## CUSTOMER INFORMATION

### 1a. TABLE OF AWARDED SPECIAL ITEM NUMBERS (SINs)

SIN	DESCRIPTION
132-8	Purchase of Equipment
132-51	Professional Services

### 1b. LOWEST PRICED MODEL NUMBER AND PRICE FOR EACH SIN:

(Government net price based on a unit of one)

<u>SIN</u>	<u>MODEL</u>	<u>PRICE</u>
132-8	Switchvox Titanium to Gold Upgrade (Single User)	\$10.00
132-51	Systems Administrator	\$143.58/hr

### 2. MAXIMUM ORDER\*: \$500,000 per order

\*If the best value selection places your order over the Maximum Order identified in this catalog/pricelist, you have an opportunity to obtain a better schedule contract price. Before placing your order, contact the aforementioned contactor for a better price. The contractor may (1) offer a new price for this requirement

(2) offer the lowest price available under this contract or (3) decline the order. A delivery order that exceeds the maximum order may be placed under the schedule contract in accordance with FAR 8.404.

### 3. MINIMUM ORDER: \$100.

### 4. GEOGRAPHIC COVERAGE: Domestic, 48 states, Washington, DC, Alaska, Hawaii, Puerto Rico, US Territories and overseas.

### 5. POINT(S) OF PRODUCTION: USA

### 6. DISCOUNT FROM LIST PRICES: SIN 132-51 5% - SIN 132-8 18%

### 7. QUANTITY DISCOUNT(S): None

8. **PROMPT PAYMENT TERMS:** Net 30
- 9.a **Government Purchase Cards are accepted at or below the micro-purchase threshold.**
- 9.b **Government Purchase Cards are accepted above the micropurchase threshold.**
10. **FOREIGN ITEMS:** None
- 11a. **TIME OF DELIVERY:** 30 Days after receipt of order
- 11b. **EXPEDITED DELIVERY:** 15-Day Expedited delivery is available at no additional charge via “Standard Ground” shipping. Contact the Contractor for transit times.
- 11c. **OVERNIGHT AND 2-DAY DELIVERY:** Overnight and 2-day delivery are available. Contact the Contractor for rates.
- 11d. **URGENT REQUIRMENTS:** Agencies can contact the Contractor’s representative to effect a faster delivery. Customers are encouraged to contact the contractor for the purpose of requesting accelerated delivery.
12. **FOB POINT:** Destination
13. **ORDERING ADDRESS:**
  - Voneto LLC
  - 3000 W Valley Forge Circle Suite 3800
  - King of Prussia PA 19406
14. **PAYMENT ADDRESS:**
  - Voneto LLC
  - 3000 W Valley Forge Circle Suite 3800
  - King of Prussia PA 19406
15. **WARRANTY PROVISION:** Standard Commercial Warranties are attached at the end of this document.
16. **EXPORT PACKING CHARGES:** Not Applicable
17. **TERMS AND CONDITIONS OF GOVERNMENT PURCHASE CARD ACCEPTANCE:** (any thresholds above the micropurchase level)
18. **TERMS AND CONDITIONS OF RENTAL, MAINTENANCE, AND REPAIR (IF APPLICABLE):** N/A
19. **TERMS AND CONDITIONS OF INSTALLATION (IF APPLICABLE):** N/A
20. **TERMS AND CONDITIONS OF REPAIR PARTS INDICATING DATE OF PARTS PRICE LISTS AND ANY DISCOUNTS FROM LIST PRICES (IF AVAILABLE):** N/A
- 20a. **TERMS AND CONDITIONS FOR ANY OTHER SERVICES:** As outlined in SIN 132-51 below
21. **LIST OF SERVICE AND DISTRIBUTION POINTS (IF APPLICABLE):** N/A

- 22. LIST OF PARTICIPATING DEALERS (IF APPLICABLE): N/A
- 23. PREVENTIVE MAINTENANCE (IF APPLICABLE): N/A
- 24. SPECIAL ATTRIBUTES SUCH AS ENVIRONMENTAL ATTRIBUTES (e.g. recycled content, energy efficiency, and/or reduced pollutants): N/A
- 25. DUNS NUMBER: 07-852-7878
- 26. NOTIFICATION REGARDING REGISTRATION IN CENTRAL CONTRACTOR REGISTRATION (CCR) DATABASE: Registration active until March 11, 2015.

