#### **SIN 653-8 OFFICE AND INDUSTRIAL RELOCATION**

Planning and executing the relocation of Government offices from one facility to another is a complicated undertaking that requires many specialized skills and a high level of knowledge and experience. Whether moving across town or to another state, a lot goes into relocating an office entity; and the success or failure of each Government move will ultimately be based upon whether you finish on successful planning, completion within budget, and whether business continues without interruption. To aid in each area, Berger Management Solutions offers:

- Expert facility move consulting
- Warehousing and asset management
- Windfall warehouse management system
- Dedicated, experienced project management
- Detailed relocation plan consistent with your time and budget constraints
- Accurate time and cost estimates
- On-site project management
- CAD space planning
- Systems furniture disassembly and assembly
- Computer network disassembly and assembly
- Records/files relocation
- Thorough preparation of move sites (including wall-padding and floor protection)
- Specialized equipment
- Full-service short- and long-term warehousing
- Experienced, professional personnel
- IOMI-certified movers (International Office Moving Institute)
- 10-color location coding
