Intermediate Consultant		\$100.00
Junior Consultant		\$75.00
Senior Technician		\$100.00
Intermediate Technician		\$75.00
Junior Technician		\$50.00

The consulting methods used by Evans Consoles Incorporated are unique to the design of control centers and are intended to complement, not replace, the services of traditional project team participants such as architects, engineers and general contractors.

Evans Consoles Incorporated consulting activities are performed on a fixed price, fixed scope basis with a defined scope of engagement and report deliverables.

All quotations are subject to Evans Consoles Incorporated Terms and Conditions, expenses and taxes are extra.

SIN 711-95 INSTALLATION SERVICES

		Offered Price
Install Empty Room		8% of Net Product Total

8% of the net price of the product for projects up to \$500 net. Installation projects in excess of \$500 net will be negotiated on a case-by-case basis

The installation labor rates are firm and fixed for the installation of the materials by non-union affiliated furniture systems installers. The rates listed above are for labor only; expenses such as travel expenses will be charges in addition to these rates. The installation activity includes the placement, installation, clean up and a training session on the service and maintenance of the materials supplied. The installation activity does not include the loading of Client's electronics onto the system. The installation rate assumes the installation of materials will take place during normal office hours. Any existing materials subject to relocation by Evans, or any unscheduled attendance by an Evans representative for Safety Training or drug testing, may be subject to additional charges.

Evans defaults its rates to utilize non-union labor. Should union labor be required for installation post sale, Evans will submit a Change Order covering the additional project costs for these efforts. All additional costs are the direct responsibility of the purchaser.

Evans installation assumes a single installation activity by non-union labor working in a clean and clear finished room environment. Under no circumstances can the installation of the equipment be undertaken in a room still under construction. All electrical work is to be provided by others. This includes all electrical circuits and high voltage wiring for projectors, wall boxes, conduit, etc.

Unless otherwise stated, the materials will be shipped complete to permit a continuous installation activity. The installation activity assumes the site is prepared to receive the materials and allow Evans' installers to fully complete the installation as a single activity (Rather than requiring multiple site visits), unless otherwise noted herein. Multiple installation activities, additional time required to cover safety training or drug testing, overtime or delays caused by site conditions, are beyond the control of Evans and will be charged as an extra.

LIFETIME LIMITED WARRANTY

1. Unless otherwise stated in the quotation, Evans Consoles Corporation and Evans Consoles Incorporated (collectively “Evans”) warrant that all of the products provided (the “Products”) will be free from defects in materials and workmanship from the date of purchase. Terms of the warranty are as follows:
 - a. LIFETIME WARRANTY on all fixed structural frame components;
 - b. LIFETIME WARRANTY on all static exterior panels and work surface components parts; with 5 years for labor;
 - c. LIFETIME WARRANTY on all adjustable, sliding or hinged mechanisms or parts; with 5 years for labor;
 - d. OEM (original equipment manufacturer) warranty on all buyouts, and 5 years on all Evans branded E-accessory products (unless specifically defined by product line);
 - e. 5 YEAR WARRANTY on electrical actuated lift columns.
 - f. 3 YEAR PRODUCT WARRANTY on Evans’ PowerLinc™ system; and
 - g. 3 YEAR PRODUCT WARRANTY on Evans’ EnviroLinc™ system.
2. The warranty period will begin on the date the products receive final acceptance from the purchaser at the delivery or project site. Notification of any defect or failure must be delivered in writing to Evans within the applicable warranty period. In the event that a written notice of a warranty claim is not delivered to Evans prior to the expiration of the relevant warranty period, Evans shall not be obligated to provide any warranty to the products.
3. At Evans option, products will be repaired at the delivery or project site or, if deemed necessary, will be returned to Evans, with Evans being responsible for shipping and handling charges and insuring the shipment. Evans will return the repaired or replacement products to the purchaser via prepaid freight. If Evans does not accept a notice of defect or failure based on their sole discretion that the defect or failure was caused by causes or situations outlined in section 5 below, the decision is binding and final upon the purchaser.
4. The warranty periods shall not be extended or modified due to any warranty claims, repairs or replacements made under this section.
5. This warranty does not cover damage due to external causes, including accident, abuse, problems with electrical power, improper application and misuse, installation by parties other than certified Evans installers, alterations, improper storage, servicing unauthorized by Evans, neglect, problems caused by the use of parts and components not supplied by Evans, or the effects of normal wear and tear.
6. The warranty on Evans Urethane Ergonomic Waterfall Nosing is void and unenforceable if any ammonia based cleaners are used on the nosing.
7. This warranty does not cover any consumable items such as, but not limited to, light bulbs, filters, and any third party software.
8. The provision of installation labor is at the sole discretion of Evans, and is excluded on all buy-out products that are not directly incorporated into the design/manufacture of Evans’ custom-fabricated products.
9. Rights and benefits of this section are given solely to the original purchaser of the product and may not be transferred or assigned to a third party without the prior written consent of Evans.
10.
 - a. This warranty, for any purchaser residing primarily, or having head offices, in Canada or any other country internationally, regardless of its place of negotiation, execution, or performance, shall be governed by and subject to the laws of the Province of Alberta and of Canada applicable therein, and exclusive jurisdiction of the courts of Calgary, Alberta, as appropriate, shall have exclusive jurisdiction regarding any related disputes.
 - b.
