On-line access to contract ordering information, terms and conditions, up-to-date pricing, and the option to create an electronic delivery order are available through GSA Advantage! ®, a menu-driven database system. The INTERNET address of GSA Advantage! ® is: www.GSAAdvantage.gov

**INFORMATION TECHNOLOGY SCHEDULE PRICELIST
GENERAL PURPOSE COMMERCIAL INFORMATION
TECHNOLOGY EQUIPMENT, SOFTWARE AND SERVICES**

- Special Item No. 132-33 Perpetual Software Licenses
- Special Item No. 132-34 Maintenance of Software as a Service
- Special Item No. 132-51 Information Technology Professional Services

Note: All non-professional labor categories must be incidental to and used solely to support hardware, software and/or professional services, and cannot be purchased separately.

SPECIAL ITEM NUMBER 132-33 - PERPETUAL SOFTWARE LICENSES (See Exhibit A)

Software maintenance as a product includes the publishing of bug/defect fixes via patches and updates/upgrades in function and technology to maintain the operability and usability of the software product. It may also include other no charge support that is included in the purchase price of the product in the commercial marketplace. No charge support includes items such as user blogs, discussion forums, on-line help libraries and FAQs (Frequently Asked Questions), hosted chat rooms, and limited telephone, email and/or web-based general technical support for user's self diagnostics.

Software maintenance as a product does NOT include the creation, design, implementation, integration, etc. of a software package. These examples are considered software maintenance as a service.

FSC CLASS 7030 - INFORMATION TECHNOLOGY SOFTWARE

- Large Scale Computers
 - Operating System Software
 - Application Software
 - Electronic Commerce (EC) Software
 - Utility Software
 - Communications Software
- Microcomputers
 - Operating System Software
 - Application Software
 - Electronic Commerce (EC) Software
 - Utility Software
 - Communications Software

NOTE: Offerors are encouraged to identify within their software items any component interfaces that support open standard interoperability. An item's interface may be identified as interoperable on the basis of participation in a Government agency-sponsored program or in an independent organization program. Interfaces may be identified by reference to an interface registered in the component registry located at <http://www.core.gov>.

SPECIAL ITEM NUMBER 132-34 - MAINTENANCE OF SOFTWARE AS A SERVICE (See Exhibit A)

Software maintenance as a service creates, designs, implements, and/or integrates customized changes to software that solve one or more problems and is not included with the price of the software. Software maintenance as a service includes person-to-person communications regardless of the medium used to communicate: telephone support, on-line technical support, customized support, and/or technical expertise which are charged commercially.

Software maintenance as a service is billed arrears in accordance with 31 U.S.C. 3324.

SPECIAL ITEM NUMBER 132-51 - INFORMATION TECHNOLOGY (IT) PROFESSIONAL SERVICES (See Exhibit A & B)

FPDS Code D307 Automated Information Systems Design and Integration Services
FPDS Code D308 Programming Services
FPDS Code D310 IT Backup and Security Services
FPDS Code D399 Other Information Technology Services, Not Elsewhere Classified

Note 1: All non-professional labor categories must be incidental to and used solely to support hardware, software and/or professional services, and cannot be purchased separately.

Note 2: Offerors and Agencies are advised that the Group 70 – Information Technology Schedule is not to be used as a means to procure services which properly fall under the Brooks Act. These services include, but are not limited to, architectural, engineering, mapping, cartographic production, remote sensing, geographic information systems, and related services. FAR 36.6 distinguishes between mapping services of an A/E nature and mapping services which are not connected nor incidental to the traditionally accepted A/E Services.

Note 3: This solicitation is not intended to solicit for the reselling of IT Professional Services, except for the provision of implementation, maintenance, integration, or training services in direct support of a product. Under such circumstances the services must be performance by the publisher or manufacturer or one of their authorized agents.

