Provide security personnel with a tool to rapidly identify patterns. Agency must license each facility owned, managed and operated by the agency.</td>
<td>EA</td>
<td>$42,861.31</td>
</tr>
<tr>
<td>ATG-Invest</td>
<td><strong>Critical Incident Management &amp; Investigation System</strong> - Tracks, documents and coordinates intra-agency and public communication about incidents, manages inmate and staff investigations, and evidence control. Agency must license each facility owned, managed and operated by the agency.</td>
<td>EA</td>
<td>$46,290.68</td>
</tr>
</tbody>
</table>

* Agency must license each facility owned, managed, and operated by the agency. Number of licenses needed for each such facility is determined by the facility's "offender count" divided by 1000 rounded up to the nearest whole number. This License fee is a one-time fee that provides perpetual right to use the software for the named institution.

* Minimum education requirement is Bachelor’s Degree or equivalent combination of education and work experience.
Special Item No. 54151 Software Maintenance Services

Annual Fees for “Maintenance of Software” is eight percent of license and customization fees. This fee is computed once at the beginning of each year.

Provide upgrades to ensure compatibility with newer versions of underlying infrastructure software such as operating systems, database management systems, web servers, etc. Since these are customized applications, “Maintenance of Software” does not mean additional features; those are developed and delivered as special-request customizations. Additional support on an ala carte basis is available.

2. Maximum Order

The Maximum Order value for the following Special Item Numbers (SINs) is $500,000:

- Special Item No. 511210 Software Licenses
- Special Item No. 54151 Software Maintenance Services
- Special Item No. 54151S Information Technology Professional Services

3. Minimum Order

The minimum dollar value of orders to be issued is $100.00.

4. Geographic Coverage

Domestic delivery only

5. Point(s) of Production

All items are U.S. made end products

6. Discounts from List Prices or Statement of Net Price

Prices shown are NET Prices; basic discounts have been deducted.

7. Quantity Discounts

1601 48th Street, Suite 220
West Des Moines, IA 50266

15. Warranty provision.
For three hundred and sixty five (365) days (the "Warranty Period") from the Customer's date of purchase, ATG warrants for the Customer's benefit alone, that (i) the Software will substantially conform to the applicable Documentation and (ii) the media on which the Software is distributed and the Documentation (if any) are free from defects in materials and workmanship and, (iii) during the Warranty Period, the Software will operate substantially in accordance with the Documentation. If during the Warranty Period an error in the Software occurs, the Customer may return the Software to ATG for either repair or replacement, or if so elected by ATG, refund of the license fee paid by the Customer under this Agreement.
THE FOREGOING ARE THE ONLY WARRANTIES PROVIDED BY ATG AND ATG DISCLAIMS ANY AND ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

Because computer software is inherently complex and may not be completely free of errors, it is the Customer’s responsibility to verify its work and to make backup copies, and ATG will not be responsible for the Customer’s failure to do so. ATG’s cumulative liability to the Customer or any party for any loss or damages resulting from any claims, demands, or actions arising out of or relating to this Agreement shall not exceed the license fee paid to ATG for the applicable Software.

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL ATG BE LIABLE FOR INDIRECT, SPECIAL, INCIDENTAL, ECONOMIC, EXEMPLARY, OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OF OR INABILITY TO USE ATG PRODUCTS OR SERVICES, INCLUDING, WITHOUT LIMITATION, DAMAGES OR COSTS RELATING TO THE LOSS OF PROFITS, BUSINESS, GOODWILL, DATA, OR COMPUTER PROGRAMS, EVEN IF ATG HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE FOREGOING EXCLUSION/LIMITATION OF LIABILITY SHALL NOT APPLY (1) TO PERSONAL INJURY OR DEATH CAUSED BY ATG’S NEGLIGENCE; (2) FOR FRAUD; OR (3) FOR ANY OTHER MATTER FOR WHICH LIABILITY CANNOT BE EXCLUDED BY LAW.

The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.

Limitation of Liability. Except as otherwise provided by an express or implied warranty, the Contractor will not be liable to the ordering activity for consequential damages resulting from any defect or deficiencies in accepted items.

20a. Terms & Conditions for any other services (if applicable).

