Price List
Terms & Conditions
Terms are Net 30. A prompt payment discount of 3% is also available if paid Net 10 instead.
**In House Mechanical Services**
We are a full service facility. We offer everything from truck washes to engine overhauls. Our belief is that you shouldn’t need to go to multiple shops for repairs, so we offer everything to meet your service, tire, lube, and wash needs.

**In House Labor**
Mechanical maintenance and/or repairs are billed at an hourly rate.

**Fleet Labor Rate**
Labor rate for fleets.

**Preferred Customer Rate**
Labor rate for preferred customers.

**Specials**
We have several package deals, parts and labor included, for common maintenance & repairs.

**Brake Adjustment**
Adjust brakes on either tractor or trailer.

**Clutch Adjustment**
Adjust clutch on tractor.

**A/C Special**
Remove and refill Freon in the A/C system. The evaporator core will be cleaned, belt tension will be checked along with all other A/C components. The system is then leak tested. An A/C recovery machine is utilized to reduce waste by reusing any existing Freon in the system and adding new Freon as needed until the system is full. The package includes up to one pound of Freon and any necessary labor.

**Alignment Special**
Align up to three axles on either tractor or trailer. A Hunter Alignment machine is utilized to ensure the best alignment possible. The package includes all necessary labor.

**Brake Special**
Replace the brake shoes on one axle, either steer, drive or trailer. The package includes new brake shoes and labor. Brake drums are available at an additional cost.

**Clutch Special**
Replace the clutch, pilot bearing and clutch brake. We also send the flywheel out to be resurfaced. The package includes a new clutch, pilot bearing, clutch brake, resurfacing of the flywheel and labor.

**King Pin Special**
Replace kingpins on the truck. The package includes new kingpins and labor.

**Overhead Special**
Run an overhead on the tractor. The package includes all labor necessary.
In House Tire Services
We offer all tire related services. Whether you need to purchase a new tire or just need a flat fixed, we handle it all.

Mount/Dismount
Wheel assembly is unbolted from unit. Tire is dismounted from wheel. Tire is mounted back onto wheel. Wheel assembly is reinstalled on unit. Lugnuts are tightened as needed.

Flat Repair
Wheel assembly is unbolted from unit. Tire is dismounted from wheel. Tire is then repaired. Tire is mounted back onto wheel. Wheel assembly is reinstalled on unit. Lugnuts are tightened as needed.

Balance

Tire Rotation
Wheel assembly is unbolted from unit. Wheel assembly is rebolted to unit at a new wheel position.

Regroove
Use regroove on tire. Tire must be regroovable for this service.

Roadside Breakdown Service
We offer road service for both mechanical and tire breakdowns. Service is available 24 hours a day, 7 days a week including holidays. We have a target ETA of 60 minutes or less, subject to change based upon the physical location of the breakdown. Calls cancelled within 15 minutes after initiation will not be subject to the callout fee. For breakdowns beyond a 25 mile radius from our location in Troy, Texas additional mileage fees may be assessed.

Mechanical Breakdowns

Mechanic Service Callout Fee
There is a callout fee for all mechanic road services.

Roadside Labor Rate
Roadside labor is billed at an hourly rate with a one hour minimum charge. Additional labor is accrued based on time and services provided.

Tire Breakdowns

Tire Service Callout Fee
There is a callout fee for all tire road services.
Mounts/dismounts roadside
Unbolt wheel assembly from unit. Remove tire from wheel. Reinstall tire on wheel. Re-bolt wheel assembly to unit. Torque lugnuts as needed.

Flat repairs roadside
Unbolt wheel assembly from unit. Remove tire from wheel. Patch tire. Reinstall tire on wheel. Re-bolt wheel assembly to unit. Torque lugnuts as needed.

Preventative Maintenance Services
Oil change pricing reflects typical filter configurations for Series 60 Detroit, Cummins N14 & M11, and Cat 3406E & C models. Add $50 for Signature and ISX/ISM Series engines. Add $25 for DD15 engines. Filters are Napa Gold Series, other brands available at an additional cost.

Tractor Lube
Grease tractor.

