FOB Destination on orders of 6 cartons or more. (Dock to Dock Delivery)

Shipping:

Unless complete instructions as to carrier and route are specified by the customer, Nightingale Corp. has the right to choose the method of shipping. Every effort is made to ensure sound and secure packaging, however Nightingale Inc. liability ends when carrier issues a clear receipt to Nightingale Corp. that they received the product in good condition. Should the shipment arrive damaged or incomplete, have the carrier make a notation on the delivery receipt and original freight bill prior to accepting shipment. This will help protect your right to claim damages against the carrier.

All shipping weights shown are approximate.

Note: Shipments made by common carrier are often referred to as LTL (Less than Trailer Load) shipments.

UPS - Ground Transport:

Most models can be shipped (one chair per carton) KD (Knocked Down) or UPS (fully assembled). These models are marked as follows:

Please Note:

If applicable, each chair model in this price list INDICATES the volume per chair for both fully assembled and KD (Knocked Down). (ie.)
 4800 D - Fully Assembled - Vol= 19 cu. ft.
 4800 D - KD (Knocked Down) - Vol=11 cu. ft.

24. Environmental maintenance:

Nightingale Corp. will seek actively to reduce its impact on the environment to the lowest practicable level by ensuring that all operations and activities of the company employ the best practice in respect to the environment. Any threat of pollution from its activities will be identified and either eliminated or controlled effectively.

25. DUNS Number: 24-847-7523

26. Nightingale, Corp. is registered in the Central Contractor registration (CCR) database.

27. California Technical Bulletin TB117-2013 Compliant:

California Technical Bulletin 117 is a flaming and smoldering fire performance test for filling and/or cushioning and upholstery cover fabrics. A foam or fabric that meets the requirements of CA TB 117 is said to be fire resistant.

28. California Fire Code #133

California Technical Bulletin 133 is a full scale fire performance test of a complete article of furniture. It requires that a complete seating furniture product be exposed to a large open flame for 90 seconds in a specially designed test room. Heat generated and the rate at which it is generated, smoke opacity, carbon monoxide generation and weight loss are the test parameters that determine whether an article of upholstered furniture passes this test. CA TB 133 is recognized as a "state-of-the-art" fire performance standard for upholstered furniture entering high risk designations.

29. Customer's Own Material: Note:

All pricing for C.O.M. product is based on grade 1 pricing. Fabric must be shipped to the factory prepaid. All yardage indicated in this book is approximate, based on 54" non directional, no patterned goods. Additional yardage may be required for directional, patterned and lesser width materials. Materials will be applied in what Nightingale Inc. feels is appropriate unless instructed otherwise. Nightingale Corp. reserves the right to reject any material as unsuitable. In accepting C.O.M. fabric, Nightingale Corp. assumes no responsibility for fabric wear, defects or appropriateness and is applied at customers own risk. When supplying C.O.M. material, the shipment must be clearly tagged with customer's order number, description of product, quantity of fabric and any special instructions. Nightingale Inc. will not accept C.O.M. material that is sent freight collect. Any brokerage fees paid by Nightingale Corp. on C.O.M. material will be charged back to the customer accordingly.

30. Leather:

Genuine leather is available on selected models as indicated. For special requests please contact customer service.

24/7hd

This heavy duty chair accommodates individuals up to 450 pounds 3 shifts a day, and is ideal for EMS workers, police officers and any multi-shift 24 hour work environment. It fits most body types and sizes. Thick, 3" ENERSORB™ and molded high density, high resiliency seat foam together with durable upholstery provide exceptional ergonomic support all day long.

