- We guarantee that within one week after delivery, if you are unhappy with the condition of any piece of furniture, we will exchange it within two business days.
- If any of the above commitments are not met, you will not be charged for the unacceptable furniture until the problem is corrected. Finally, if the problem can not be corrected, we guarantee to pick-up your furniture and refund your original payment.

By utilizing the combination of "new" and "showroom condition" CORT can provide large volumes of high quality rental furniture at reasonable prices to both the public and private sector.

CORT, as part of its rental program, agrees to provide on-site service and maintain all products under the rental agreement. There is no charge for any service, repair, or replacement for product damages resulting from normal use. For damage caused by abuse or neglect, the customer pays for the lesser of the repair or replacement cost.

19. Terms and Conditions Applicable to Installation:

Delivery and Installation Rate Schedule

Delivery and Installation Rates are based on Rental Rates regardless of Lease Length.

The rates as per the Delivery and Installation Rate Schedule cover all CORT service areas and include all metropolitan areas in which CORT maintains furniture rental operations. Delivery rates apply to all leases with a lease term of two (2) months or longer that are being delivered during normal business hours for local deliveries not more than fifty (50) miles from nearest CORT Distribution center. All delivery and installation rates include delivery, set-up and final pick-up.

Delivery Areas greater than fifty (50) miles are subject to an additional transportation fee and will be addressed on a case by case basis with consideration given to quantity of furniture, distance, and customer logistical requirements. Additionally, CORT reserves the right to assess mutually acceptable transportation charges on a case by case basis for complex or unusual deliveries.

No discounts are available for delivery to receiving docks only.

Scheduling a Pick-up

CORT requires fourteen (14) days notification to schedule a pick-up. Pick-ups can be called in or Emailed to the CORT Gov. Dept. or the local CORT District that delivered the furniture. Regardless of the associated Purchase Order Funding Dates, CORT requires the Government customer to provide Pick-up notification so the transaction can be scheduled for Pick-up with the Government end-user. Otherwise, the rental agreement continues on a month to month basis at the same rental rate until notification of Pick-up is received from the Government customer.

CORT will use the Delivery and Installation Rate Schedule below to calculate the proper normal delivery rates.

CORT Delivery Rates, Terms, and Conditions

Standard Deliveries

CORT will charge Delivery fees, per the Roundtrip Delivery Rate Schedule, for ‘Standard’ deliveries to all domestic U.S. metropolitan areas in which CORT maintains furniture operations. All delivery and installation rates include delivery, set-up and final pick-up.

Standard Delivery is defined as:

- Local delivery of not more than fifty (50) miles from nearest CORT furniture operations
- Delivery during normal business hours, Monday – Friday, 8:00 a.m. – 5:00 p.m.
- No waiting for property access
- Elevator space reserved and available for all deliveries, if applicable
- Non Union labor requirement

Moves

CORT shall provide furniture moving services to the Agency at local market rates if the Government is required to move CORT’s furniture to a unit specified on the rental agreement.

Return of Products – Notification for Pick-up

a. The Government requests a pick-up of the furnishings by calling the CORT Gov. Dept. at least fourteen (14) business days prior to the requested pick-up date.

b. At the time of pick-up the Government shall surrender possession of and return all applicable Rented property to CORT, in good condition and repair, ordinary wear and tear excepted, and the Rented property shall be free of any and all claims thereto by the Government.

c. CORT shall inform the Government of damage or of a furniture loss, and its estimated cost as soon as possible after the pick-up of the Rented property. Upon request, CORT will hold damaged merchandise separately for a reasonable period of time for inspection.

CORT shall charge the Government for lost and damaged furniture. Charges shall be based on the lesser of the repair or replacement costs of the product plus any applicable federal, state and local taxes. These charges shall be due within thirty (30) days of the demand thereof.

d. As the Government is self-insured, damages caused by fire, flood, or act of God, are the responsibility of the Government.

Special Circumstances

Long Distance Deliveries

The additional Delivery Fee is to be determined by the CORT District that will be servicing the transaction and as agreed to by the Government Customer, based on the delivery distance and associated logistics.

Force Majeure

CORT reserves the right to assess mutually acceptable transportation charges on a case by case basis for complex or unusual deliveries and in geographic areas where the Force Majeure clause has been declared. See Force Majeure clause.

Fuel Surcharges

CORT reserves the right to assess a fuel surcharge based upon current economic conditions that may affect petroleum costs.

Short Term Requirements

Delivery and Installation rates for leases with a less than sixty (60) day lease term will be calculated by taking the delivery rate for the applicable rental base rent and multiplying by 2.

Systems Furniture

Systems furniture requires an additional Systems Installation charge of up to \$350 per station, based upon the configuration and associated logistics.

Large Orders

For leases with a monthly base rent greater than \$3,399 the local CORT District will calculate the Delivery and Installation rate.

Outside of Normal Business Hours

For leases requiring service before or after normal delivery hours, during the weekend, or during a Federal holiday please call for quote.

3rd Party Delivery

CORT, at its discretion and based on available resources at the time of requested delivery, may choose to outsource the delivery and/or set-up. The delivery and/or set-up rate will be agreed to by the Government customer. In these circumstances, CORT will use every effort to use Small Business, as identified in CORT’s “Small Business Subcontracting Plan”.

