Los Angeles, CA

*Small Business, Veteran Owned Business,  
Service Disabled Veteran Owned Business*

Integrated Interiors Int'l., Inc. is dedicated to providing Furniture, Furnishings and Equipment that are of the finest quality and design available today. We represent a full line of quality products to completely furnish all types of office areas, mailrooms, training/educational facilities, BQ's, barracks, libraries and cafeteria/food services.

What sets our firm apart from others in the industry is our desire to work closely with our clients to achieve the best possible solutions to any furniture, furnishing & equipment needs. We represent many manufactures therefore we can offer you several choices and many options. We can offer a totally integrated program that is just as responsive to the needs of an individual as well as to a complete facility.

Our Sales Representatives, Designers and Staff are well-trained professionals. They understand meeting deadlines and providing the best products to meet your needs and budget.

Integrated Interiors Int'l. Inc. has representation in the United States and the Pacific Rim (Hawaii, Guam, Korea and Japan) to serve the GSA Federal Government, Military Facilities and Commercial Market. This enables Integrated Interiors Int'l Inc. to provide our clients with prompt and effective full service support.

Integrated Interiors Int'l., Inc. takes pride in prompt and efficient services. From our sales professionals and customer service department to our fully trained installation staff, we aim for total customer satisfaction.
