warranty Period.

B. Customer expressly acknowledges and agrees that the Software is provided "as is" and without warranty of any kind. **OCÉ DOES NOT WARRANT THAT THE SOFTWARE WILL MEET CUSTOMER'S REQUIREMENTS OR THAT THE OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR FREE.**

## 4. Limited Software Support

Customer shall be entitled to access the Océ Customer Service web site twenty-four hours per day, seven days per week. The web site provides "free" self-support tools the Customer can access without having to purchase one of Océ's billable software or help desk support programs. Depending upon the product, information available to Customer may include but not be limited to: (i) problem solutions knowledge base; (ii) limited download of software; (iii) online information forums; and (iv) access to technical documentation.

## 5. PAYMENTS

Customer agrees to pay Océ the Software license fee(s) shown in the Customer Agreement within thirty (30) days from date of invoice. All shipments of Software shall be F.O.B. Océ's shipping point.

## 6. TERMINATION

Upon termination of this Agreement due to an Event of Default by Customer, as defined in the Common Terms and Conditions, all licenses granted to Customer with respect to the Software and any portion of it, including upgrades and updates, and Customer's right to possess or use the same, shall immediately cease, and Customer shall cease to use and shall return the Software and any copies thereof and all other documents and information pertaining to the Software to Océ.

## 7. MISCELLANEOUS

**CUSTOMER ACKNOWLEDGES THAT THE SOFTWARE MAY INCLUDE FEATURES LIMITING ITS OPERABILITY BEYOND THE SCOPE OR TERM OF THIS LICENSE.** Use, duplication, disclosure by or to the U.S. Government is subject to restrictions set forth in subparagraphs (a) through (d) of the Commercial Computer Software-Restricted Rights Clause at FAR 52.227-19, when applicable, or in the Technical Data-Commercial Items Clause at DFARS 252.227-7015 or successor provisions, when applicable. The parties acknowledge and agree that the Software is "commercial computer software" as that term is defined in the DFARS and, therefore, that the U.S. Government is subject to DFARS 227.7202. The contractor/manufacturer is Océ-North America, Inc., 5450 North Cumberland Avenue, Chicago, IL 60656. None of the Software or underlying information or technology or any direct product thereof may be downloaded, exported or reexported without the prior written consent, if required, of the Office of Export Administration of the U.S. Department of Commerce. Customer agrees to comply with any other applicable export laws and regulations.

# Océ-North America, Inc. Software Maintenance and Support

## Océ-North America, Inc. Software Maintenance and Support

*The parties agree that the following terms and conditions ("Agreement")*

Administration (GSA) has novated Contract

- 1. Maintained Software.** The terms and conditions of this Agreement will apply only to the software modules licensed to Customer directly from Océ and listed in the Customer Agreement (the "Maintained Software"). Maintained Software shall specifically exclude operating system software or software designed, developed or provided by parties other than Océ. In the event Customer elects to purchase software maintenance, all Océ software modules licensed by Customer must be covered by software maintenance.
- 2. Term.** The term of this Agreement shall be for the number of months set forth in the Customer Agreement, commencing on the date of execution hereof. This Agreement will be automatically renewed for all software modules for successive twelve (12) month periods unless either party notifies the other of its desire to terminate this Agreement no later than sixty (60) days prior to the expiration of a twelve (12) month period. In the event that additional Océ software modules are licensed by Customer, the additional software modules will automatically be included under this Agreement, with maintenance to be coterminous with Customer's existing Maintained Software, and pro-rated charges therefor will be automatically invoiced to Customer. The foregoing notwithstanding, this Agreement shall immediately terminate in the event that the Software License for the Maintained Software is terminated.
- 3. Release of Maintenance Materials.** Océ will accumulate corrections relating to the Maintained Software, and will periodically issue such corrections as a maintenance release. From time to time, Océ may also release a new version of the Maintained Software under the same operating system and language as the Maintained Software, including new features and/or improved performance. Provided that Customer is then covered by software maintenance, Océ will notify Customer of the availability of maintenance releases and new versions applicable to the Maintained Software ("Maintenance Materials"). Such notification may be made by mail, email or by posting on the software support section of Océ's Web Site. If Customer notifies Océ of its desire to obtain the Maintenance Materials, Océ will make such materials available either for download from the software support section of Océ's Web Site, or Océ may distribute such materials on CD or other media which can be shipped directly to Customer. In no event will Maintenance Materials include additional software modules for which Océ charges a separate fee.

## Océ-North America, Inc. Software Maintenance and Support

4. **Maintained Software Releases.** Anything to the contrary notwithstanding, Océ's maintenance obligations shall be limited to supporting the then-current release of the Maintained Software and the next prior release. Océ cannot warrant that any Maintenance Materials will be compatible with customized versions of Maintained Software. Océ may provide customization services for Maintenance Materials at Océ's then-current consulting rates. Customer is responsible for installing all Maintenance Materials. Océ offers installation services at Océ's then-current consulting rates. In the event that Customer has distributed client-level software modules to Customer's client(s) pursuant to the Software License, Customer shall be responsible for distribution of Maintenance Materials to Customer's client(s), as required. Customer acknowledges that Océ does not warrant that the operation of the Maintained Software will be uninterrupted or error-free. Customer acknowledges that operation of the Maintained Software may result in loss of data, and that it is Customer's responsibility to provide adequate back up and recovery systems.