STANDARD FEATURES

- Swivel-tilt mechanism, infinite position tilt lock complete with back seat depth adjustment, pneumatic height adjustment, tension control (Type 28).
- High density, high resiliency, dual density foam with ENERSORB™ seat topper.
- Ratchet headrest (247hd-HR).
- Waterfall seat design to reduce muscle fatigue.
- Seat reinforced by 1/4" thick steel plates that have arms and mechanism attached to it for exceptional strength.
- Built-in lumbar back support.
- Lever operated width and height adjustable arms with polyurethane waterfall arm pad.
- 5 prong heavy duty aluminum base with 3" dual wheel carpet casters.
- Arms, base, and trim standard in black finish.
- ANSI/BIFMA approved and TB117-2013 compliant.

GENERAL INFORMATION

- Upholstery - 2.5 yards per chair

LEGACY

The Legacy chair series is a premier ergonomic seating solution that combines exceptional comfort and support with an attractive appearance that meets the challenge of today's active office.

STANDARD FEATURES

- Swivel-tilt mechanism featuring infinite tilt lock, pneumatic seat height adjustment and tension control.
- Seat slider for seat depth adjustment.
- Ratchet back height adjustment.
- Patented internal lumbar back support that self adjusts to the user's back providing incredible lateral support while offering excellent pelvic stability.
- Contoured molded seat foam incorporates a "waterfall" design that gently slopes away from the legs, minimizing pressure on the thighs while promoting correct posture.
- Ratchet height and width adjustable arms.
- Lockable pivoting polyurethane arm pad.
- Injection molded back shroud on back post for improved aesthetics.
- 5 prong heavy duty nylon base.
- 2" dual wheel carpet casters.
- Mechanism, base, casters and trim standard in black.
- High density, high resiliency molded back and seat foam for added durability and comfort.
- ANSI/BIFMA approved and TB117-2013 compliant.

GENERAL INFORMATION

- Upholstery all models - 2 yds/chair.
- If DS option is selected the chair will not tilt.
- Patented design

PATENTED:
Internal lumbar and lateral back support that adjusts to the users back for personalized support and comfort.

WXO™ the perfect working chair. It sports a refined sleek profile with distinctive comfort and support.

STANDARD FEATURES

- Translucent ABLEX™ patterned weave mesh back and seat provides generous lumbar and pelvic support while promoting dynamic movement.
- Energy absorbing ENERSORB™ seat foam conforms to your body and disperses your weight ergonomically to improve blood circulation and relieves pressure points (UF & UFST models).
- Synchronous knee-tilt torsion glide mechanism with preset tension and positive back lock release (PAT. PENDING) pneumatic seat height adjustment.
- Contoured waterfall seat design helps to reduce sitting fatigue and promotes good posture.
- Easy to use height adjustable arms with lockable, pivoting, polyurethane arm pads and manual with adjustment (5800).
- Graphite frame, base and arms. Black mesh and seat fabric.
- Optional: White frame with silver mesh and chrome finish.
- 5 prong heavy duty nylon base
- 2" dual wheel carpet casters.
- ANSI/BIFMA approved and TB117-2013 compliant.

GENERAL INFORMATION

- Upholstery - 1yds/chair for UFST.
3yds/chair for UF Models.
- Design patented.
- If DS option selected chair will not tilt.

MXO™ combines unprecedented comfort in its category with a contemporary aesthetic and sustainable design. MXO™ was designed for meeting rooms, break out rooms and conference seating.

STANDARD FEATURES

- Translucent ABLEX™ patterned weave mesh back in which the responsive elastic mesh creates a contoured shape that provides perfect support for all users automatically.
- Seat consists of an ultra-comfortable ENERSORB™ pillow top foam that allows for greater blood circulation reducing seating pressure points.
- Fixed height arm rests designed to fit under any standard height table.
- Swivel tilt mechanism with gas lift height adjustment and preset tension control.
- Waterfall seat design.
- Memory height and position gas lift which always returns the chair to a uniform height and position.
- 5 prong heavy duty nylon base.
- 2" carpet casters
- Mesh with graphite finish, frame, arms, base and trim.
- ANSI/BIFMA approved and TB117-2013 compliant.

