- B. Alternative Fuel (E85, F.F.V and other reduced pollutant) vehicles

ABOUT MADISON CAPITAL EQUIPMENT & VEHICLE LEASING

Vehicle leasing has been our business for over 30 years. We have over 100 years of combined experience in vehicle fleet management consulting. Our focus is on outstanding service, prompt response, and knowledgeable support to our customers.

Whatever your agency needs in order to "go" can be leased through Madison Capital. Our leasing plans enable you to acquire, upgrade or replace vehicles easily and economically.

Madison Capital manages your lease decision every step of the way. We find the lowest acquisition price and highest resale vehicles so you have lower payments than with traditional financing methods. We maximize end-of-lease values, so you pay for only the portion of the vehicle's life (or value) used during the time of the lease.

No fleet is too large, too small, or too specialized for our vehicle oriented programs. We are looking forward to being of service to your agency.

If you have any questions, please use the following contact information:

Notes:

* All vehicle rates include 15,000 miles per year. Any excess mileage is calculated at \$.15 per mile. Lease rates include delivery to a franchised dealer in close proximity to the user. Maintenance, tags and registration are the responsibility of the Government.

Leases written longer than 12 months (24 or 36) and cancelled because of budgetary reasons will revert back to 12 month lease rate, with difference being back billed at lease termination.
