1. TECHNICAL SERVICES

The Contractor, without additional charge to the ordering activity, shall provide a hot line technical support number **877.247.2513** for the purpose of providing user assistance and guidance in the implementation of the software. The technical support number is available from **6AM PST to 6 PM PST**.

2. SOFTWARE MAINTENANCE

- a. Software maintenance as it is defined: (select software maintenance type) :

 X

1. Software Maintenance as a Product (SIN 511210)

Software maintenance as a product includes the publishing of bug/defect fixes via patches and updates/upgrades in function and technology to maintain the operability and usability of the software product. It may also include other no charge support that are included in the purchase price of the product in the commercial marketplace. No charge support includes items such as user blogs, discussion forums, on-line help libraries and FAQs (Frequently Asked Questions), hosted chat rooms, and limited telephone, email and/or web-based general technical support for user's self diagnostics.

Software maintenance as a product does NOT include the creation, design, implementation, integration, etc. of a software package. These examples are considered software maintenance as a service.

Software Maintenance as a product is billed at the time of purchase.

2. Software Maintenance as a Service (SIN 54151)

Software maintenance as a service creates, designs, implements, and/or integrates customized changes to software that solve one or more problems and is not included with the price of the software. Software maintenance as a service includes person-to-person communications regardless of the medium used to communicate: telephone support, on-line technical support, customized support, and/or technical expertise which are charged commercially. Software maintenance as a service is billed arrears in accordance with 31 U.S.C. 3324.

Software maintenance as a service is billed in arrears in accordance with 31 U.S.C. 3324.

- b. Invoices for maintenance service shall be submitted by the Contractor on a quarterly or monthly basis, after the completion of such period. Maintenance charges must be paid in arrears (31 U.S.C. 3324). **PROMPT PAYMENT DISCOUNT, IF APPLICABLE, SHALL BE SHOWN ON THE INVOICE.**

3. PERIODS OF TERM LICENSES (511210) AND MAINTENANCE

- a. The Contractor shall honor orders for periods for the duration of the contract period or a lesser period of time.
- b. Term licenses and/or maintenance may be discontinued by the ordering activity on thirty (30) calendar days written notice to the Contractor.
- c. Annual Funding. When annually appropriated funds are cited on an order for term licenses and/or maintenance, the period of the term licenses and/or maintenance shall automatically expire on September 30 of the contract period, or at the end of the contract period, whichever occurs first. Renewal of the term

licenses and/or maintenance orders citing the new appropriation shall be required, if the term licenses and/or maintenance is to be continued during any remainder of the contract period.

- d. Cross-Year Funding Within Contract Period. Where an ordering activity's specific appropriation authority provides for funds in excess of a 12 month (fiscal year) period, the ordering activity may place an order under this schedule contract for a period up to the expiration of the contract period, notwithstanding the intervening fiscal years.
- e. Ordering activities should notify the Contractor in writing thirty (30) calendar days prior to the expiration of an order, if the term licenses and/or maintenance is to be terminated at that time. Orders for the continuation of term licenses and/or maintenance will be required if the term licenses and/or maintenance is to be continued during the subsequent period.

4. CONVERSION FROM TERM LICENSE TO PERPETUAL LICENSE – NOT APPLICABLE

- a. The ordering activity may convert term licenses to perpetual licenses for any or all software at any time following acceptance of software. At the request of the ordering activity the Contractor shall furnish, within ten (10) calendar days, for each software product that is contemplated for conversion, the total amount of conversion credits which have accrued while the software was on a term license and the date of the last update or enhancement.
- b. Conversion credits which are provided shall, within the limits specified, continue to accrue from one contract period to the next, provided the software remains on a term license within the ordering activity.
- c. The term license for each software product shall be discontinued on the day immediately preceding the effective date of conversion from a term license to a perpetual license.
- d. The price the ordering activity shall pay will be the perpetual license price that prevailed at the time such software was initially ordered under a term license, or the perpetual license price prevailing at the time of conversion from a term license to a perpetual license, whichever is the less, minus an amount equal to _____% of all term license payments during the period that the software was under a term license within the ordering activity.

