GSA PRICING

Reston Limousine’s current pricing model for Vehicle Type is similar to a firm-fixed price situation which is inclusive of fees, such as “Garage Time”, to cover the additional time required and included in its “MINIMUM CHARGE”.

The pricing model specific to Services Type is a result of meeting compliance requirements with Department of Transportation (DOT) regulations. DOT requires commercial motor vehicle (CMV) drivers to conduct a “pre” and “post” check of the vehicle they are driving for safety and properly functioning equipment. Therefore, the “MINIMUM CHARGE” is not based on the minimum number of hours multiplied by the additional hourly rate because the “minimum charge” is inclusive of the “Garage Time” fee.