## **TERMS AND CONDITIONS APPLICABLE TO PURCHASE OF GENERAL PURPOSE COMMERCIAL INFORMATION TECHNOLOGY NEW EQUIPMENT (SPECIAL ITEM NUMBER 132-8)**

### **1. MATERIALS AND WORKMANSHIP**

All equipment furnished hereunder must satisfactorily perform the function for which it is intended.

### **2. ORDER**

Written orders, EDI orders (GSA Advantage! and FACNET), credit card orders, and orders placed under blanket purchase agreements (BPA) agreements shall be the basis for purchase in accordance with the provisions of this contract. If time of delivery extends beyond the expiration date of the contract, the Contractor will be obligated to meet the delivery and installation date specified in the original order.

For credit card orders and BPAs, telephone orders are permissible.

### **3. TRANSPORTATION OF EQUIPMENT**

FOB DESTINATION. Prices cover equipment delivery to destination, for any location within the geographic scope of this contract.

### **4. INSTALLATION AND TECHNICAL SERVICES**

a. INSTALLATION. When the equipment provided under this contract is not normally self-installable, the Contractor's technical personnel shall be available to the ordering activity. The charges, if any, for such services are listed below, or in the price schedule:

*All telephones handsets shall be assembled, configured and tested at Voneto's facility at no charge prior to shipping to the agency.*

b. OPERATING AND MAINTENANCE MANUALS. The Contractor shall furnish the ordering activity with one (1) copy of all operating and maintenance manuals, which are normally provided with the equipment being purchased.

### **5. INSPECTION/ACCEPTANCE**

The Contractor shall only tender for acceptance those items that conform to the requirements of this contract. The ordering activity reserves the right to inspect or test any equipment that has been tendered for acceptance. The ordering activity may require repair or replacement of nonconforming equipment at no increase in contract price. The ordering activity must exercise its post acceptance rights (1) within a reasonable time after the defect was discovered or should have been discovered; and (2) before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.

## **6. WARRANTY**

a. Unless specified otherwise in this contract, the Contractor's standard commercial warranty as stated in the contract's commercial pricelist will apply to this contract.

*Please see complete Manufacturer Warranty listed below.*

b. The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.

c. Limitation of Liability. Except as otherwise provided by an express or implied warranty, the Contractor will not be liable to the ordering activity for consequential damages resulting from any defect or deficiencies in accepted items.

d. If inspection and repair of defective equipment under this warranty will be performed at the Contractor's plant, the address is as follows: 3000 W Valley Forge Circle King of Prussia PA 19406

## **7. PURCHASE PRICE FOR ORDERED EQUIPMENT**

The purchase price that the ordering activity will be charged will be the ordering activity purchase price in effect at the time of order placement, or the ordering activity purchase price in effect on the installation date (or delivery date when installation is not applicable), whichever is less.

## **8. RESPONSIBILITIES OF THE CONTRACTOR**

The Contractor shall comply with all laws, ordinances, and regulations (Federal, State, City or otherwise) covering work of this character, and shall include all costs, if any, of such compliance in the prices quoted in this offer.

## **9. TRADE-IN OF INFORMATION TECHNOLOGY EQUIPMENT**

N/A

## **TERMS AND CONDITIONS APPLICABLE TO INFORMATION TECHNOLOGY (IT) PROFESSIONAL SERVICES (SPECIAL ITEM NUMBER 132-51)**

### **1. SCOPE**

- a. The prices, terms and conditions stated under Special Item Number 132-51 Information Technology Professional Services apply exclusively to IT Professional Services within the scope of this Information Technology Schedule.
- b. The Contractor shall provide services at the Contractor's facility and/or at the ordering activity location, as agreed to by the Contractor and the ordering activity.