5. TERM LICENSE CESSATION – NOT APPLICABLE

- a. After a software product has been on a continuous term license for a period of _____ * months, a fully paid-up, non-exclusive, perpetual license for the software product shall automatically accrue to the ordering activity. The period of continuous term license for automatic accrual of a fully paid-up perpetual license does not have to be achieved during a particular fiscal year; it is a written Contractor commitment which continues to be available for software that is initially ordered under this contract, until a fully paid-up perpetual license accrues to the ordering activity. However, should the term license of the software be discontinued before the specified period of the continuous term license has been satisfied, the perpetual license accrual shall be forfeited.
- b. The Contractor agrees to provide updates and maintenance service for the software after a perpetual license has accrued, at the prices and terms of Special Item Number 132-34, if the licensee elects to order such services. Title to the software shall remain with the Contractor.

6. UTILIZATION LIMITATIONS - (SIN 511210 AND SIN 54151)

- a. Software acquisition is limited to commercial computer software defined in FAR Part 2.101.
- b. When acquired by the ordering activity, commercial computer software and related documentation so legend shall be subject to the following:
 - (1) Title to and ownership of the software and documentation shall remain with the Contractor, unless otherwise specified.
 - (2) Software licenses are by site and by ordering activity. An ordering activity is defined as a cabinet level or independent ordering activity. The software may be used by any subdivision of the ordering activity (service, bureau, division, command, etc.) that has access to the site the software is placed at, even if the subdivision did not participate in the acquisition of the software. Further, the

software may be used on a sharing basis where multiple agencies have joint projects that can be satisfied by the use of the software placed at one ordering activity's site. This would allow other agencies access to one ordering activity's database. For ordering activity public domain databases, user agencies and third parties may use the computer program to enter, retrieve, analyze and present data. The user ordering activity will take appropriate action by instruction, agreement, or otherwise, to protect the Contractor's proprietary property with any third parties that are permitted access to the computer programs and documentation in connection with the user ordering activity's permitted use of the computer programs and documentation. For purposes of this section, all such permitted third parties shall be deemed agents of the user ordering activity.

- (3) Except as is provided in paragraph 8.b(2) above, the ordering activity shall not provide or otherwise make available the software or documentation, or any portion thereof, in any form, to any third party without the prior written approval of the Contractor. Third parties do not include prime Contractors, subcontractors and agents of the ordering activity who have the ordering activity's permission to use the licensed software and documentation at the facility, and who have agreed to use the licensed software and documentation only in accordance with these restrictions. This provision does not limit the right of the ordering activity to use software, documentation, or information therein, which the ordering activity may already have or obtains without restrictions.
- (4) The ordering activity shall have the right to use the computer software and documentation with the computer for which it is acquired at any other facility to which that computer may be transferred, or in cases of Disaster Recovery, the ordering activity has the right to transfer the software to another site if the ordering activity site for which it is acquired is deemed to be unsafe for ordering activity personnel; to use the computer software and documentation with a backup computer when the primary computer is inoperative; to copy computer programs for safekeeping (archives) or backup purposes; to transfer a copy of the software to another site for purposes of benchmarking new hardware and/or software; and to modify the software and documentation or combine it with other software, provided that the unmodified portions shall remain subject to these restrictions.
- (5) "Commercial Computer Software" may be marked with the Contractor's standard commercial restricted rights legend, but the schedule contract and schedule pricelist, including this clause, "Utilization Limitations" are the only governing terms and conditions, and shall take precedence and supersede any different or additional terms and conditions included in the standard commercial legend.

7. SOFTWARE CONVERSIONS - (SIN 511210) – NOT APPLICABLE

Full monetary credit will be allowed to the ordering activity when conversion from one version of the software to another is made as the result of a change in operating system, or from one computer system to another. Under a perpetual license, the purchase price of the new software shall be reduced by the amount that was paid to purchase the earlier version. Under a term license, conversion credits which accrued while the earlier version was under a term license shall carry forward and remain available as conversion credits which may be applied towards the perpetual license price of the new version.

8. DESCRIPTIONS AND EQUIPMENT COMPATIBILITY

The Contractor shall include, in the schedule pricelist, a complete description of each software product and a list of equipment on which the software can be used. Also, included shall be a brief, introductory explanation of the modules and documentation which are offered.

