

ATD-AMERICAN CO.

Contract #: GS-28F-0007S

SIN # 711-95: Installation services for products under contract # GS-28F-0006S, SIN # 711-20

Installation services include product delivery coordination, unpacking, inspection of product for shipping damage, placement, set-up, assembly and leveling of product. Removal of existing furniture also available on request at additional cost. Agencies will negotiate installation of a product on a project-by-project basis, requesting an installation price quote for each project regardless of dollar value. Agencies must fully define the scope of required services under installation in order to facilitate realistic price quotes.

ATD-AMERICAN CO. is proud to offer a full range of lecterns, sound and non-sound, in many styles, including full-size floor lecterns, tabletop lecterns and portable, folding lecterns. Sound lecterns feature full multimedia capabilities, including power outlet selections from 20-50 watts, phantom power, switchable Dynamic/Condenser mic inputs, tape and CD, play and record capability - to name just a few that are built in. Sound lecterns also include AC plug and optional 12V battery capability where the lectern recharges the battery. Products carry the U.L. mark of safety. We also offer wired and wireless capability, all built into each sound lectern, with a full choice of optional wireless microphones: hand held, tie clip and headset styles. Cabinetry is handcrafted and steel parts are fabricated by American Craftsmen.