Advanced Technologies Group LLC (ATG) Perpetual Software License Agreement

READ THE TERMS AND CONDITIONS OF THIS AGREEMENT CAREFULLY BEFORE LOADING, AND/OR OTHERWISE USING THE SOFTWARE. THIS AGREEMENT, TOGETHER WITH THE SCHEDULE PRICE LIST, THE UNDERLYING GSA SCHEDULE CONTRACT, AND ANY APPLICABLE GSA CUSTOMER PURCHASE ORDERS REPRESENTS THE ENTIRE AGREEMENT CONCERNING THE SOFTWARE BETWEEN THE GSA CUSTOMER AND ATG, AND THEY SUPERSEDE ANY PRIOR PROPOSAL OR UNDERSTANDING BETWEEN THE GSA CUSTOMER AND ATG. THIS AGREEMENT, HOWEVER SHALL NOT TAKE PRECEDENCE OVER THE TERMS OF THE UNDERLYING GSA SCHEDULE CONTRACT OR ANY SPECIFIC, NEGOTIATED TERMS ON THE GOVERNMENT’S PURCHASE ORDER.

THE GSA CUSTOMER ACCEPTS AND AGREES TO THE TERMS OF THIS AGREEMENT, AND THEREBY CREATES A CONTRACTUAL AGREEMENT BETWEEN THE GSA CUSTOMER AND ATG. IF THE GSA CUSTOMER IS NOT WILLING TO BE BOUND BY THE TERMS OF THIS AGREEMENT, THE GSA CUSTOMER SHOULD NOT DOWNLOAD, INSTALL, OR USE THE SOFTWARE, AND PROMPTLY RETURN THE SOFTWARE AND ASSOCIATED DOCUMENTATION.

1. LICENSE GRANT

ATG grants to the GSA Customer, a perpetual, non-exclusive, and non-transferable license to use software program(s) provided by ATG, and the accompanying user documentation ("Documentation"), (collectively, the "Software") as purchased by the GSA Customer only as authorized in this Agreement. The GSA Customer may not assign, transfer, rent, or sublicense the Software. The Software consists of proprietary products of ATG or its third party suppliers, and the proprietary rights that protect such property may include, but are not limited to, U.S. and international copyrights, trademarks, patents, and trade secret laws of general applicability. All right, title and interest in and to the Software are and shall remain with ATG or its third party suppliers, as applicable. This Agreement does not convey to the GSA Customer any interest in or title to the Software, but only a limited right of use, revocable in accordance with its terms.

ATG software is licensed to a named prison facility that is owned, operated and managed by the particular ordering activity that purchased the license. The software can only be used to manage information about inmates residing at the named prison facility. The license does not limit number of users, even from other agencies that need access to the information stored. The licenses are not transferable between agencies or between prison facilities within an agency. The only exception to the previous statement is that in the event that a prison facility is permanently closed, the agency can transfer that prison’s license to another prison facility owned, operated and managed by the same agency.

The GSA Customer may use the Software on unlimited number of computers to support residents of facilities licensed for using this software. The GSA Customer may only license software for facilities that are owned, operated and managed by the GSA Customer.

For Software provided to the GSA Customer for an evaluation period, the GSA Customer may use the Software until the completion of the evaluation period.

2. CONSENT TO USE OF DATA

The GSA Customer agrees that ATG and its subsidiaries may collect and use technical and related information, subject to Government information security requirements, including but not limited to technical information about the GSA Customer’s computer, system and application software, and peripherals, that is
gathered periodically to facilitate the provision of software updates, product support and other services to the GSA Customer (if any), and to verify compliance with the terms of this License.

3. INSTALLATION AND RESTRICTIONS
The GSA Customer assumes responsibility for selection of the Software to achieve the GSA Customer’s intended results and for the installation, use, and valid operation of the Software. The GSA Customer agrees at all times to maintain records specifically identifying the Software and the personal computers on which the Software is being used and to make such records available for inspection by ATG, subject to Government information security requirements during normal business hours.

The GSA Customer may make copies of the software media solely for backup, disaster recovery, or archival purposes, which copies shall contain ATG’s copyright and other proprietary notices. The GSA Customer may not modify, translate, adapt, decompile, disassemble, decrypt, extract, or otherwise reverse engineer or attempt to discover the confidential source code and techniques incorporated in the Software. The GSA Customer may not create derivative software based on any trade secret or proprietary information of ATG.