9. RIGHT-TO-COPY PRICING

Contractor does not offer this option on a commercial basis and therefore cannot offer it in connection with this Contract.

The Contractor will then permit the ordering activity to either cancel the order or reschedule the training at no additional charge. In the event the training class is rescheduled, the ordering activity will modify its original training order to specify the time and date of the rescheduled training class.
- b. In the event the ordering activity fails to cancel or reschedule a training course within the time frame specified in paragraph a, above, the ordering activity will be liable for the contracted dollar amount of the training course. - e. For those courses conducted at the ordering activity's location, instructor travel charges (if applicable), including mileage and daily living expenses (e.g., per diem charges) are governed by Pub. L. 99-234 and FAR Part 31.205-46, and are reimbursable by the ordering activity on orders placed under the Multiple Award Schedule, as applicable, in effect on the date(s) the travel is performed. Contractors cannot use GSA city pair contracts. The Industrial Funding Fee does NOT apply to travel and per diem charges.

5. "NO CHARGE" TRAINING

The Contractor shall describe any training provided with equipment and/or software provided under this contract, free of charge, in the space provided below.

"Confidential Information" means (a) Products (including any information or data relating thereto); (b) Content; and (c) any other business, technical, or engineering information or data (including third-party information) disclosed or made available by or on behalf of Palantir which, by the nature of the information disclosed or the manner of its disclosure, would be understood by a reasonable person to be confidential and/or proprietary, in each case in any form (including without limitation written, electronic, or oral) and whether furnished before, during, or after the Order Term; *provided, however*, that Confidential Information shall not include any information that (a) is or becomes part of the public domain through no act or omission of Customer in breach of this Agreement; (b) is known to Customer at the time of disclosure (as evidenced by written records) without an obligation to keep it confidential; (c) becomes rightfully disclosed to Customer from another source without any breach of confidentiality by the third-party discloser and without restriction on disclosure or use; or (d) Customer can document by written evidence that such information was independently developed without the use of or any reference or access to Confidential Information, by persons who did not have access to the relevant Confidential Information. Customer is responsible and shall be liable for any breaches of this Section and any disclosure or misuse of any Confidential Information by its employees, independent contractors, agents, or other persons to whom Confidential Information was disclosed. Customer's obligations with respect to Palantir's Confidential Information shall survive termination of this Agreement for a period of five (5) years; *provided*, that Customer's obligations hereunder shall survive and continue in perpetuity after termination with respect to any Confidential Information that is a trade secret under applicable law.

6. Fees and Payment. Products are deemed delivered upon installation or access. Customer shall pay to Palantir the total amount of fees set forth in the Order in accordance with the GSA Pricelist. All fees will be payable

on an annual upfront basis, or as otherwise set forth in the Order. All payments shall be made via check or wire transfer to an account designated by Palantir in the currency set forth on the invoice. All fees set forth in the invoice are due within thirty (30) days after the date of receipt of Palantir's invoice. Any late payments shall be subject to the Prompt Payment Act.

7. Services. Subject to the payment of all applicable fees set forth in the Order as they become due, Palantir may provide Customer with Services. The performance of any Services by Palantir shall not affect the ownership of the Products, Updates, and other related documentation or materials provided by Palantir under this Agreement.

7.1 Support and Maintenance. Palantir shall provide Customer with support and Updates in accordance with and subject to Palantir's support and maintenance terms and conditions ("Support and Maintenance"). From time to time at Customer's request, and subject to mutual written agreement of the Parties, Palantir may provide additional Support and Maintenance with respect to Customer's use of the Products.

7.2 Access to Customer Facilities and Systems. Customer will provide any necessary accounts (e.g., creating new user accounts, maintaining existing accounts, provisioning user permissions and access) as applicable for Palantir to provide Support and Maintenance. Customer will also provide Palantir with all necessary onsite and/or remote access, including if applicable via secure VPN, to Customer's network, systems, and infrastructure ("Customer Systems") and to Customer's facilities (such as by providing badges and access credentials where applicable), without specific restrictions on geographic location beyond existing Palantir policies restricting access from sanctioned or high-risk countries. Customer shall provide all necessary assistance and co-operation in a timely fashion as required for Palantir to gain access to Customer's cloud environment or Content and to provide Support and Maintenance (e.g., whitelisting IP addresses, configuring suitable firewalls, enabling the required support functionality in Customer's cloud environment). Customer compliance training requirements shall be satisfied by Palantir's standard compliance and data privacy training modules.

