Customer Information:

1a. Table of awarded special item number(s) with appropriate cross-reference to item descriptions and awarded price(s):
SIN 541614OR; SIN 541614OR RC Office Relocation and Reconfiguration
SIN OLM; OLM RC; OLM STLOC: Order-Level Materials (OLM)

1b. Lowest Price Model: Label Pack $0.00

1c. Labor Categories:

Project Manager

Functional responsibilities: The Project Manager works with client, from the initial consultation to the completion of the project. The Project Manager finds out client’s needs, project tasks, and schedule requirements. Throughout the project, the Project Manager supervises the team and assures that budget, schedule and work requirements are met. Responsibilities include the allocation of resources-vehicles, equipment, personnel and materials.
Minimum Education: Four (4) year degree or project management certification or license
Minimum Experience: Three (3) years

Supervisor

Functional responsibilities: The Supervisor serves as liaison between the crew and the client. Works closely with the project manager to ensure that all resources assigned to the job are properly managed. The supervisor works with the crew to ensure that safety and quality measures are met. The supervisor is involved at all stages of the move or project and is in charge of verifying that labor and material resources are used according to client’s requirements.
Minimum Education: High School or equivalent education
Minimum Experience: Three (3) years

The below Support Positions are governed by the DOL SCA Directory of Occupations: www.wdol.gov

Mover

Functional responsibilities: Performs physical tasks to transport or store materials or merchandise. Duties involve one or more of the following: Manually loading or unloading freight cars, trucks, or other transporting devices; unpacking, shelving, or placing items in proper storage locations; or transporting goods by hand truck, cart, or wheelbarrow.
Minimum Education: High school or equivalent education preferred
Minimum Experience: At least 2 years of experience supporting office move activities or other moving activities for commercial office furniture and equipment.
Packer

**Functional responsibilities:** Prepares finished products for shipment or storage by placing them in shipping containers, the specific operations performed being dependent upon the type, size, and number of units to be packed, the type of container employed, and method of shipment. Work requires the placing of items in shipping containers and may involve one or more of the following: Knowledge of various items of stock in order to verify content; selection of appropriate type and size of container; inserting enclosures in container; using excelsior or other material to prevent breakage or damage; closing and sealing container; and applying labels or entering identifying data on container.

**Minimum Education:** High school or equivalent

**Minimum Experience:** At least 1 year of experience supporting office move activities or other moving activities.

Installer

**Functional responsibilities:** Assemble and disassemble specialized equipment.

**Minimum Education:** High school or equivalent

**Minimum Experience:** At least 1 year of experience supporting office move activities or other moving activities for office furniture and equipment.

Forklift Operator

**Functional responsibilities:** The Forklift Operator operates a manually controlled gasoline, electric or liquid propane gas powered forklift to transport goods and materials of all kinds within a warehouse, manufacturing plant, or other establishment.

**Minimum Education:** High school or equivalent. Licensed and certified to operate forklifts.

**Minimum Experience:** At least 1 year of experience supporting office move activities or other moving activities.

Warehouse Specialist

**Functional responsibilities:** As directed, the Warehouse Specialist performs a variety of warehousing duties that require an understanding of the establishment's storage plan. Work involves most of the following: verifying materials (or merchandise) against receiving documents, noting and reporting discrepancies and obvious damages, routing materials to prescribed storage locations; storing, stacking, or palletizing materials in accordance with prescribed storage methods, rearranging and taking inventory of stored materials, examining stored materials and reporting deterioration and damage, removing material from storage and preparing it for shipment. This worker may operate hand or power trucks in performing warehousing duties.

**Minimum Education:** High school or equivalent

**Minimum Experience:** At least 1 year of experience in performing warehousing duties.

2. **Maximum order:**
   - SIN 541614OR; 541614OR RC: $500,000.00
   - SIN OLM; OLM RC; OLM STLOC: $250,000.00
3. **Minimum order:** $100.00

4. **Geographic coverage:** State of California. Counties of Alameda, Contra Costa, Marin, Napa, San Francisco, San Mateo, Santa Clara, Solano and Sonoma. The Geographic Scope of Contract will be domestic delivery only.

5. **Point(s) of production:**
