14. Warranty provision. Quality Vans & Specialty Vehicles warrants all conversion work to the original purchaser ("Owner") those upfit components of the vehicle shall be free from substantial defects in materials and workmanship only attributable to Quality Vans & Specialty Vehicles ("Warrantor") that materially impair the value of the vehicle which arise under normal use, maintenance and service for a period of twelve (12) months from the original delivery date or twelve thousand (12,000) miles, whichever comes first. All major components and sub-assemblies, such as emergency lighting, generators, air conditioners, computers, etc. are covered by the warranties of their respective manufacturers. Questions regarding specific warranty claims should be directed to Quality Vans & Specialty Vehicles.

The Owner's sole and exclusive remedy under this warranty shall be repair or replacement (at Quality Vans & Specialty Vehicles sole option) of the defective component by an authorized Quality Vans & Specialty Vehicles warranty facility. Owner shall bear all expenses arising out of or relating to transporting the product to the appropriate warranty service location designated by the Warrantor. If Warrantor or its authorized service facility fails to repair or replace any defective component within a reasonable time, then Warrantor shall be liable for the lesser of (i) the reasonable cost of repair or replacement by a third party or (ii) that part of the purchase price of the component that shall have been paid by the Owner to Warrantor, but the Owner shall not obtain repair or replacement by a third party without giving the Warrantor at least 15 days prior written notice, during which time the Warrantor (or its authorized service facility) may repair or replace the defective product.

This warranty shall be void and the Warrantor shall be relieved from any of all obligations hereunder, if:

Owner misuses or neglects the motor vehicle or the components, fails to provide reasonable and necessary maintenance, performs or has performed unauthorized alterations or modifications of the components. The motor vehicle is sold or any of the components are removed or altered. Owner fails to comply with the warranty registration requirements described above.