GXO™ chair designed to compliment the styling and features of the XO™ executive, management, task and conference chairs. The GXO guest chair offers styling and comfort.

STANDARD FEATURES

- Responsive elastic mesh - Translucent patterned ABLEX™ weave mesh back, in which the responsive elastic mesh creates a contoured shape that provides perfect support for all users automatically.
- Shapely arms - Short shapely arms provide comfortable support and easy access in and out of the chair. Polyurethane arm pads for comfort.
- Seat consists of a thin ultra-comfortable ENERSORB™ pillow top layer of foam that allows for greater blood circulation reducing seating pressure points which provides the guest with extreme comfort.
- “Waterfall” seat design that gently slopes away from the legs minimizing pressure on the thighs, promoting good posture.
- Great stability - Angled rear legs for stability.
- Black mesh with graphite back, legs and trim.
- Oval tubular reinforced steel legs, complete with adjustable non marking floor glides.
- ANSI/BIFMA approved and TB117-2013 compliant.

GENERAL INFORMATION

- Upholstery - 1yd/chair.
- Design patented.

The NXO™ chair is a nesting, stacking and storing chair that provides comfort, versatility and style to any workplace.

STANDARD FEATURES

- Ergonomic support. Unique reclining motion of the back provides comfortable relaxed support.
- Easy access. Folding seat allows the chair to nest horizontally providing a smart storage solution.
- Seat consists of a ultra-comfortable ENERSORB™ foam that allows for greater blood circulation reducing seating pressure points which provides the guest with extreme comfort.
- Space efficient. Vertical stacking capability of up to three chairs high provides even greater space efficient storage.
- Aeration. The perforated back with small holes enhances airflow and keeps the user cool and comfortable.
- Easy to move. Lightweight with durable casters.
- Frame, arms and trim standard in graphite.
- Aesthetics. Light and clean. Fits in without dominating the look or feel of the workspace.
- Design. A visual companion to nontraditional work chairs, an ideal companion to the XO Collection of chairs.
- Design Patented.
- ANSI/BIFMA approved and TB117-2013 compliant.

GENERAL INFORMATION

- Upholstery - 1yd/chair.
- Optional field installable fold away arm tablet available.

Perfectly balanced with smooth adjustments. IC²™ sets ergonomic and comfort standards that are second to none. Light weight, elegantly functional. One chair. Multiple applications.

STANDARD FEATURES

- Slow release synchronous knee tilt mechanism with dual lever, integrated seat slide adjustment, pneumatic assist forward and recline adjustment, infinite tilt lock, pneumatic height adjustment and front tension control.
- NEBULA™ dual weave mesh back and seat allows air to pass freely, making it comfortable in all environments. It also boasts dynamic movement.
- Headrest pivots in and out and adjusts up and down on a contoured axis.
- Headrest is upholstered in black leather.
- 5 prong polished aluminum base.
- 3" carpet casters.
- Upholstered seat models standard with ENERSORB™ seat foam.
- Seat depth adjustment has a dual lever. Allowing for greater seating depth for those requiring more leg support.
- 4D armrests. Arms are height and width adjustable with lockable swivel, and forward/backward arm pad adjustment. Polyurethane arm pad for durability.
- Lumbar support. The contoured polyurethane lumbar support pad can be easily adjusted up and down and in and out for personalized comfort and support.
- ANSI/BIFMA approved and TB117-2013 compliant.

GENERAL INFORMATION

- Upholstery - UFST 0.75yds/chair.
UF 1.5yds/chair.
Headrest 0.25yds/chair.
- When UF or UFST models are selected, headrest upholstery will be done in the same selected textile, unless otherwise specified when ordering.

LIFETIME LIMITED WARRANTY

The Lifetime Limited Warranty applies only for **NIGHTINGALE** products listed herein, and manufactured after January 1st, 2016, and applies to products delivered to customers in Canada and the United States of America.