DESCRIPTION OF IT/IAM PROFESSIONAL SERVICES (Exhibit B)

Toolsmith I:

Minimum/General Experience: Two (2) years of technical experience which applies to supporting one or more of the IBM/Rational tools and/or technologies; Requires competence in the installation and configuration of the Rational Suites and/or ClearCase.

Functional Responsibility: Installs the IBM/Rational tools and configures user's desktops based on Rational guidelines and project policies.

Minimum Education: Associates Degree in Computer Science or related discipline. A total of two (2) years supporting 1 or more projects.

Toolsmith II:

Minimum/General Experience: Three (3) years of technical experience which applies to supporting one or more of the IBM/Rational tools and/or technologies; Requires competence in the installation and configuration of the Rational Suites and/or ClearCase.

Functional Responsibility: Installs the Rational tools and configures user's desktops based on Rational guidelines and project policies.

Minimum Education: Associates Degree in Computer Science or related discipline. A total of three (3) years supporting 1 or more projects.

Subject Matter Expert I:

Minimum/General Experience: Four (4) years of technical experience which applies to supporting one or more of the IBM/Rational tools and/or technologies in at least three (3) unique organizations. Requires competence in the installation and configuration of the Rational Suites and/or ClearCase. Requires competence in one of the following areas:

- Rational ClearQuest Customization including schema modification and report format creation
- Rational Team Concert installation, use and maintenance
- Rational ClearCase Multisite replica creation setup and maintenance
- Rational Requisite Pro project creation and modification including (requirement type modification, document type creation, attribute modification)
- Rational Rose modeling
- ClearCase VOB and View creation and management
- ClearCase Policy creation with ClearCase Triggers and/or ClearTrigger
- ClearCase GUI and desktop customization

- ClearCase Web or CCRC installation, setup, use and maintenance and their integrations with the ABS Products ClearTrigger and ClearWeb
- ClearReplica installation, setup, use and maintenance

Functional Responsibility: Provides user support to project team members, CM Team members and the organization as a whole using the IBM/Rational tools. Responsible for minor customizations to one or more of the Rational tools.

Minimum Education: Bachelor's Degree in Computer Science or related discipline. A total of four (4) years supporting three (3) or more projects.

Subject Matter Expert II:

Minimum/General Experience: Five (5) years of technical experience which applies to supporting one or more of the IBM/Rational tools and/or technologies in at least five (5) unique organizations. Requires competence in the installation and configuration of the Rational Suites and/or ClearCase. Requires competence in three (3) or more of the following areas:

- Rational ClearQuest Customization including schema modification and report format creation
- Rational Team Concert installation, use and maintenance
- Rational ClearCase Multisite replica creation setup and maintenance
- Rational Requisite Pro project creation and modification including (requirement type modification, document type creation, attribute modification)
- Rational Rose modeling
- ClearCase VOB and View creation and management
- ClearCase Policy creation with ClearCase Triggers and/or ClearTrigger
- ClearCase GUI and desktop customization
- ClearCase Web or CCRC installation, setup, use and maintenance and their integrations with the ABS Products ClearTrigger and ClearWeb
- ClearReplica installation, setup, use and maintenance

Functional Responsibility: Provides user support to project team members, CM Team members and the organization as a whole using the IBM/Rational tools. Responsible for minor customizations to the one or more of the Rational tools.

Minimum Education: Bachelor's Degree in Computer Science or related discipline. A total of five (5) years supporting three (3) or more projects.

