Dear Government Buyer:

Welcome to Mason Dixon Interiors on GSA Advantage. We're new around here, but we're not new to doing business with the Federal Government. Since opening our doors in 2001 we have provided our government customers with first-rate products and service time and time again. We are furniture dealers for many of today's top manufacturers of office interiors. We offer a wide range of products to satisfy any budget requirement. From executive furniture constructed from fine hardwoods by master craftsmen, to temporary and transportable training systems, we are confident that we can meet your needs. Located in historic Frederick Maryland we are easily able to service our customers here in Central Maryland, the Baltimore / Washington metropolitan areas and in neighboring Virginia, West Virginia and Pennsylvania.

We offer in-house interior design and space planning for your new or existing offices. We also offer moving, installation and reconfiguration as part of our packaged office services. When we say packaged office, we mean the whole package. Whether you need a desk and a chair or a complete interior fit-out of an entire building you can consider Mason-Dixon Interiors your one-stop resource for all your office furniture needs.