Trailer Lube
Grease trailer.

Combo Lube
Grease tractor and trailer.

Premium Oil Change
Drain and refill oil with your choice of Valvoline Premium Blue, Delvac 1300 or Rotella T to capacity (up to 11 gallons). Replace up to three oil filters and up to two fuel filters. Lube tractor. Inspect gearboxes. Check antifreeze/DCA. Replace either one water filter or add one bottle of DCA. Perform 31 Point Inspection. Brake adjustment. Clutch adjustment. Check air pressure and tread depth of all tires. Additional oil filters, fuel filters, water filters, fuel separator filters, air filters not included but are also available at an additional cost. Upgrade to CAT filters at an additional cost.

Value Oil Change
Drain and refill oil with your choice of Valvoline Premium Blue, Delvac 1300 or Rotella T to capacity (up to 11 gallons). Replace up to two oil filters and up to one fuel filter. Lube tractor. Inspect gearboxes. Check antifreeze/DCA. Replace either one water filter or add one bottle of DCA. Perform 31 Point Inspection. Additional oil filters, fuel filters, water filters, fuel separator filters, air filters not included but are also available at an additional cost. Upgrade to CAT filters at an additional cost.

Express Oil Change
Drain and refill oil with your choice of Valvoline Premium Blue, Delvac 1300 or Rotella T to capacity (up to 11 gallons). Replace up to two oil filters and up to one fuel filter. Lube tractor. Inspect gearboxes. Check antifreeze/DCA. Additional oil filters, fuel filters, water filters, fuel separator filters, air filters not included but are also available at an additional cost. Upgrade to CAT filters at an additional cost.
Basic Oil Change
Drain and refill oil with Valvoline Premium Blue to capacity. Replace up to two oil filters. Rotella T and Delvac 1300 oils are available at an additional cost. Additional oil filters, fuel filters, water filters, fuel separator filters, air filters not included but are also available at an additional cost. Upgrade to CAT filters at an additional cost.

Radiator Flush
Drain all antifreeze. Flush radiator. Refill with antifreeze.

Wash Bay Services
For your convenience we also offer a wide variety of wash services.

Exterior Washes

Tractor Wash
Wash tractor exterior with scrub brushes, pressure washer, and soap.

Trailer Wash – Box/Van
Wash box/van style trailer exterior with scrub brushes, pressure washer, and soap.

Trailer Wash – Tanker
Wash tanker style trailer exterior with scrub brushes, pressure washer, and soap.

Trailer Wash – Hopper
Wash hopper style trailer exterior with scrub brushes, pressure washer, and soap.

Trailer Wash – Flatbed
Wash flatbed style trailer exterior with scrub brushes, pressure washer, and soap.

Combo Wash – Box/Van
Wash tractor exterior with scrub brushes, pressure washer, and soap. Wash box/van style trailer exterior with scrub brushes, pressure washer, and soap.

Combo Wash – Tanker
Wash tractor exterior with scrub brushes, pressure washer, and soap. Wash tanker style trailer exterior with scrub brushes, pressure washer, and soap.

Combo Wash – Hopper
Wash tractor exterior with scrub brushes, pressure washer, and soap. Wash hopper style trailer exterior with scrub brushes, pressure washer, and soap.

Combo Wash – Flatbed
Wash tractor exterior with scrub brushes, pressure washer, and soap. Wash flatbed style trailer exterior with scrub brushes, pressure washer, and soap.
**Interior Washouts**

**Trailer Washout – Box/Van**
Rinse out box or van style trailer interior with pressure washer.

**Trailer Washout – Tanker**
Rinse out tanker style trailer interior with pressure washer.

**Trailer Washout – Hopper**
Rinse out hopper style trailer interior with pressure washer.

**Add On Wash Services**

**Engine Wash**
The engine compartment is opened and cleaned using a pressure washer and soap.

**Aluminum Brightener – Tractor**
Aluminum brightener is added during the wash process to the wheels and tanks of the tractor.

**Aluminum Brightener – Trailer**
Aluminum brightener is added during the wash process to the wheels and aluminum components of the trailer. Price is based upon a tanker style trailer.