Subject Matter Expert III:

Minimum/General Experience: Six (6) years of technical experience which applies to supporting two (2) or more of the IBM/Rational tools and/or technologies in at least seven (7) unique organizations. Requires competence in the installation and configuration of the Rational Suites and/or ClearCase. Requires competence in five (5) or more of the following areas:

- Rational ClearQuest Customization including schema modification and report format creation
- Rational Team Concert installation, use and maintenance
- Rational ClearCase Multisite replica creation setup and maintenance

- Rational Requisite Pro project creation and modification including (requirement type modification, document type creation, attribute modification)
- Rational Rose modeling
- ClearCase VOB and View creation and management
- ClearCase Policy creation with ClearCase Triggers and/or ClearTrigger
- ClearCase GUI and desktop customization
- ClearCase Web or CCRC installation, setup, use and maintenance and their integrations with the ABS Products ClearTrigger and ClearWeb
- ClearReplica installation, setup, use and maintenance

Functional Responsibility: Provides user support to project team members, CM Team members and the organization as a whole using the IBM/Rational tools. Responsible for minor customizations to one or more of the Rational tools.

Minimum Education: Bachelor's Degree in Computer Science or related discipline. A total of six (6) years supporting three (3) or more projects.

Architect I:

Minimum/General Experience: Three (3) years of technical experience which applies to supporting two (2) or more of the IBM/Rational tools and/or technologies in at least ten (10) unique organizations. Requires competence in the installation and configuration of the Rational Suites and/or ClearCase. Requires competence in nine (9) or more of the following areas:

- Rational ClearQuest Customization including schema modification and report format creation
- Rational Team Concert installation, use and maintenance
- Rational ClearCase Multisite replica creation setup and maintenance
- Rational Requisite Pro project creation and modification including (requirement type modification, document type creation, attribute modification)
- Rational Rose modeling
- ClearCase VOB and View creation and management
- ClearCase Policy creation with ClearCase Triggers and/or ClearTrigger
- ClearCase GUI and desktop customization
- ClearCase fire-fighting and performance tuning
- ClearCase Web or CCRC installation, setup, use and maintenance and their integrations with the ABS Products ClearTrigger and ClearWeb
- ClearReplica installation, setup, use and maintenance
- Rational Tools desktop rollout to geographically distributed organizations or those with 500 or more users
- Integration of Rational Tools to non-Rational Tools rollout to geographically distributed organizations or those with 500 or more users
- Automation of Rational Tools to customized client specifications
- Rational Tools onsite training
- Provide customized web-enabled Training

Functional Responsibility: Provides architect level support to project team members, CM Team members, the organization and the enterprise as a whole using the IBM/Rational tools. Responsible for major customizations to the one or more of the Rational tools. Provides on-site Rational tools training and can provide customized web-enabled training.

Minimum Education: Bachelor's Degree in Computer Science or related discipline.

Architect II:

Minimum/General Experience: Five (5) years of technical experience which applies to supporting two (2) or more of the IBM/Rational tools and/or technologies in at least ten (10) unique organizations. Requires competence in the installation and configuration of the Rational Suites and/or ClearCase. Requires competence in twelve (12) or more of the following areas:

- Rational ClearQuest Customization including schema modification and report format creation
- Rational Team Concert installation, use and maintenance
- Rational ClearCase Multisite replica creation setup and maintenance
- Rational Requisite Pro project creation and modification including (requirement type modification, document type creation, attribute modification)
- Rational Rose modeling
- ClearCase VOB and View creation and management
- ClearCase Policy creation with ClearCase Triggers and/or ClearTrigger
- ClearCase GUI and desktop customization
- ClearCase fire-fighting and performance tuning
- ClearCase Web or CCRC installation, setup, use and maintenance and their integrations with the ABS Products ClearTrigger and ClearWeb
- ClearReplica installation, setup, use and maintenance
- Rational Tools desktop rollout to geographically distributed organizations or those with 500 or more users
- Integration of Rational Tools to non-Rational Tools rollout to geographically distributed organizations or those with 500 or more users
- Automation of Rational Tools to customized client specifications
- Rational Tools onsite training
- Provide customized web-enabled Training

Functional Responsibility: Provides architect level support to project team members, CM Team members, the organization and the enterprise as a whole using the IBM/Rational tools. Responsible for major customizations to the one or more of the Rational tools. Provides on-site Rational tools training and can provide customized web-enabled training.

