In 1978, Michael Chabalie had a desire to make changes to improve the quality of business at the Ziebart franchise where he worked for 25 years. In conjunction with Maryann Chabalie, Michael purchased the franchise and renamed it TME INC, Xtreme Car & Truck. Initially providing maintenance service for automobiles and trucks owned by the general population, Xtreme Car & Truck slowly branched into serving company fleets and corporate owned vehicles and trucks. In 1985, TME INC, Xtreme Car & Truck began serving several car dealerships. In 2009 Xtreme began participating in “fleet” services and in 2010 established an excellent working relationship with several gas drilling entities to provide superior service for their automotive fleet needs. Owner Michael Chabalie says, “We have developed successful relationships with prestigious firms by working with them, listening to what they need and want, ensuring that all jobs are complete by the agreed upon time frame and that the customer is fully satisfied.”

TME INC, Xtreme Car & Truck has 44 years of corporate experience of being a one stop shop for automotive and truck maintenance, services and accessories offering one of the largest selections of aftermarket car and truck parts and accessories in the Greater Pittsburgh area for Ford, Dodge, Chevy, Toyota, Nissan, Honda, VW, Subaru, Hyundai, Suzuki, Cadillac, Pontiac, GMC and more. Xtreme Car & Truck is the oldest dealer of spray-in bedliners in the Pittsburgh area and has all the top quality products and services available. Xtreme Car & Truck is a small business with seven employees consisting of five in the service department, one in the scheduling department, and the CEO of Operations, Michael Chabalie, who is on site Monday through Friday, 8 am to 5pm. As a family business many employees have been on board for all these years. “Our repeat customers appreciate seeing the same technicians and appreciate the “old school” business environment provided.” TME INC, Xtreme Car & Truck Accessories has grown from a $150,000 business to a $1,000,000 a year business by providing excellent service for a reasonable price. “Our quality service has built our reputation and our business.”