### **2. PERFORMANCE INCENTIVES I-FSS-60 Performance Incentives (April 2000)**

- a. Performance incentives may be agreed upon between the Contractor and the ordering activity on individual fixed price orders or Blanket Purchase Agreements under this contract.
- b. The ordering activity must establish a maximum performance incentive price for these services and/or total solutions on individual orders or Blanket Purchase Agreements.
- c. Incentives should be designed to relate results achieved by the contractor to specified targets. To the maximum extent practicable, ordering activities shall consider establishing incentives where performance is critical to the ordering activity's mission and incentives are likely to motivate the contractor. Incentives shall be based on objectively measurable tasks.

### **3. ORDER**

- a. Agencies may use written orders, blanket purchase agreements, individual purchase orders, or task orders for ordering services under this contract. Blanket Purchase Agreements shall not extend beyond the end of the contract period; all services and delivery shall be made and the contract terms and conditions shall continue in effect until the completion of the order. Orders for tasks which extend beyond the fiscal year for which funds are available shall include FAR 52.232-19 (Deviation - May 2003) Availability of Funds for the Next Fiscal Year. The purchase order shall specify the availability of funds and the period for which funds are available.
- b. All task orders are subject to the terms and conditions of the contract. In the event of conflict between a task order and the contract, the contract will take precedence.

### **4. PERFORMANCE OF SERVICES**

- a. The Contractor shall commence performance of services on the date agreed to by the Contractor and the ordering activity.
- b. The Contractor agrees to render services only during normal working hours, unless otherwise agreed to by the Contractor and the ordering activity.
- c. The ordering activity should include the criteria for satisfactory completion for each task in the Statement of Work or Delivery Order. Services shall be completed in a good and workmanlike manner.
- d. Any Contractor travel required in the performance of IT Services must comply with the Federal Travel Regulation or Joint Travel Regulations, as applicable, in effect on the date(s) the travel is

performed. Established Federal Government per diem rates will apply to all Contractor travel. Contractors cannot use GSA city pair contracts.

## **5. STOP-WORK ORDER (FAR 52.242-15) (AUG 1989)**

(a) The Contracting Officer may, at any time, by written order to the Contractor, require the Contractor to stop all, or any part, of the work called for by this contract for a period of 90 days after the order is delivered to the Contractor, and for any further period to which the parties may agree. The order shall be specifically identified as a stop-work order issued under this clause. Upon receipt of the order, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the order during the period of work stoppage. Within a period of 90 days after a stop-work is delivered to the Contractor, or within any extension of that period to which the parties shall have agreed, the Contracting Officer shall either-

- (1) Cancel the stop-work order; or
- (2) Terminate the work covered by the order as provided in the Default, or the Termination for Convenience of the Government, clause of this contract.

(b) If a stop-work order issued under this clause is canceled or the period of the order or any extension thereof expires, the Contractor shall resume work. The Contracting Officer shall make an equitable adjustment in the delivery schedule or contract price, or both, and the contract shall be modified, in writing, accordingly, if-

- (1) The stop-work order results in an increase in the time required for, or in the Contractor's cost properly allocable to, the performance of any part of this contract; and
- (2) The Contractor asserts its right to the adjustment within 30 days after the end of the period of work stoppage; provided, that, if the Contracting Officer decides the facts justify the action, the Contracting Officer may receive and act upon the claim submitted at any time before final payment under this contract.

(c) If a stop-work order is not canceled and the work covered by the order is terminated for the convenience of the Government, the Contracting Officer shall allow reasonable costs resulting from the stop-work order in arriving at the termination settlement.

(d) If a stop-work order is not canceled and the work covered by the order is terminated for default, the Contracting Officer shall allow, by equitable adjustment or otherwise, reasonable costs resulting from the stop-work order.