7.3 Professional Services. Palantir may provide Customer with consulting, integration, implementation, enablement, or other professional services (collectively, "Professional Services") related to the Products, as specified in the Order or a statement of work, if any. From time to time at Customer's request, and subject to mutual written agreement of the Parties, Palantir may provide additional Professional Services with respect to Customer's use of the Products.

7.4 Training. Subject to payment of the applicable

fees set forth in the Order, Palantir agrees to provide training services for the number of Customer personnel specified in the Order ("Training"), if any.

8. Government Matters. The Products, Support Services, Professional Services, and Training are "commercial items" as defined at 48 C.F.R. 2.101, consisting of commercial computer software, commercial computer software documentation, and commercial services. If Customer or end user is a U.S. governmental entity, then Customer acknowledges and agrees that: (a) use, duplication, reproduction, release, modification, disclosure, or transfer of the Products or any related documentation or materials of any kind, including, without limitation, technical data and manuals, will be subject to the terms and conditions of this Agreement, in accordance with Federal Acquisition Regulation 12.212; (b) the Products were developed exclusively at private expense; and (c) all other use of the Products except in accordance with the license or access grant provided above is strictly prohibited. Notwithstanding anything to the contrary, these terms and conditions describing the Government's use and rights are in lieu of, and supersede, any conflicting provisions that address Government rights in the Products, related documentation, and technical data that may be incorporated in any contract or subcontract under which the Products are accessed or licensed.

9. Term and Termination. This Agreement shall begin on the date and remain in effect for the period of time specified in the Order ("Order Term"), unless otherwise terminated as provided herein.

9.1 Perpetual License. If a perpetual license is specified in the Order, this Agreement will remain in effect in perpetuity unless otherwise terminated as provided herein. During the Order Term of the license, this Agreement may be terminated by Customer without cause in accordance with the Federal Acquisition Regulation (FAR).

9.2 Term License. If a term license is specified in the Order, the Order Term shall be the number of months or years set forth in the Order. During the Order Term of the license, and in the event of a lapse in Customer's annual appropriations, this Agreement may be terminated by Customer without cause in accordance with the FAR.

9.3 Effect of Termination; Survival. Unless otherwise specified in an Order, upon any termination or expiration of this Agreement, all of Customer's rights, access, and licenses granted hereunder to the Products and Services shall immediately cease and Customer shall promptly return to Palantir or destroy all Content Connection Software, Palantir Materials, and Documentation, including all portions thereof and all other Confidential Information, and so certify its compliance with the foregoing to Palantir in writing within ten (10) days of termination or expiration. Upon any termination or expiration of this Agreement and Customer's written request, Palantir will provide Customer access to the

Content in a format and media reasonably accessible to Customer for thirty (30) days and will thereafter use reasonable methods to delete or otherwise make all such Content inaccessible. No termination or expiration of this Agreement shall limit or affect either Party's rights or obligations that accrued prior to the effective date of termination or expiration (including without limitation payment obligations). Sections 4, 5 (but only for the period of time specified therein), 6, 8, 9, 10, 11, 12, 13, 14, 15, and 16 shall survive any termination or expiration of this Agreement. Termination is not an exclusive remedy, and all other remedies will remain available.