Under the **NIGHTINGALE** Warranty, all claims must be made within the time period specified herein.

This Warranty begins with the date of purchase from the Nightingale Dealer by the original purchaser, and applies as follows:

- Lifetime Limited: all non-moving metal parts.
- 10 Years: Control mechanisms, casters, pneumatic cylinders, self-skinned urethane parts, and plastic shells.
- 5 Years: Upholsteries.

The **NIGHTINGALE** Warranty is based on normal use within a normal commercial office setting of single shift, eight (8) hours per day, five (5) days per week, by individuals of 250 lbs or less.

Some natural variations occurring in wood, leather, or other natural materials are inherent to their character and are not considered defects. Nightingale Corp. does not warrant the colorfastness or matching of colors, grains, or textures of these materials. Additionally, a Customer's Own Material (COM) selected by, and used at the request of, a customer, is not warranted.

The Warranty does not apply to:

- Normal wear and tear over the course of ownership.
- Damage caused by abuse, misuse, accident, or negligence.
- Abnormal use or use within extreme climatic conditions. Normal climatic condition is defined as the temperature and moisture content range for human comfort and health.
- Alterations to or modifications of the product not approved by Nightingale Corp.
- Products not installed, used, or maintained in accordance with product instructions and warnings.
- Products used for rental purposes; and,
- Damage caused by the carrier-in-transit, which is handled under separate terms.

Compliance with applicable laws, regular codes, certificates, and manufacturing standards are disclaimed if this product is misused, improperly installed, or modified in any respect (including without limitation, any change in fabric or mechanical components affecting stability, load capacity, or load distribution) after shipment from Nightingale Corp.

The NIGHTINGALE Warranty does not cover the cost of transportation or labor, except as noted.

All Warranty claims must be submitted by the Nightingale Dealer that sold the product.

Nightingale Corp. reserves the exclusive and sole right to determine whether a **NIGHTINGALE** seating product is defective in material or workmanship.

In order for Nightingale Corp. to determine whether the Warranty applies, the following information must be supplied to Nightingale Customer Care:

- Original Purchase Order and Purchase Order Date.
- Nightingale Corp. Invoice Number and Invoice Date.
- Product Model Number.
- Reason for claim.
- Please note that Nightingale Corp. may also require that photographs be supplied, clearly depicting the defective part or product. Nightingale reserves the right to deny any Warranty claim that does not include photographs when requested.

Should a Warranty claim be approved by Nightingale, then Nightingale will issue a Warranty Ticket Number to that claim. Nightingale Corp. will then, at its exclusive and sole discretion, apply one of the following remedies:

1. Issue replacement parts only, at no charge and prepaid freight. The cost of transportation and labor is not covered.

or

2. On a **discretionary basis**, Nightingale may determine that replacement parts and more significant labor may be required. Nightingale may authorize the Dealer to carry out the repair either directly or via a bona fide third party approved by Nightingale. All Warranty claims are evaluated on a case by case basis. The following conditions apply:

- No service work can be performed without prior written approval by an authorized Nightingale Corp. employee.
- The Warranty policy does not apply to Damage Claims, which are processed separately. Please refer to the Terms and Conditions outlined in the current **NIGHTINGALE** price book, regarding Freight Damage.
- Nightingale Corp. will only deal with the Dealer directly. Nightingale will not deal with any third party or end user.
- In order for approval to be given, the Dealer must submit a pro-forma invoice or quotation, based on the average hourly labor rate assigned by Nightingale Corp., as stated below. Once approved, an authorized Nightingale employee will provide written consent to proceed.
- The Warranty Ticket Number issued upon approval must be indicated on the pro-forma invoice or quotation.

