18. Reliable Transmission Service, Inc, and all its affiliates, are registered on both CCR and ORCA.

GSA TERMS & CONDITIONS

- Invoices will include applicable core charges.
- Credit for applicable core charges will be issued upon return, after inspection.
- Cores must be returned freight prepaid (shipper responsible for freight charges), on the same skid/container provided with the remanufactured unit, and within 30 days of original shipment.
- Cores will only be accepted on a like for like basis.
- Core credit will not be issued for any disassembled cores, or cores received after 30 days of original shipment.
- Returned cores will be inspected for damaged or missing components. Inspections will be made to check for damaged or broken housings, cracks, damaged flange or surface areas or welded cases. Damage of this nature will result in an additional charge (see Potential Core Damage Charges pricing page for details). If transmission core has no damage, core damage charges will not apply.
- Adjustments to core credits for damaged or missing components will be based on the following lists of charges:

Reliable Transmission Service, Inc.

REMANUFACTURED & REBUILT ALLISON TRANSMISSION **GSA CORE POLICY**

An Allison Transmission core has a **substantial value** to keeping operating cost down and vehicle up-time maximized. These cores allow fleets of vehicles equipped with an Allison Transmissions to keep their vehicles and business moving.

- When a customer needs to replace a failed Allison Transmission, a core is required to supply a Remanufactured or Rebuilt transmission or a charge will be assessed.
- Customers must install the Remanufactured or Rebuilt transmission in their vehicles and return the failed transmission core **ASAP**. A core **INSPECTION** will then be made in accordance with our **CORE ACCEPTANCE GUIDLINES**.
- If a core is not returned within 30 days after receipt of order (ARO) for a Remanufactured or Rebuilt transmission, a charge for a core assembly will apply.

RELIABLE TRANSMISSION SERVICE, INC.
WARRANTY POLICY
For GSA APPLICATIONS

WHAT IS COVERED

- ◆ **WARRANTY APPLIES** – This warranty is for Rebuilt and Remanufactured models of Allison Transmissions used in OEM Approved Applications and is provided to the original and any subsequent owner(s) of the vehicle during the warranty period.
- ◆ **REPAIRS COVERED** – The warranty covers repairs or replacement, at Reliable Transmission Services option, to correct any transmission malfunction resulting from defects in material or workmanship occurring during the warranty period. Needed repairs or replacements will be performed using the method Reliable Transmission Services determines most appropriate under the circumstances. Reliable Transmission Services rebuilt or remanufactured parts and/or transmissions may be used for warranty repairs or replacements. Any warranty work must be authorized by Reliable Transmission Services.
- ◆ **OBTAINING REPAIRS** – To obtain warranty repairs, take the vehicle or remanufactured transmission to any Allison Transmission Distributor or Authorized Dealer within a reasonable amount of time and request needed repairs. Any warranty work must be authorized by Reliable Transmission Service BEFORE any work is performed. A reasonable amount of time must be allowed for the distributor to perform necessary repairs.
- ◆ **WARRANTY PERIOD:**
 - **IF THE TRANSMISSION WAS INSTALLED BY AN AUTHORIZED SERVICE OUTLET** – the warranty period for all coverage's for transmissions installed by an Authorized Service Outlet shall begin on the date the transmission is delivered to the first retail purchaser. The warranty beginning date is not to exceed one year from the date of retail purchase. The warranty period for all coverage's shall end at the expiration of the coverage set forth below.
 - **IF THE TRANSMISSION WAS SOLD "OVER THE COUNTER"** – the warranty period begins the date of the sale for "over the counter" Rebuilt and Remanufactured purchases.
 - ALL TRANSMISSIONS WHICH END IN 'RB' – REBUILT – CARRY A **12 MONTH WARRANTY. EXCEPT MODEL MT654**
 - ALL TRANSMISSIONS WHICH END IN 'RM' – REMANUFACTURED – CARRY A **24 MONTH WARRANTY.**

WHAT IS NOT COVERED

- ◆ **LABOR COSTS FOR TRANSMISSION REMOVAL AND INSTALLATION** – this warranty does not cover any labor costs associated with the removal and replacement of a rebuilt or remanufactured transmission when the rebuilt or remanufactured transmission was previously installed by anyone other than an Authorized Allison Transmission Service Outlet or purchased “over the counter”.
- ◆ **DAMAGE DUE TO ACCIDENT, MISUSE OR ALTERATION** – defects and damage caused as a result of any of the following are not covered:
 - Flood, collision, fire, theft, freezing, vandalism, riot, explosion, or objects striking the vehicle;
 - Misuse of the vehicle;
 - Installation into unapproved applications and installations;
 - Alterations or modifications of the transmission or the vehicle; and
 - Anything other than defects in Reliable Transmission Services material or workmanship.
- ◆ **NOTE:** This warranty is void on transmissions used in vehicles currently or previously titled as salvaged, scrapped, junked or totaled.
- ◆ **DAMAGE CAUSED BY LACK OF MAINTENANCE OR BY THE USE OF TRANSMISSION FLUIDS NOT RECOMMENDED IN THE OPERATOR’S MANUAL** – defects and damages caused by any of the following are not covered:
 - Failure to follow the recommendations of the maintenance schedule intervals applicable to the transmissions;
 - Failure to use transmission fluids or maintain transmission fluid levels recommended in the operator’s manual.
- ◆ **MAINTENANCE** – normal maintenance (such as replacement of filters, screens, and transmission fluid) is not covered and is the owner’s responsibility.
- ◆ **REPAIRS BY UNAUTHORIZED DEALERS** – defects and damage caused by a service outlet that is not an authorized Allison transmission distributor or dealer are not covered.
- ◆ **USE OF OTHER THAN GENUINE ALLISON TRANSMISSION PARTS** – defects and damage caused by the use of parts that are not genuine Allison transmission parts or authorized Allison rebuilt transmission parts are not covered.
- ◆ **EXTRA EXPENSES** – economic loss and extra expenses are not covered. Examples include but are not limited to: loss of vehicle use; inconvenience; storage; payment for loss of time or pay; vehicle rental expense; lodging; meals; towing; travel time; travel mileage; or other travel costs.

WARRANTY AND LIABILITY LIMITATION

This warranty is the only warranty applicable to the Reliable Transmission Service models listed for GSA and is expressly in lieu of any other warranties, expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose. Reliable Transmission Service does not authorize any person to create for it any other obligation or liability in connection with such transmissions. Reliable Transmission Service shall not be liable for incidental or consequential damages resulting from breach of this warranty or any implied warranty even if it has been advised of the potential for such damages.

QUESTIONS

If you have any questions regarding this warranty or the performance of the warranty obligations, please contact Reliable Transmission Services at (813) 677-8883.