Minimum Education: Bachelor's Degree in Computer Science or related discipline.

Engagement Director:

Minimum/General Experience: Ten (10) years of technical experience which applies to supporting two (2) or more of the IBM/Rational tools and/or technologies in at least ten (10) unique organizations. Requires competence in the installation and configuration of the Rational Suites and/or ClearCase. Requires competence in twelve (12) or more of the following areas:

- Rational ClearQuest Customization including schema modification and report format creation.
- Rational Team Concert installation, use and maintenance

- ClearCase GUI and desktop customization
- ClearCase fire-fighting and performance tuning

- ABS Products ClearTrigger and ClearWeb
- ClearReplica installation, setup, use and maintenance
- Rational Tools desktop rollout to geographically distributed organizations or those with 500 or more users
- Integration of Rational Tools to non-Rational Tools rollout to geographically distributed organizations or those with 500 or more users
- Automation of Rational Tools to customized client specifications
- Rational Tools onsite training
- Provide customized web-enabled Training

Functional Responsibility: Provides enterprise level planning and support both onsite and offsite organizes the facilitation of multiple ABS resources with an organization or enterprise.

Minimum Education: Bachelor's Degree in Computer Science or related discipline.

END USER LICENSE AGREEMENT (EULA) – (Exhibit C)

SOFTWARE LICENSE AGREEMENT

Below is/are your generated license key(s). This is a permanent key and will work for all product upgrades. You will be notified of any upgrades by email. Remember to check the keys for correctness as we cannot move keys only reissue keys (repurchase keys) as all keys are permanent and work for all upgrades.

(License Key Here)

By executing this agreement you agree to the terms within:

Licenses

PLEASE CAREFULLY REVIEW THE TERMS AND CONDITIONS IN THIS LEGAL AGREEMENT BEFORE INSTALLING OR USING THE SOFTWARE LICENSE KEY(S).

Permitted Usage

THIS SOFTWARE AND ALL RIGHTS ARE RESERVED BY A BETTER SOLUTION, INC. (ABS). THE RECEIPT OR POSSESSION OF THIS DOCUMENT, LICENSE OR SOFTWARE DOES NOT CONVEY ANY RIGHTS TO REPRODUCE OR DISTRIBUTE ITS CONTENTS, OR TO MANUFACTURE, USE, OR SELL ANYTHING THAT IT MAY DESCRIBE, IN WHOLE OR IN PART, OR TO REVERSE-ENGINEER WITHOUT THE SPECIFIC WRITTEN CONSENT OF A BETTER SOLUTION, INC.

Definitions

For purposes of this Agreement “Software” is defined as the ClearTrigger, ClearTrigger Lite, ClearReplica, or ClearManage computer program for which a key has been provided and any updates or maintenance releases thereto. The terms "you", "your" or "user" are synonymous, and refer to someone who purchases a license for the Software from A Better Solution, Inc. or an ABS authorized reseller. A "registered user" is a user who registers his/her purchase with ABS or the authorized reseller.

License

You are granted a non-transferable license to use the Software on a single Software Region for ClearTrigger, ClearTrigger Lite or ClearReplica. A Software Region constitutes a Region Name (Usually your company name): Policy Depot pair. You may operate any number of clients from a Software Region. The license(s) may be used to activate its associated software and may not be resold. All license keys are valid for current and future versions of the Software and cannot be transferred. Verify before license installation that the correct Region Name and Policy Depots are returned, as keys are not replaced, new keys must be purchased. If at any time ABS does issue replacement keys, the original keys may no longer be used.

License and Maintenance Fees

Your purchase price included the first years License and Maintenance Fees (L&M Fee) of \$250.00/ClearTrigger License and/or \$250/ClearReplica License, and/or \$150/ClearTrigger Lite License (US\$). There is no annual L&M Fee for ClearManage. A license is valid only if its associated L&M Fee is current and up-to-date. To use the software, software support services (including phone, email) without the associated L&M Fees current is to use an invalid license and in violation of this agreement. ABS will invoice you for L&M Fees annually during the term of the license.