## **6. INSPECTION OF SERVICES**

In accordance with FAR 52.212-4 CONTRACT TERMS AND CONDITIONS--COMMERCIAL ITEMS (MAR 2009) (DEVIATION I - FEB 2007) for Firm-Fixed Price orders and FAR 52.212-4 CONTRACT TERMS AND CONDITIONS --COMMERCIAL ITEMS (MAR 2009) (ALTERNATE I - OCT 2008) (DEVIATION I - FEB 2007) applies to Time-and-Materials and Labor-Hour Contracts orders placed under this contract.

## **7. RESPONSIBILITIES OF THE CONTRACTOR**

The Contractor shall comply with all laws, ordinances, and regulations (Federal, State, City, or otherwise) covering work of this character. If the end product of a task order is software, then FAR 52.227-14 (Dec 2007) Rights in Data - General, may apply.

## **8. RESPONSIBILITIES OF THE ORDERING ACTIVITY**

Subject to security regulations, the ordering activity shall permit Contractor access to all facilities necessary to perform the requisite IT Professional Services.

## **9. INDEPENDENT CONTRACTOR**

All IT Professional Services performed by the Contractor under the terms of this contract shall be as an independent Contractor, and not as an agent or employee of the ordering activity.

## **10. ORGANIZATIONAL CONFLICTS OF INTEREST**

### **a. Definitions.**

“Contractor” means the person, firm, unincorporated association, joint venture, partnership, or corporation that is a party to this contract.

“Contractor and its affiliates” and “Contractor or its affiliates” refers to the Contractor, its chief executives, directors, officers, subsidiaries, affiliates, subcontractors at any tier, and consultants and any joint venture involving the Contractor, any entity into or with which the Contractor subsequently merges or affiliates, or any other successor or assignee of the Contractor.

An “Organizational conflict of interest” exists when the nature of the work to be performed under a proposed ordering activity contract, without some restriction on ordering activities by the Contractor and its affiliates, may either (i) result in an unfair competitive advantage to the Contractor or its affiliates or (ii) impair the Contractor’s or its affiliates’ objectivity in performing contract work.

b. To avoid an organizational or financial conflict of interest and to avoid prejudicing the best interests of the ordering activity, ordering activities may place restrictions on the Contractors, its affiliates, chief executives, directors, subsidiaries and subcontractors at any tier when placing orders against schedule contracts. Such restrictions shall be consistent with FAR 9.505 and shall be designed to avoid, neutralize, or mitigate organizational conflicts of interest that might otherwise exist in situations related to individual orders placed against the schedule contract. Examples of situations, which may require restrictions, are provided at FAR 9.508.

## **11. INVOICES**

The Contractor, upon completion of the work ordered, shall submit invoices for IT Professional services. Progress payments may be authorized by the ordering activity on individual orders if appropriate. Progress payments shall be based upon completion of defined milestones or interim products. Invoices shall be submitted monthly for recurring services performed during the preceding month.

## **12. PAYMENTS**

For firm-fixed price orders the ordering activity shall pay the Contractor, upon submission of proper invoices or vouchers, the prices stipulated in this contract for service rendered and accepted. Progress payments shall be made only when authorized by the order. For time-and-materials orders, the Payments under Time-and-Materials and Labor-Hour Contracts at FAR 52.212-4 (MAR 2009) (ALTERNATE I – OCT 2008) (DEVIATION I – FEB 2007) applies to time-and-materials orders placed under this contract. For labor-hour orders, the Payment under Time-and-Materials and Labor-Hour

Contracts at FAR 52.212-4 (MAR 2009) (ALTERNATE I – OCT 2008) (DEVIATION I – FEB 2007) applies to labor-hour orders placed under this contract. 52.216-31(Feb 2007) Time-and-Materials/Labor-Hour Proposal Requirements—Commercial Item Acquisition As prescribed in 16.601(e)(3), insert the following provision:

- (a) The Government contemplates award of a Time-and-Materials or Labor-Hour type of contract resulting from this solicitation.
- (b) The offeror must specify fixed hourly rates in its offer that include wages, overhead, general and administrative expenses, and profit. The offeror must specify whether the fixed hourly rate for each labor category applies to labor performed by—
  - (1) The offeror;
  - (2) Subcontractors; and/or
  - (3) Divisions, subsidiaries, or affiliates of the offeror under a common control.

