- 1b. Lowest Price Model: Label Pack \$0.00
- 1c. Labor Categories

Project manager – The Project Manager works with client, from the initial consultation to the completion of the project. The Project Manager finds out client’s needs, project tasks, and schedule requirements. Throughout the project, the Project Manager supervises the team and assures that budget, schedule and work requirements are met. Responsibilities include the allocation of resources-vehicles, equipment, personnel and materials. This position requires a minimum of a high school education and a minimum of five years of experience in project planning and management, and office and household relocation services.

Supervisor - The Supervisor serves as liaison between the crew and the client. Works closely with the project manager to ensure that all resources assigned to the job are properly managed. The supervisor works with the crew to ensure that safety and quality measures are met. The supervisor is involved at all stages of the move or project, and is in charge of verifying that labor and material resources are used according to client’s requirements. This position requires a high school education and a minimum of three years of office relocation experience.