4. LICENSE FEES
The license fees paid by the GSA Customer are in consideration of the licenses granted under this Agreement. If the Software is under evaluation and no license fees have been paid, this Agreement will expire at the end of the evaluation period unless the GSA Customer has purchased and activated a license.

5. TERMINATION
When the end user is an instrumentality of the US Government, recourse against the United States for any alleged breach of this Agreement must be made as a dispute under the Contract Disputes Clause (Contract Disputes Act) or under the terms of the Federal Tort Claims Act, as applicable. During any dispute under the disputes clause, the Contractor shall proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under the contract, and comply with any decision of the Contracting Officer.

6. LIMITED WARRANTY
For three hundred and sixty five (365) days (the "Warranty Period") from the GSA Customer’s date of purchase, ATG warrants for the GSA Customer’s benefit alone, that (i) the Software will substantially conform to the applicable Documentation and (ii) the media on which the Software is distributed and the Documentation (if any) are free from defects in materials and workmanship and, (iii) during the Warranty Period, the Software will operate substantially in accordance with the Documentation. If during the Warranty Period an error in the Software occurs, the GSA Customer may return the Software to ATG for either repair or replacement, or if so elected by ATG, refund of the license fee paid by the GSA Customer under this Agreement.

THE FOREGOING ARE THE ONLY WARRANTIES PROVIDED BY ATG AND ATG DISCLAIMS ANY AND ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

7. LIMITATION OF LIABILITY
Because computer software is inherently complex and may not be completely free of errors, it is the GSA Customer’s responsibility to verify its work and to make backup copies, and ATG will not be responsible for the GSA Customer’s failure to do so. ATG’s cumulative liability to the GSA Customer or any party for any loss or damages resulting from any claims, demands, or actions arising out of or relating to this Agreement shall not exceed the license fee paid to ATG for the applicable Software.

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL ATG BE LIABLE FOR INDIRECT, SPECIAL, INCIDENTAL, ECONOMIC, EXEMPLARY, OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OF OR INABILITY TO USE ATG
PRODUCTS OR SERVICES, INCLUDING, WITHOUT LIMITATION, DAMAGES OR COSTS RELATING TO THE LOSS OF PROFITS, BUSINESS, GOODWILL, DATA, OR COMPUTER PROGRAMS, EVEN IF ATG HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE FOREGOING EXCLUSION/LIMITATION OF LIABILITY SHALL NOT APPLY (1) TO PERSONAL INJURY OR DEATH CAUSED BY ATG’S NEGLIGENCE; (2) FOR FRAUD; OR (3) FOR ANY OTHER MATTER FOR WHICH LIABILITY CANNOT BE EXCLUDED BY LAW.

8. U.S. GOVERNMENT RESTRICTED RIGHTS
If the Software is acquired on behalf of a unit or agency of the United States Government this provision applies.

Government personnel using this Software are hereby on notice that use of this Software is subject to rights, which are the same as, or similar to those specified above pursuant to FAR 52.227-14 “Rights in Data” (Dec. 2007).

9. GENERAL
This Agreement will be governed by the laws of the United States without regard to conflict of law principles. This software may not be exported outside the United States. Should any term of this Agreement be declared void or unenforceable by any court of competent jurisdiction, such declaration shall have no effect on the remaining terms hereof.

Terms of Service for Software Maintenance Services
i) Customer support to name personnel at the agency’s helpdesk personnel. ATG’s customer support functions as the second-level helpdesk, the agency’s internal helpdesk provides primary support to end users.

ii) Ensures the application continues to work on newer versions of operating systems, database servers and web-servers that are required for the application’s operation.

iii) It does NOT include any enhancements to the functionality of the application.

iv) If an agency lets their Software Maintenance lapse, it is at ATG’s sole discretion whether the Software Maintenance can be renewed, and if so, ATG will first require the agency to back pay Software Maintenance for the entire period it was lapsed.

Software maintenance as a service creates, designs, implements, and/or integrates customized changes to software that solve one or more problems and is not included with the price of the software. Software maintenance as a service includes person-to-person communications regardless of the medium used to communicate: telephone support, on-line technical support, customized support, and/or technical expertise which are charged commercially. Software maintenance as a service is billed arrears in accordance with 31 U.S.C. 3324.