### **13. RESUMES**

Resumes shall be provided to the GSA Contracting Officer or the user ordering activity upon request.

### **14. INCIDENTAL SUPPORT COSTS**

Incidental support costs are available outside the scope of this contract. The costs will be negotiated separately with the ordering activity in accordance with the guidelines set forth in the FAR.

### **15. APPROVAL OF SUBCONTRACTS**

The ordering activity may require that the Contractor receive, from the ordering activity's Contracting Officer, written consent before placing any subcontract for furnishing any of the work called for in a task order.

### **16. DESCRIPTION OF IT PROFESSIONAL SERVICES AND PRICING**

#### **Senior Telecommunications Specialist     \$177.08/hr**

*Minimum/General Experience:* Minimum of seven years experience is required, of which five years must be specialized. Specialized experience required includes: protocol analysis, knowledge of OSI protocol particularly TCP/IP. Experience with ATM, frame relay, other knowledge with bridges, routers, gateways, FDDI, detailed knowledge of UNIX operating systems. Also, CNE or ECNE experience a plus, supervising the operation and maintenance of communication network systems which may be mainframe, mini, or client/server based. General experience required includes: all aspects of communication networks planning, installation, and support.

*Alternate Experience Requirements:* An Associate's degree or greater in Information Technology, Computer Engineering, Computer Science, or Software Engineering in addition to 5 years specialized experience and 8 years of general experience. A degree is not required with nine years of specialized experience and eleven years of general experience.

*Functional Responsibility:* Evaluates communication hardware and software, troubleshoots LAN/MAN/WAN and other network related problems, provides technical expertise for performance and

configuration of networks. Performs general LAN/MAN/WAN administration, provides technical leadership in the integration and test of complex large-scale computer integrated networks. Schedules conversions and cut overs. Oversees network control center. Supervises maintenance of systems. Coordinates with all responsible users and sites. Supervises staff.

Resumes shall be provided to the GSA Contracting Officer or user Agency upon request.

### **Project Manager      \$167.51/hr**

*Minimum/General Experience:* Minimum of six years experience is required, of which four years must be specialized. Specialized experience required includes: complete engineering project development from inception to deployment; proven expertise in the management and control of funds and resources, demonstrated capability in managing multi-task contracts. General experience required includes: increasing responsibilities in information systems design and management.

*Alternate Experience Requirements:* An Associate's degree or greater in Management, Information Technology, Computer Engineering, Computer Science, or Software Engineering in addition to 3 years specialized experience and 5 years of general experience. A degree is not required with eight years of specialized experience and ten years of general experience.

*Functional Responsibility:* Leads the project or multiple tasks and retains overall responsibility for performance including cost, schedule, deliverables and contractual compliance. Provides the interface to the customer and other project leaders. May work under a Program Manager for multiple projects. Identifies, acquires, and utilizes company resources to achieve project technical objectives. Establishes priorities, task assignment and completion. Ensures quality and productivity standards are maintained while meeting project/client deadlines and budget constraints. Serves as the client liaison on all project matters. Performs a quality assurance role and ensures timely delivery of all specified deliverables. Identifies all task responsibilities and reports any changes or suggestions accordingly to a senior Project Manager or Program Manager. Supervises the training of new personnel under the project to assure compliance with government regulations, codes, and Company policy and procedures. Participates in contract negotiations.

Resumes shall be provided to the GSA Contracting Officer or user Agency upon request.

### **Systems Administrator      \$143.58/hr**

*Minimum/General Experience:* Minimum of three years experience is required, of which one year must be specialized. Specialized experience required includes: administration of Unix or other open systems-compliant multi-user system. General experience required includes: administration of multi-user computer systems.

*Alternate Experience Requirements:* An Associate's degree or greater in Information Technology, Computer Engineering, Computer Science, or Software Engineering in addition to three years specialized experience and six years of general experience. A degree is not required with five years of specialized experience and seven years of general experience.

