Ordering Procedures

Please contact Larry Williams at Central Power Systems & Services (816) 792-9149 for identification of engine or transmission model(s) and part number(s).

Orders should be faxed to Central Power Systems & Services at (816) 792-9144.

Terms & Conditions

Invoices will include applicable core charges.

Credit for applicable core charges will be issued upon return, and after inspection.

Cores must be returned freight prepaid (shipper responsible for freight charges), on the same skid/container provided with the remanufactured unit, and within 30 days of original shipment.

Cores will only be accepted on a like for like basis.

Core credit will not be issued for any disassembled cores, or cores received after 30 days of original shipment.

Returned cores will be inspected for damaged or missing components.

Adjustments to core credits for damaged or missing components will be based on the following lists of charges:
