W.M. Putnam Co.

W.M. Putnam Co.* is a veteran-owned, small business experienced in all phases of expanding, upgrading and relocating facilities.

Description of Services:

- Project management
- Design
- Remodeling and build-out
- Procurement of furniture, equipment and accessories
- Staging, delivery and installation
- Facilities management
- Relocations

In delivering over 5,000 successful projects across the U.S., we have gained the experience to plan and coordinate complex projects. The results and efficiency exceed components managed individually.

Project work has included:

- Offices
- Medical
- Institutional
- Education
- Retail

Our customized solutions provide:

- Quality that stands the test of time
- Installations that continue to perform over the long term
- Reliable on-schedule, on-budget completion
- Client control over the project through detailed reporting
- Post-installation service

...And maximum efficiency through:

- Competitive pricing
- Cost savings from coordinated procurement, staging, delivery and installation
- Reduced administrative time required to manage project detail
- Simplified ordering and comprehensive reporting
- The attention of a dedicated project manager