10. Indemnification. Palantir has a right to (a) intervene to defend Customer against any claim of infringement or violation of any patent, copyright, or trademark asserted against Customer by a third party based upon Customer's use of the Products in accordance with the terms of this Agreement and (b) indemnify and hold harmless Customer from and against damages, costs, and reasonable attorneys' fees, if any, finally awarded pursuant to a non-appealable order by a court of competent jurisdiction in such claim or settlement entered into by Palantir. If Customer's use of any of the Products is, or in Palantir's opinion is likely to be, enjoined by a court of competent jurisdiction due to the type of infringement specified above, or if required by settlement approved by Palantir in writing, Palantir may, in its sole discretion: (1) substitute for the Products substantially functionally similar products; (2) procure for Customer the right to continue using the Products; or (3) if Palantir reasonably determines that options (1) and (2) are commercially impracticable, submit a claim to the Ordering Activity Contracting Officer under the Contract Disputes Act to terminate this Agreement and, in the case of perpetual licenses, refund to Customer the license fee paid hereunder by Customer as reduced to reflect a four-year, straight-line amortization from the date on which such Products were first delivered by Palantir or, in the case of term licenses, refund to Customer a pro-rated portion of the fees paid hereunder for the terminated Products that reflects the remaining portion of the Order Term at the effective date of termination. The foregoing obligations of Palantir shall not apply: (A) if the Products are modified by any party other than Palantir, but only to the extent the alleged infringement would not have occurred but for such modification; (B) if the Products are modified by Palantir at the request of Customer, but only to the extent the alleged infringement would not have occurred but for such modification; (C) if the Products are combined with other non-Palantir products or processes not authorized by Palantir, but only to the extent the alleged infringement would not have occurred but for such combination; (D) to any unauthorized use of the Products, any use that is not consistent with the Documentation, or use during any period of suspension; (E) to any superseded release of the Products or Content Connection Software if the infringement would have been avoided by the use of a current release of the Products or Content Connection Software that Palantir has provided or made available to Customer prior to the date

of the alleged infringement; (F) to any Content; or (G) to any third-party products, software, or services contained within or used to deliver the Products (including any open source software). Nothing contained herein shall be construed in derogation of the U.S. Department of Justice's right to defend any claim or suit brought against the U.S. pursuant to its jurisdictional statute, 28 U.S.C. § 516.

10.1 Indemnification Procedure. The obligations of Palantir under this Section shall be conditioned upon Customer providing Palantir with: (a) prompt written notice (in no event to exceed five (5) business days) of any claim, suit, or demand of which it becomes aware; (b) the right to assume the exclusive defense and control of any matter that is subject to indemnification (provided that Palantir will not settle any claim unless it unconditionally releases Customer of all liability and does not admit fault or wrongdoing by Customer); and (c) cooperation with any reasonable requests assisting Palantir's defense and settlement of such matter (at Palantir's expense).

10.2 Exclusive Remedy. THIS SECTION SETS FORTH PALANTIR'S SOLE LIABILITY AND OBLIGATION, AND CUSTOMER'S SOLE AND EXCLUSIVE REMEDY WITH RESPECT TO, ANY CLAIM OF INTELLECTUAL PROPERTY RIGHTS INFRINGEMENT.

11. Palantir Warranty and Disclaimer.

11.1 Palantir Representations and Warranties. Palantir represents that it has validly entered into this Agreement and has the legal power to do so. Additionally, Palantir warrants that during the Order Term: (a) the Software will be provided to Customer substantially in accordance with the applicable Documentation and (b) the Services will be provided in a professional and workmanlike manner. This warranty covers only problems reported to Palantir in writing (including a test case or procedure that recreates the failure and full documentation of the failure) during the warranty period. In the event of a material failure of the Software to perform substantially in accordance with the specifications during the warranty period ("Defect"), Palantir shall use reasonable efforts to correct the Defect or provide a suitable work around as soon as reasonably practical after receipt of Customer's written notice as specified above. A Defect shall not include any defect or failure attributable to improper installation, operation, misuse or abuse of the Software or any modification thereof by any person other than Palantir. If Palantir has not remedied the Defect within thirty (30) days of its receipt of Customer's written notice, Customer may give Palantir written notice of termination of this Agreement, which termination will be effective after Palantir's receipt of the notice pursuant to the procedures in the FAR, unless Palantir is able to remedy the Defect prior to the effective date of termination. In the event of the termination of this Agreement pursuant to Customer's exercise of its right under this Section, Customer shall be entitled to receive from Palantir, as its sole and exclusive

remedy, a refund of all amounts paid to Palantir hereunder, but such termination shall otherwise be subject to Section 11.2.