*Functional Responsibility:* Performs systems installation and integration of computer operating system software, network software, application software, computer hardware, and supporting network or telecommunications systems. Investigates and resolves operational problems in conjunction with other engineering and technical personnel.

Resumes shall be provided to the GSA Contracting Officer or user Agency upon request.

## **DIGIUM WARRANTY POLICY**

### **1. Warranty Start Date**

"Start Date" as used in this policy means (i) the date this product is shipped from Digium, Inc., or (ii) in the case of resale by an authorized Digium channel partner, the date not more than ninety (90) days after original shipment of this product by Digium, Inc, or (iii) in the case of a pass through warranty to an End-User (meaning an individual or entity that pays for delivery of the product for their own use and not for further distribution or sale and who have agreed to the appropriate EULA) made pursuant to an OEM Agreement between Digium and another party, the date not more than ninety (90) days after original shipment of this product by Digium, Inc. to the other party executing the OEM Agreement.

### **2. Hardware Warranty**

Digium, Inc. warrants that for a period of one (1) year for Digium Appliances (i.e. Asterisk, Switchvox, Gateways, and Failovers), one (1) year for Digium phones, five (5) years for Digium interface cards and modules, or ninety (90) days for accessories and hardware products not manufactured by Digium including cables, patch panels, rail kits, etc., (collectively referred to as "Hardware") from the Start Date, purchased by End User shall be free of defects in material and workmanship under normal authorized use consistent with the product instructions. In the event of a product non-conformance, Digium reserves the right to repair or replace the defective product with a replacement part, which is either new or in like new condition. If Digium is unable to provide a replacement part or otherwise remedy the defective product after making commercially reasonable efforts, Digium reserves the right to refund a pro-rated calculation of the purchase price of the product as its exclusive warranty remedy. The pro-rated refund shall be based upon current Manufacturer's Suggested Retail Price of product and will be calculated by multiplying this amount by the fractional portion of the remaining duration of the warranty period of the purchased product. Provided that (a) the hardware product is covered under this warranty policy and (b) Digium's support department has accepted a valid RMA case opened by the End User for the hardware product and (c) End User has provided Digium a credit card guarantee until the defective hardware product is returned to Digium, then Digium will issue a replacement by advance cross-shipping DAP (Delivered at Place). End Users who do not return their defective Product to Digium within thirty (30) business days will be charged the then current list price of the replacement Product.

### **3. Software Warranty**

Digium warrants that the software products sold by Digium ("Software") will substantially conform to Digium's specifications as set forth in the applicable documentation, at and from the date of original retail purchase of the Software for a period of ninety (90) days provided that the Software is properly installed and used as contemplated in its documentation. Digium's sole obligation and End User's sole remedy for a breach of the foregoing warranty shall be to replace the non-conforming Software with software substantially conforming to Digium's specifications or to refund fees as described below. Digium further warrants that the media on which Digium delivers the Software will be free of physical defects for a period of ninety (90) days or will be replaced by Digium. Except as otherwise agreed by Digium in writing, the replacement Software is subject to the terms and conditions of this Policy. If Digium determines in its sole discretion that a material nonconformance cannot be corrected, or that it is not practical to replace the nonconforming Software, the price paid by the original licensee for the Software will be refunded by Digium to End User and the license grant automatically terminated, in which case End User will promptly return to Digium or destroy the Software and any copies in End User's possession.

### **4. Services Warranty**

Digium warrants that it will perform services in a manner consistent with generally accepted industry standards. As End User's sole remedy and as Digium's sole liability for breach of the foregoing warranty, Digium will re-perform or remedy at no charge to End User any non-conforming performance reported by you within ten (10) days of completion of services by Digium. Digium shall include technical support for the Products in accordance with the

policies, terms and conditions set forth on Digium's web site, [www.digium.com](http://www.digium.com), for the Products End User purchases. End User may elect to renew End User's support from Digium at Digium's then current rates unless such Products and associated Services are discontinued at Digium's sole discretion.