Postponed or cancelled Orders

For orders scheduled, postponed and/or cancelled without 24 hour notice, a handling charge of fifty percent (50%) of one month’s base rental amount may be charged.

Site Restrictions

For deliveries to sites with special restrictions that delay or obstruct the delivery, additional delivery fees may be assessed such as properties accessible only by stairs, properties requiring Masonite or other special property protection, locations with security restrictions, and any situation where immediate dock access is not available.

22. List of Participating Dealers: Not Applicable

23. Preventative Maintenance: CORT’s standard rental agreements for commercial customers contain provisions for care and use of the rental furniture. These provisions would apply as follows:

“The Agency shall cause the users to carefully use the Rented property for the purposes normally and customarily intended for the rented property and shall not, under any circumstances, remove, or permit the removal of, any or all of the Rented Property from delivery address, grant any security interest in, or convey or otherwise transfer any interest in, the Rented Property or allow the Rented Property to come into the possession of a party other than the Agency or its users, without the prior written permission of CORT.

Upon the expiration or earlier termination of each Individual Rental or Purchase Order, the Agency shall immediately surrender possession of and return all applicable Rented Property to CORT, in good condition and repair, ordinary wear and tear alone excepted, and the Rented Property shall be free of any and all claims thereto by the Agency or Users or any party holding under or making any claim by virtue of the Agency. CORT shall inform the Agency of damage or of a furniture loss, and its estimated cost as soon as possible after the pick-up of the Rented Property. Upon request, CORT will hold damaged merchandise separately for a reasonable period of time for inspection.

CORT shall charge the Agency for lost and damaged furniture. Charges shall be based on the lesser of the repair or replacement costs of the product plus any applicable sales tax. These charges shall be due within thirty (30) days of demand thereof.”

See also Section 18. Terms and conditions of rental, maintenance, and repair.

24a. Environmental Attributes, e.g., recycled, content, energy efficiency, and/or reduced Pollutants: Not Applicable

24b. Section 508 Compliance Information: Not Applicable

25. DUNs Number: 07-107-8786

26. SAM Database: Registered

27. Variation in Quantity: CORT is looking to provide an extensive variety of furniture in relatively significant quantities under most circumstances. However, in the rental business, a company cannot always predict the breadth or depth of a customer's requirements, nor the daily levels of its overall inventory. Therefore, in order to meet the quick turnaround desired by Agencies, CORT must be able to substitute product per its "Personal Service Guarantee" as it does for its commercial customers. The substitution policy is as follows:

"We guarantee that if a substitution is unavoidable, the item substituted will be of the same or higher value than the item ordered and that you will be given the option to keep the item substituted at no additional charge or to exchange it within the first available date after your original selection is again in stock."

Should CORT employ this substitution policy to provide expedient service, then deliveries are considered to be made in full, and billing commences on the date of delivery. CORT will provide partial shipment of the furniture order and follow up with the remaining product as soon as it comes available. The end-user is responsible for payments once products are delivered. Should CORT be unable to accommodate an order, it will notify the requesting agency within three days of receipt of order so that the government may acquire supplies from another source.

28. Cancellation of Rental Agreements prior to Fulfillment of Term: If an office requests pick up of product prior to completion of the rental term that office agrees to pay a lease term adjustment to reflect the rental rate that applies to the rental term the furniture was on site.

29. Damage Waiver: The Government, as a self-insured entity, is responsible for damages to furniture caused by Acts of Nature, and internal or external crisis.

30. Title and Ownership: CORT shall retain full title and ownership of all of the Rented Property. The Rented Property is and shall at all times remain the sole and exclusive property of CORT or its assigns. The Government shall not become, or have the option of becoming, the owner of any of the Rented Property through this contract, and the Government shall have no right, title, or interest therein thereto.

Any purchase by any Agency of product supplied by CORT, either while on rental or from in stock inventory, shall be considered an off schedule transaction. Acquisition for ownership of any used product shall be on an "as is" basis with no warranties expressed or implied.

31. Option to Purchase:

There is no Option to Purchase rental furniture on schedule. Any purchase by any Agency of product supplied by CORT, either while on rental or from in stock inventory, shall be considered an off schedule transaction. See 30 Title and Ownership above.

32. Rights to Enter:

CORT, or its assigns, shall have the right to enter the delivery address or premises where any item of the Rented Property may be located to make delivery, to inspect, to take inventory, to appraise, or to remove or repossess any item of the rented property as permitted herein. The Agency hereby agrees that it will authorize and direct its premises manager, owner, agents, users, and other occupants of its delivery address to permit CORT, to enter the delivery address for any purposes stated in this agreement in accordance with this section. Where delivery address or premises cannot be entered due to security clearances, the Agency will deliver Rented Property to a mutually agreeable prearranged site for pick-up. Agencies will further provide access to allow CORT to inspect and inventory rental product. CORT agrees to provide adequate notice for these requests.

33. Moving Services: CORT shall provide furniture moving services to the Agency at local market rates if the Agency is required to move CORT's furniture to a unit specified on the rental agreement.

34. Taxes: The unit prices included in the price schedule does not include state or local sales taxes. Sales and Use Taxes are based on the prevailing tax rates of the jurisdiction in which the product is delivered. CORT will add the applicable taxes (if any) to each invoice unless CORT received verification of tax exemption.