LIFETIME LIMITED WARRANTY

- If the Dealer chooses to outsource service work to a bona fide third party, then the Dealer must provide a bona-fide invoice or quotation from the third party.
- For the purposes of the Warranty, Nightingale Corp. has assigned an average hourly wage rate of \$20/hr based on data provided by the Bureau of Labor Statistics (BLS) in the United States, and Statistics Canada (StatsCan) in Canada. Nightingale Corp. will not apply any amount greater than this. Nightingale Corp. reserves the right to adjust the rate without notice.
- Transportation time for only one employee will be reimbursed unless it is necessary for more than one service technician to perform the service. Transportation costs must be supplied with the pro-forma invoice or quotation. Nightingale Corp. reserves the right to decline submissions for transportation costs, if they are not within reason. Feedback will be provided with any declined submissions so that the request can be re-adjusted and re-submitted.
- All replacement parts will ship with an assigned Nightingale Acknowledgement Number.
- After service work is performed, the Dealer must submit an invoice. The assigned Warranty Ticket Number and the Acknowledgement Number for the replacement parts must be included on the invoice. Nightingale Corp. will not reimburse any amount greater than the amount provided in the pro-forma invoice or quotation.
- Nightingale Corp. will not reimburse for any service work performed on **NIGHTINGALE** product without prior written consent from Nightingale.

Over and above the description of the claim and any photographs supplied, Nightingale Corp may require that the defective part be returned collect. Nightingale reserves the right to charge for a replacement part, if a defective part is determined to not be covered under Warranty.

Warranty Exception:

- 247-HD, and Sherman (except HD9000DS which is rated to 350lbs only) is warranted for multiple shifts and users up to 450 lbs. Multiple shifts is defined as three (3) shifts, twenty-four (24) hours per day, seven (7) days per week.
- Weight capacity for all task seating only (Legacy, Buddy, Edge, Ergo-Learn, Ultima II, Bear, WXO, EXO, LXO, Ergotech, Bradley, Veronna, VXO, IC2, Dany) is increased to 300lbs.
- Weight capacity for CXO and SXO series is increased to 350lbs.
- CXO-TI (“Task Intensive”) and HD6800D is warranted for multiple shifts and users up to 350 lbs.
- CXO-HD is warranted for single shifts and users up to 450 lbs.
- Overtime is warranted for multiple shifts and users up to 300 lbs. Multiple shifts is defined as three (3) shifts, twenty-four (24) hours per day, seven (7) days per week.
- Nightingale Corp. warrants that the Nightingale products listed above are covered under the Nightingale General Warranty, as stated above. Due to the special application of these products, the following specific Warranty applies:
 - Lifetime: all non-moving metal components.
 - 5 years: Heavy-duty control mechanisms, casters, pneumatic cylinders, self-skinned urethane parts, and plastic shells.
 - 2 year: Upholsteries.

Nightingale Corp. offers no other warranty, either expressed or implied, including any warranty of merchantability or fitness for a particular purpose. Nightingale Corp. shall not be liable for consequential or incidental damages arising from any product defect.

NIGHTINGALE'S ECOLOGICAL STATEMENT

At Nightingale Corp., we believe in respecting our employees, our customers, our vendors, and the environment. By respecting our planet's fragile eco-system, we respect our children's future, their children's future.....

Planet Nightingale is our environmental initiative. Our commitment to the environment is expressed in a variety of ways – from making smart choices when it comes to choosing materials and processes, to designing products that are simple, flexible, and durable. It's all about doing more with less.

Nightingale is proud to have developed and promoted an environmental policy long before government instituted mandatory recycling. We are committed to manufacturing our products utilizing methods and materials that help to reduce the adverse impact on our environment.

The basic elements of our plan are to use others' waste (recycled materials) or sustainable sources of raw materials to create our products, to ensure that our products are recyclable, to use as few resources as possible in the manufacturing process, and to ensure that we minimize or eliminate waste and emissions. ***We would like our footprint on the world to be very light.***

Made in a 100% waste free manufacturing facility.

ISO 14001 & ISO 9001 Certified
TB117-2013 compliant
