"Leaders in Comprehensive Furniture Management Services"

**Project Management**

The Project Management services available under this SIN include comprehensive support for the design, reconfiguration, relocation, and increasing/downsizing of office spaces and similar facilities. Services may include but are not limited to:

- Development of project management plans and implementation strategies.

- Work as a partner with the customer organization to manage the interior design process to ensure it meets their requirements.

- Develop and manage the phasing of the reconfiguration project.

- Assist in the preparation of budget requirements for the acquisition, delivery, and installation of furnishings and equipment.

- Orchestrate logistics of interior renovations and furniture installation.

- Oversee all deliveries and installations to ensure adherence to scope of work, installation standards, and accurate placement of furniture according to plan.
Asset Management

The Assets Management services available under this SIN cover the development and/or implementation of an assets management system to monitor and track the customer agencies' furniture and equipment inventory. The services may include, but are not limited to:

- Design and installation of a computer aided system to manage the customer's furniture and equipment inventory.

- Customize a management system to meet recommended process improvements. Educate customer agency in the use and maintenance of the management system.

- Prepare a physical inventory of furniture and furnishings.
Reconfiguration / Relocation / Installation Management

The Reconfiguration/Relocation Management services available under this SIN include all the services required for the reconfiguration, reorganization or consolidation of existing facilities and/or the opening of new facilities.

Examples of reconfiguration / relocation services may include *but are not limited to*:

- Development of reconfiguration / relocation plans and schedules.
- Coordination of reconfiguration/relocation plans and schedules with other professional crafts and trades persons.
- Development of furniture, furnishings, and equipment inventories.
- Oversight of furniture, furnishings, and equipment installations or reconfigurations.
- Verification of critical field dimensions before installation.
- Installation, moving, disassembly and/or assembly of furniture and furnishings.
- Temporary and long term warehousing for furniture and furnishings, ensuring proper accountability of items in storage.

To place an order or request information, call National Relocation Services, Inc. at 888.DESKS.4U
"Leaders in Comprehensive Furniture Management Services"

Making the pieces fit... Together.

Design/Layout

The Furniture Design/Layout Services available under this SIN include complete interior design, space planning, furniture consultation and/or product specifications.

Examples of design/layout services may include but are not limited to:

- Evaluation of the customer’s overall office space and furniture requirements, existing inventory, space standards, the functional office environment, workflow, and special space or electrical/data requirements.

- Formulation of design solutions.

- Development of detailed plans based on the service provider's evaluation and proposed design solutions, documented in printed and/or electronic formats.

- Production of drawings and other documentation containing sufficient detail of design intent for use by all parties, such as electricians, voice/data cablers, furniture installers, etc.

- Development of furniture, furnishings and equipment specifications.

- Coordination and obtaining plan approval by the customer agency and its sub-components.
"Leaders in Comprehensive Furniture Management Services"

**Assets Maintenance**

The Assets Maintenance services provided under this SIN include complete restoration, repair, cleaning, and/or renovation of furnishings and equipment.

The services may include *but are not limited to*:

- Reupholster furniture
- Refinish furniture and furnishings
- Clean furniture and furnishings
- Recover existing panels
- Short and long-range maintenance plans for furniture and furnishings.