11.2 Disclaimer. NO AMOUNTS PAID HEREUNDER ARE REFUNDABLE OR OFFSETTABLE EXCEPT AS OTHERWISE EXPLICITLY SET FORTH HEREIN. EXCEPT AS EXPRESSLY SET FORTH IN SECTION 11.1, THE PRODUCTS AND SERVICES ARE PROVIDED "AS IS" WITHOUT ANY OTHER WARRANTIES OF ANY KIND, AND PALANTIR AND ITS SUPPLIERS AND SERVICE PROVIDERS HEREBY DISCLAIM ALL WARRANTIES OF ANY KIND, WHETHER EXPRESS OR IMPLIED, ORAL OR WRITTEN, RELATING TO THE PRODUCTS AND ANY SERVICES PROVIDED HEREUNDER OR SUBJECT MATTER OF THIS AGREEMENT OR OTHERWISE, INCLUDING BUT NOT LIMITED TO ANY WARRANTIES OF NON-INFRINGEMENT, MERCHANTABILITY, TITLE, OR FITNESS FOR A PARTICULAR PURPOSE. WITHOUT LIMITING THE FOREGOING LIMITATION, PALANTIR DOES NOT WARRANT THAT THE PRODUCTS OR SERVICES WILL MEET CUSTOMER REQUIREMENTS OR GUARANTEE ANY RESULTS, OUTCOMES, OR CONCLUSIONS OR THAT OPERATION OF THE PRODUCTS WILL BE UNINTERRUPTED OR ERROR FREE. PALANTIR IS NOT RESPONSIBLE OR LIABLE FOR ANY THIRD-PARTY SERVICE (INCLUDING, WITHOUT LIMITATION, UPTIME GUARANTEES, OUTAGES, OR FAILURES). CUSTOMER ACKNOWLEDGES THAT PALANTIR DOES NOT CONTROL THE TRANSFER OF DATA, INFORMATION, OR CONTENT OVER COMMUNICATIONS FACILITIES, INCLUDING THE INTERNET OR THIRD-PARTY SERVICES, AND THAT THE PRODUCTS MAY BE SUBJECT TO LIMITATIONS, DELAYS, AND OTHER PROBLEMS INHERENT IN THE USE OF SUCH COMMUNICATIONS FACILITIES. PALANTIR IS NOT RESPONSIBLE FOR ANY DELAYS, DELIVERY FAILURES, OR OTHER DAMAGE RESULTING FROM SUCH PROBLEMS.

12. Customer Representations and Warranties.

12.1 General. Customer represents that it has validly entered into this Agreement and has the legal power to do so.

12.2 Use of Products. Customer warrants and covenants that it will not use the Products for any unauthorized, improper or illegal purposes, including but not limited to (a) discrimination, (b) harassment, (c) compromising information and data security or confidentiality, (d) harmful or fraudulent activities, (e) violation of privacy or constitutional rights of individuals or organizations, or (f) violation of third-party contractual agreements or local, state, or Federal laws, regulations, or ordinances.

12.3 Customer Content. Customer warrants and

covenants that (a) it will not transmit, store, integrate, import, display, distribute, use or otherwise make available any Content that is, or is obtained in a manner that is, unauthorized, improper or illegal; (b) no Content infringes upon or violates any other party's Intellectual Property Rights, privacy, publicity or other proprietary rights; (c) this Agreement imposes no obligations, by contract or local, state, Federal, or international law, regulation or ordinance, with respect to Content, unless explicitly mutually agreed upon in writing; and (d) Customer has provided all necessary notifications and obtained all necessary consents, authorizations, approvals and/or agreements as required by any applicable laws or policies in order to enable Palantir to receive and process Content, including personal data, according to the scope, purpose, and instructions specified by Customer. Customer acknowledges that all Content that Customer transmits, stores, integrates, imports, displays, distributes, uses, or otherwise makes available through use of the Products, and the conclusions drawn therefrom, are done at Customer's own risk and Customer will be solely liable and responsible for any damage or losses to any party resulting therefrom. Palantir has the right to immediately suspend the Products (1) in order to prevent harm to Palantir or its business and to limit any potential liability; (2) if Customer is in breach of this Agreement; or (3) if required to do so pursuant to applicable law or regulation or requests or orders of governmental, regulatory, or judicial authorities.