# Océ-North America, Inc. Software Maintenance and Support

## Section II - Software Support

### 1. Software Support.

(a) Océ provides software support, consisting of email/telephone access to Océ Support Specialists for operator questions, installation support, explanation of Maintained Software features and functionality, network connectivity questions, and other software support issues as described in the current *Océ Software Support Guidelines* (“Software Support”). Software Support shall be made available during those days and hours as listed in the current *Océ Software Support Guidelines*. Software Support is provided on a “per Incident” basis. An “Incident” is defined as a question related to a specific issue with regard to the Maintained Software that can be resolved telephonically by isolating its origin to a single cause.

(b) Customer may access Software Support through the purchase of “Incidents” from Océ. Incidents may be purchased individually or in quantities as described in the current *Océ Software Support Guidelines*. An Incident will be considered “used” when Océ: (i) corrects the problem; (ii) creates a reasonable work-around; (iii) provides information in response to a Customer question; or (iv) isolates the cause of the support issue to software or any other product provided by a party other than Océ. An Incident will not be considered “used” if the problem results from a defect in Maintained Software for which no software patch or workaround is then available from Océ.

Issues that Océ determines cannot reasonably be resolved as Incidents may be escalated, with the consent of Customer, to an Océ Software Engineer or scheduled for on-site support at Océ’s then-current consulting rates. Océ DOES NOT REPRESENT OR WARRANT THAT ALL SOFTWARE ISSUES CAN OR WILL BE RESOLVED AS INCIDENTS. Incidents shall have an expiration date of twelve (12) months from the date of purchase, and purchases are non-transferable and non-refundable. The expiration date of unused Incidents may be extended if requested in conjunction with the purchase of additional Incidents.

(c) Océ will provide Software Support to those Customer employees who have been issued an ID code providing email/telephone access to the Océ Software Support Center. Customer shall be responsible for controlling ID code access and for any unauthorized use of ID codes. ID codes are non-transferable.

(d) Once per calendar quarter, Customer will receive a support summary report, providing an overview of the total number of Incidents purchased, number used, and number remaining available for use. Such reports may be made available on the customer support area of the Océ Web Site with access provided using the Customer’s ID code.

(e) Software Support does not include: (i) training; (ii) Maintenance Materials; (iii) on-site support; (iv) on-site implementation, installation and integration support; (v) re-installation of Software on computer equipment supplied by Océ after modification of such computer equipment by Customer (such as installation of memory, disk, interface boards, other software, etc.); (vi) re-installation or re-initialization of software after changes in a networking system or alteration of the parameters of Customer’s current networking system; or (vii) support or service required because of the upgrade of any software not licensed by Océ, such as operating system or utilities software, even if running on computer equipment supplied by Océ. Océ may make these services available at Océ’s then-current consulting rates. Océ reserves the right to decline to perform such services.

# Océ-North America, Inc. Software Maintenance and Support

## Section III - Miscellaneous.

### 1. Charges.

(a) For software maintenance hereunder, Customer shall pay Océ upon signing this Agreement, and upon each renewal hereof, the amount set forth in the Customer Agreement. Maintenance fees are invoiced periodically in advance, as shown in the Customer Agreement. Océ reserves the right to change the prices and terms and conditions of maintenance services effective as of the date of renewal of this Agreement.

(b) For Software Support hereunder, Océ will invoice Customer at the time of and based on the number of Incidents purchased by Customer as set forth in the *Océ Software Support Guidelines*.

### 2. Limited Warranty; Limitation of Warranty/Liability.

(a) Océ warrants that software maintenance and Software Support will be performed in a workmanlike manner in accordance with industry standards. In the event of a breach of the foregoing warranty, Océ shall, at its option, either reperform the service or refund the amount paid that is attributable to the portion of the service in question.

(b) It is understood and agreed that all intellectual property, work product and ideas created by Océ in connection with services provided hereunder, and all right, title and interest therein shall be owned by and belong to Océ at all times. Océ and Customer understand and agree that all Maintenance Materials shall be treated as part of the Maintained Software subject to all terms, conditions and limitations contained in the Software License.

(c) **Océ's ENTIRE LIABILITY TO CUSTOMER WITH RESPECT TO SOFTWARE MAINTENANCE SERVICES PROVIDED HEREUNDER AND CUSTOMER'S SOLE REMEDY FOR ANY CAUSE, REGARDLESS OF THE FORM OF ACTION, WILL BE LIMITED IN THE AGGREGATE TO THE SOFTWARE MAINTENANCE FEES PAID FOR THE ANNUAL TERM DURING WHICH CUSTOMER'S ACTION ACCRUED.**

(d) **Océ's ENTIRE LIABILITY TO CUSTOMER WITH RESPECT TO SOFTWARE SUPPORT PROVIDED HEREUNDER AND CUSTOMER'S SOLE REMEDY FOR ANY CAUSE, REGARDLESS OF THE FORM OF ACTION, WILL BE LIMITED TO THE FEES PAID FOR THE INCIDENT (S) UNDER WHICH CUSTOMER'S ACTION ACCRUED.**

(e) **Océ WILL HAVE NO LIABILITY FOR DAMAGES HEREUNDER FOR ANY ACTION BASED UPON A PROBLEM NOT REPORTED TO Océ WITHIN THIRTY (30) DAYS AFTER CUSTOMER FIRST LEARNS OF THE PROBLEM.**
