Performance History

CBT Logistics demonstrates, in detail, our knowledge and understanding of how system furniture and relocation services are accomplished. We understand the feasibility of technical approaches and the methods used to accomplish efficient and timely completion of services.

General Services Administration - Provided relocation, surplus / recycling and installation services for the GSA. The project for the AmeriCorp group encompassed the relocation of the Administrative offices and its staff members. In addition CBT relocated the campus kitchen, warehouse and both campus dorm halls consisting of over 80 rooms including its contents in a safe and responsible manner.

United States Geological Survey - Provided all materials and space planning for the relocation of the staff members and their contents between various floors and buildings. Coordinated additional services which incorporated movement and dismantling of several cubicles and miscellaneous furniture items for recycling.

Bureau of Reclamation - Provide installation services for systems furniture, which includes: installation, tear down and transportation of product. Also providing repair services on an as needed basis. To the extreme satisfaction of the customer.

No matter what the project CBT Logistics has a Solution!