13. Limitations of Liability.

13.1 Liability Disclaimer. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, AND NOTWITHSTANDING ANYTHING IN THIS AGREEMENT TO THE CONTRARY, CUSTOMER AGREES THAT PALANTIR SHALL NOT BE LIABLE TO CUSTOMER OR TO ANY THIRD PARTY REGARDLESS OF THE LEGAL THEORY USED TO MAKE A CLAIM, AND WHETHER OR NOT BASED UPON PALANTIR'S BREACH OF WARRANTY, STRICT LIABILITY, IN TORT OR ANY OTHER CAUSE OF ACTION, FOR ANY: (A) LOSS, ALTERATION, CORRUPTION OF, OR UNAUTHORIZED ACCESS TO CONTENT; (B) COST OF PROCUREMENT OF ANY SUBSTITUTE PRODUCTS OR SERVICES, OR COST OF REPLACEMENT, OR RESTORATION OF ANY LOST OR ALTERED CONTENT; (C) DELAYS OR UNAVAILABILITY OF ANY PRODUCTS OR SERVICES, ECONOMIC LOSSES, EXPECTED OR LOST PROFITS, REVENUE, OR ANTICIPATED SAVINGS, LOSS OF BUSINESS, LOSS OF CONTRACTS, OR LOSS OF OR DAMAGE TO GOODWILL OR REPUTATION; AND/OR (D) INDIRECT, SPECIAL, INCIDENTAL, PUNITIVE, OR CONSEQUENTIAL LOSS OR DAMAGE, WHETHER ARISING OUT OF PERFORMANCE OR BREACH OF THIS AGREEMENT OR THE USE OR INABILITY TO USE THE PRODUCTS, OR FOR ANY MATTER BEYOND PALANTIR'S REASONABLE CONTROL, EVEN IF PALANTIR HAS BEEN ADVISED AS TO THE POSSIBILITY OF SUCH LOSS OR DAMAGES. THE FOREGOING LIMITATION OF LIABILITY SHALL NOT APPLY TO (1) PERSONAL INJURY OR DEATH

RESULTING FROM LICENSOR'S GROSS NEGLIGENCE; (2) FOR WILLFUL MISCONDUCT; OR (3) FOR ANY OTHER MATTER FOR WHICH LIABILITY CANNOT BE EXCLUDED BY LAW.

13.2 Cap. EXCEPT FOR PALANTIR'S OBLIGATION SET FORTH IN SECTION 10 OF THIS AGREEMENT, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW AND NOTWITHSTANDING ANYTHING IN THIS AGREEMENT TO THE CONTRARY, CUSTOMER AGREES THAT THE MAXIMUM AGGREGATE LIABILITY OF PALANTIR ON ALL CLAIMS OF ANY KIND UNDER THE AGREEMENT, WHETHER BASED ON CONTRACT, TORT (INCLUDING BUT NOT LIMITED TO, STRICT LIABILITY, PRODUCT LIABILITY, OR NEGLIGENCE), OR ANY OTHER LEGAL OR EQUITABLE THEORY OR RESULTING FROM THIS AGREEMENT OR ANY PRODUCTS OR SERVICES, SHALL NOT EXCEED THE FEES PAID OR PAYABLE TO PALANTIR BY CUSTOMER UNDER THE APPLICABLE ORDER IN THE TWELVE (12) MONTHS PRECEDING THE CLAIM FOR THE PRODUCTS OR SERVICES THAT GAVE RISE TO SUCH CLAIM AND THAT SUCH REMEDY IS FAIR AND ADEQUATE.

14. Publicity. Customer is permitted to state publicly that it is a customer of Palantir. Palantir may publish a brief description of Customer's deployment of the Products and may use Customer's name as a Palantir customer on any of Palantir's websites, client lists, press releases, and/or other marketing or promotional materials to the extent permitted by the General Services Acquisition Regulation (GSAR) 552.203-71. Any public use hereunder by either Party (a) shall be consistent with any trademark or branding guidelines provided by the other Party and (b) shall in no event disparage or demean the other Party.

