0%, Net 30
- 9a. Government purchase cards *are accepted* at or below the micro-purchase threshold.
- 9b. Government purchase cards *are not accepted* above the micro-purchase threshold.
10. Foreign items (list items by country of origin).
Not Applicable
- 11a. Time of delivery.
SINs 411-2: Penske Truck Leasing Co., L.P. has set itself apart from its competitors by recognizing that each business opportunity is unique, so we will always work with all our customers to try to meet their requirements. With that in mind, short-term requests for delivery on the same day are subject to vehicle availability. Those who have made high-volume requests must make cancellations 48 hours in advance or be subject to a cancellation fee at the discretion of the applicable renting location.

- 11b. Expedited Delivery. The Contractor will insert the sentence "Items available for expedited delivery are noted in this price list." under this heading. The Contractor may use a symbol of its choosing to highlight items in its price lists that have expedited delivery.

Short-term requests for delivery on the same day are subject to vehicle availability. Those who have made high-volume requests must make cancellations 48 hours in advance or be subject to a cancellation fee at the discretion of the applicable renting location.

- 11c. Overnight and 2-day delivery. The Contractor will indicate whether overnight and 2-day delivery are available. Also, the Contractor will indicate that the schedule customer may contact the Contractor for rates for overnight and 2-day delivery.

Short-term requests for delivery on the same day are subject to vehicle availability. Those who have made high-volume requests must make cancellations 48 hours in advance or be subject to a cancellation fee at the discretion of the applicable renting location.

- 11d. Urgent Requirements. The Contractor will note in its price list the "Urgent Requirements" clause of its contract and advise agencies that they can also contact the Contractor's representative to effect a faster delivery.

Short-term requests for delivery on the same day are subject to vehicle availability. Those who have made high-volume requests must make cancellations 48 hours in advance or be subject to a cancellation fee at the discretion of the applicable renting location.

12. F.O.B. point(s).

Destination

- 13a. Ordering address(es).

**Penske Truck Leasing Co., L.P.
Rte. 10 Green Hills P.O. Box 563
Reading, PA 19603**

- 13b. Ordering procedures: For supplies and services, the ordering procedures, information on Blanket Purchase Agreements (BPA's) are found in Federal Acquisition Regulation (FAR) 8.405-3.

14. Payment address(es).

**Penske Truck Leasing Co., L.P.
PO Box 827380
Philadelphia, PA 19182-7380**

15. Warranty provision.

Not Applicable

16. Export packing charges, if applicable.

Not Applicable

17. Terms and conditions of Government purchase card acceptance (any thresholds above the micro-purchase level).

Penske Truck Leasing Co., L.P. will accept Government Purchase Cards for purchases up to, but not above the micro purchase threshold of \$2,500.

18. Terms and conditions of rental, maintenance, and repair (if applicable).

Pick-Up and Return Service:

Vehicles will be available for pick-up at the time requested at the location requested unless prior arrangements are made with the renting location for renter pickup or vehicle delivery.

Roadside Assistance:

Penske employs 74 coordinators, 5 purchase order coordinators, 5 Supervisors, 1 analyst, and a director. We offer a nationwide serviced staffed 365 days a year and 24 hours a day. Each coordinator has a prerequisite knowledge of the transportation industry. They also have monthly training sessions with major Original Equipment Manufacturers. Penske has a database of 21,000 suppliers and 700 corporate locations who are rated and updated continuously. The rating is based upon response time and customer/driver feedback.

The assistance center is designed to ensure that any Penske customer has an available resource to assist in returning a disabled vehicle back to service in a professional, timely, and expedient manner. This is accomplished through the collaborative efforts of the SOS department, Penske's facilities, and/or independent road service providers.

Driver Requirements:

Vehicle shall not be operated by any person except customer and the following Authorized operators who must be 21 years of age, duly qualified and validly licensed to operate the vehicle, and have prior permission from the customer. Authorized operators for a commercial rental are: the employee, partner, executive officer, or regular employee, or additional authorized operator approved by Penske in writing. Authorized operators for a household rental are: customer and persons 18 or more years of age who are members of the immediate family of the customer and who permanently reside in the customer's household or are listed as additional operators on the rental agreement.

Drivers must show a minimum of two (2) forms of identification when picking up a rental truck. One form of identification must be a valid photo driver's license. Second form of identification can include: valid passport, federal and state ID cards, current visa, current military identification, birth certificate, association ID, employment-issued ID, major credit cards, health plan ID and store credit cards. If driver's license does not have a photo, you must provide another acceptable and current form of photo identification.

19. Terms and conditions of installation (if applicable).

Not Applicable

- 20a. Terms and conditions of repair parts indicating date of parts price lists and any discounts from list prices (if applicable).

Not Applicable

21. List of service and distribution points (if applicable).

Penske Truck Leasing Co., L.P. has 365 commercial truck rental facilities throughout the U.S. For additional details, directions, or contact information, please visit www.pensketruckrental.com

22. List of participating dealers (if applicable).

Not Applicable

23. Preventive maintenance (if applicable).

Our preventative maintenance program uses the latest technology to analyze maintenance history and frequency of component failure to prevent future occurrences to our commercial rental fleet. Our ServiceNet system improves the performance and dependability of our trucks. We measure maintenance quality to the smallest detail. Our measurements are used to assure the best service is provided. We schedule preventive maintenance and inspections around the customer's schedule. Penske mechanics are trained and highly skilled on the latest vehicle and maintenance technology in the industry.

Increasing the customer's uptime is an ongoing Penske process. We use data capture for the lifetime of the vehicle to measure the performance. We provide feedback from component life/failure to the OEM's for retrofit and redesign. Engine performance and fluid analysis are monitored and defect levels noted.

- 24a. Special attributes such as environmental attributes (e.g., recycled content, energy efficiency, and/or reduced pollutants).

None

- 24b. If applicable, indicate that Section 508 compliance information is available on Electronic and Information Technology (EIT) supplies and services and show where full details can be found (e.g. contractor's website or other location.) The EIT standards can be found at: www.Section508.gov/.
