## Company Overview

Stevens Worldwide Van Lines, headquartered in Saginaw, Michigan is an independently owned and operated global relocation services provider, in business since 1905. In addition to the corporate headquarters Stevens owns and operates six (6) company owned agencies employing 197 dedicated personnel and additional seasonal staff members. Stevens' fleet contains 418 Professional Van Operators.

Remaining independent and growing through client satisfaction has allowed Stevens to strike a strategic balance of high-touch, high-tech service. Stevens' effective move management process enables our expert and experienced staff to focus on personal communications with transferees and service providers, ensuring customer and client satisfaction throughout the household goods move process. Our information technology system and financial processes provide the quality assurances, cost containment and service efficiencies that the Government is seeking.

Stevens has the technology, infrastructure and expertise to support all needs of a move:

- Household goods relocations
- Office/Industrial relocations
- Storage in transit
- IT communications Equipment
- HI-Tech products, electronics, exhibits and Displays
- Special commodity
- Records Storage
- Furniture, Fixtures and Equipment

Our company capabilities are further augmented by our network relationships with quality household goods transportation service providers. With more than a century in the relocation industry, Stevens has developed strategic partnerships across the US and internationally, allowing only those service providers who meet stringent, measurable quality standards to remain our partners.

## Mission

Stevens is the leader in the relocation industry and sets the standards for service, quality, value and customer commitment as well as investment and support of its employees and partners.

## Values

**W**ork Ethic - We value a strong work ethic while balancing work and family life. Harnessing this work ethic through teamwork and collaboration shall be the foundation of our success.

**E**nthusiasm - We project a positive spirit that is supportive and optimistic. We are proud to work for Stevens Worldwide Van Lines.

**C**ustomer Service - We recognize that we exist to serve our customers and agents. We commit to an unsurpassed level of service to all our customers.

**A**ccountability - We are responsible to our communities, our organization and to each other.

**R**espect - We display a high regard for the personal dignity and the uniqueness of those whom we serve. We treat others as we want to be treated.

**E**xcellence - We strive through empowerment to continuously improve our services to our customers and agents.

### WE CARE

## Quality Program

Stevens is committed to delivering quality customer and client service. Our Total Customer Satisfaction (TCS) Program began with a corporate vision of service excellence plus a plan to get there. TCS was designed to help us prevent service problems rather than react to them. We have established quantitative service objectives and methods to measure and monitor quality...and put into practice internal incentive plans to reward quality-related achievements.

Stevens implements various quality protocols providing continuing training to service providers and was one of the first transportation companies to earn the stringent ISO 9001 certification. Our ISO certification ensures quality runs throughout our organization, from the service providers who handle relocations all the way up to senior management.