15. Trade Controls. Customer's rights under this Agreement are subject to its compliance with all applicable export control laws and regulations. Unless otherwise specified by Palantir, the Software and any Services provided hereunder are subject to U.S. trade controls and sanctions laws and regulations, including but not limited to the U.S. Export Administration Regulations ("EAR") and the sanctions laws and regulations administered by the U.S. Office of Foreign Assets Control ("OFAC") ("U.S. Trade Control Laws") and may only be further exported or transferred in accordance with applicable requirements. It is Customer's responsibility to: (a) provide Palantir with the necessary information for Palantir to comply with applicable requirements; (b) ensure that all end-uses and end-users relating to Customer's reexports and retransfers of the Software and any Services comply with applicable controls; and (c) refrain from taking any action that causes Palantir to violate applicable U.S. Trade Control Laws. Additionally, Customer shall ensure that its employees, agents, and contractors are appropriately authorized to receive any deemed exports or reexports

of Palantir's technology or software, in any form, as mandated by the U.S. Government. Palantir will, upon written request, provide export classification information for the Software and any Services. Palantir reserves the right to suspend or terminate performance of this agreement to the extent it reasonably concludes that performance would cause it to violate U.S. or other applicable trade laws.

16. Miscellaneous. Neither this Agreement nor the access or licenses granted hereunder may be assigned, transferred, subcontracted, or sublicensed by Customer; any attempt to do so shall be void. Palantir may assign this Agreement in whole or in part to a Palantir affiliate, or may assign this Agreement pursuant to a Change of Control of Palantir in accordance with the provisions of FAR 42.1204. As used herein, "Change of Control" means the: (a) consolidation or merger of Palantir with or into any person or entity, including by operation of law; (b) sale, transfer or other disposition of all or substantially all of the assets of Palantir's business related to the subject matter of this Agreement; or (c) acquisition by any person or entity, or group of persons or entities acting in concert, of beneficial ownership of fifty point one percent (50.1%) or more of the outstanding voting securities or interests of Palantir. Palantir may subcontract this Agreement or portions thereof. Palantir shall remain liable for the actions and services provided by such affiliate or subcontractor at all times subject to the limitations of Sections 13.1 and 13.2. Any notice, report, approval, or consent required or permitted hereunder shall be in writing and sent by first class U.S. mail, confirmed facsimile, a U.S. government email system with Read Receipt (any email notice to Palantir must be sent to legalnotices@palantir.com), or major commercial rapid delivery courier service to the address specified in the applicable Order. If any provision of this Agreement shall be adjudged by any court or board of competent jurisdiction to be unenforceable or invalid, that provision shall be limited or eliminated to the minimum extent necessary so that this Agreement shall otherwise remain in full force and effect and be enforceable. Any and all modifications, waivers or amendments must be made by mutual agreement and shall be effective only if made in writing and signed by each Party. No waiver of any breach shall be deemed a waiver of any subsequent breach. The section headings contained in this Agreement are for reference only and shall not affect in any way the meaning or interpretation of this Agreement. Force Majeure: Excusable delays shall be governed by FAR 52.212-4(f). This Agreement including any exhibits hereto, together with the underlying GSA Schedule contract, GSA Pricelist and any Orders, is the complete and exclusive statement of the mutual understanding of the Parties and supersedes and cancels all previous written and oral agreements and communications relating to the subject matter of this Agreement. The Parties expressly acknowledge that they have freely negotiated all clauses of this Agreement, in written exchanges, telephone conversations, and meetings, and that pursuant to these negotiations they have agreed to adopt this Agreement and hereby acknowledge the negotiated nature of this Agreement. In the event of a conflict between this Agreement and any

exhibits hereto or Orders, the terms and conditions of such exhibit or Order will prevail. Palantir is in no way affiliated with, or endorsed or sponsored by, The Saul Zaentz Company d.b.a. Tolkien Enterprises or the Estate of J.R.R. Tolkien. This Agreement is governed by United States Federal law. Notwithstanding the terms of the Federal, State, and Local Taxes Clause, the contract price excludes all State and Local taxes levied on or measured by the contract or sales price of the services or completed supplies furnished under this contract. Palantir shall state separately on its invoices taxes excluded from the fees, and the Customer agrees either to pay the amount of the taxes (based on the current value of the equipment) to the contractor or provide evidence necessary to sustain an exemption, in accordance with FAR 52.229-1 and FAR 52.229-3.