Copies

You may create copies of the Software to the extent necessary for the exercise of your license rights and to the extent reasonably required for back-up, archival and disaster testing/recovery purposes.

Infringement

ABS warrants that they have the right to license the Software to you as provided in this Agreement and that your use of the Software as licensed herein will not infringe upon or violate the copyright, patent, trademark, trade secret, contract or confidentiality rights of any third party.

Restrictions

You agree that you will not give, rent, loan, resell or distribute a copy of the license to any other entity.

Copyright and other laws protect the Software in its entirety. The Software also contains ABS trade secrets. Other than the limited license granted to you in the License section of this Agreement, ABS reserves all patent, copyright, trade secret, trade name, trademark, and other proprietary rights related to the Software. You may not de-compile, disassemble, or otherwise reverse engineer the Software.

Notwithstanding anything in this Agreement, ABS has no responsibility or liability for damages or claims relating to any use of the Software or the Services on a professional basis.

DISCLAIMER OF WARRANTIES

EXCEPT AS EXPRESSLY PROVIDED ABOVE, THE SOFTWARE AND SERVICES ARE PROVIDED "AS-IS" AND, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, A BETTER SOLUTION, INC, ITS AFFILIATES, LICENSORS, PARTICIPATING FINANCIAL INSTITUTIONS, THIRD-PARTY CONTENT OR SERVICE PROVIDERS, DISTRIBUTORS, DEALERS AND SUPPLIERS (COLLECTIVELY, "REPRESENTATIVES") DISCLAIM ALL WARRANTIES, EXPRESS OR IMPLIED, REGARDING THE SOFTWARE OR SERVICES, DISK AND RELATED MATERIALS, INCLUDING ANY WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, TITLE, MERCHANTABILITY, OR NON-INFRINGEMENT.

ABS does not warrant that the Software or Services are secure, free from bugs, viruses, interruption, errors, or other program limitations. ABS will make every effort to repair any reported defects or errors and/or remove any software viruses.

All warranties or guarantees given or made by ABS with respect to the Software or Services (1) are for the benefit of the original registered user of the Software only and are not transferable, and (2) shall be null and void if a registered user breaches any terms or conditions of this Agreement.

Miscellaneous

This Agreement sets forth ABS's and its representatives' entire liability and your exclusive remedy with respect to the Software and Services, and is a complete statement of the agreement between you and ABS. Headings are included for convenience only, and shall not be considered in interpreting this Agreement. This Agreement does not limit any rights that ABS may have under trade secret, copyright, patent or other laws. The agents, employees, distributors, and dealers of ABS are not authorized to make modifications to this Agreement, or to make any additional representations, commitments, or warranties binding on ABS. If any provision of this Agreement is invalid or unenforceable under applicable law, then it shall be, to that extent, deemed omitted and the remaining provisions will continue in full force and effect. The validity and performance of this Agreement shall be governed by Georgia law (without reference to choice of law principles), and applicable federal law.

U.S. Government Restricted Rights

The Software is a "commercial item," as that term is defined at 48 C.F.R. 2.101 (OCT 1995), consisting of "commercial computer software" and "commercial computer software documentation," as such terms are used in 48 C.F.R. 12.212 (SEPT 1995). Consistent with 48 C.F.R. 12.212 and 48 C.F.R. 227-7202-1 through 227-7202-4 (JUNE 1995), all U.S. Government End Users acquire the ABS Software (or Licensed Product) with only those rights set forth herein. A Better Solution, Inc. 4303 Cedar Lake Cove, Conley, GA 30288.

MISC

You may address any questions or concerns to sw_license_agreement@abs-consulting.com.