## **5. Restrictions on Hardware and Software Warranties**

No warranty shall apply if the hardware or software has not been installed, operated, repaired, or maintained in accordance with instructions supplied by Digium, Inc. in the enclosed documentation and/or documentation made available on [www.digium.com](http://www.digium.com). The limited warranties provided by Digium do not cover (i) Products that have been subjected to misuse, tampering, modification, experimentation, alteration, negligence, faulty installation, acts of terrorism, or acts of God; (ii) Products with the model or serial number altered, tampered with, or removed; (iii) Initial installation, installation and removal of the Product for repair, and shipping costs; (iv) Configuration of the Product; (v) Damage that occurs in shipment due to act of God, failures due to power surge, and cosmetic damage; (vi) Any hardware, software, firmware or other materials or services provided by anyone other than Digium; (vii) Products obtained by fraud or any of the other Excluded Products referenced below; or (viii) Repair by anyone other than Digium or Digium's authorized representative. Unless under a current Services contract with Digium, End User shall not upgrade or update product using software of any origin except commercial versions of the software released to End User by Digium or its authorized distributors and/or channel partners from time to time. This warranty extends only to the original End User and is not transferable.

### **5.1**

For purposes of clarification, certain Digium products are not covered by this Warranty Policy ("Excluded Products"). FOR THE EXCLUDED PRODUCTS, TO THE MAXIMUM EXTENT ALLOWED BY APPLICABLE LAW, NEITHER DIGIUM, NOR ITS THIRD-PARTY LICENSORS OR SUPPLIERS, NOR ITS DIRECTORS, OFFICERS, EMPLOYEES, OR AFFILIATES MAKE ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND TO ANY END USER OR CHANNEL PARTNER, EITHER EXPRESS OR IMPLIED, WITH RESPECT TO THE PRODUCTS, INCLUDING, BUT NOT LIMITED TO WARRANTIES OR REPRESENTATIONS OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT, EXCEPT TO THE EXTENT OTHERWISE SPECIFICALLY AGREED IN WRITING BY SUCH PERSON OR ENTITY. TO THE MAXIMUM EXTENT ALLOWED BY APPLICABLE LAW, IN NO EVENT SHALL DIGIUM, ITS THIRD PARTY LICENSORS OR SUPPLIERS, NOR ITS DIRECTORS, OFFICERS, EMPLOYEES, AFFILIATES OR LICENSORS BE LIABLE TO END USER FOR ANY DAMAGES OF ANY KIND, INCLUDING INCIDENTAL DAMAGES, CONSEQUENTIAL DAMAGES, OR ECONOMIC DAMAGE OR INJURY TO PROPERTY, LOST PROFITS OR LOST REVENUES, WHETHER BASED ON CONTRACT, TORT (INCLUDING NEGLIGENCE) OR OTHER THEORY AND REGARDLESS OF WHETHER SUCH PERSON OR ENTITY SHALL BE ADVISED OR HAVE REASON TO KNOW OF THE POSSIBILITY OF SUCH DAMAGES, EXCEPT TO THE EXTENT OTHERWISE AGREED IN WRITING BY SUCH PERSON OR ENTITY. SOME COUNTRIES, STATES, OR PROVINCES DO NOT ALLOW FOR THE EXCLUSION OF IMPLIED WARRANTIES OR THE LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES FOR CERTAIN PRODUCTS APPLIED TO CONSUMERS, OR THE LIMITATION FOR PERSONAL INJURY, SO THE ABOVE LIMITATIONS AND EXCLUSIONS MAY BE LIMITED IN THEIR APPLICATION TO END USER. IF THE IMPLIED WARRANTIES ARE NOT ALLOWED TO BE EXCLUDED IN THEIR ENTIRETY, THEY WILL BE LIMITED TO THE DURATION OF DIGIUM'S WARRANTY FOR OTHER SOFTWARE OR HARDWARE PRODUCTS (WHICHEVER IS APPLICABLE DEPENDING ON WHICH PRODUCT IS AT ISSUE) AVAILABLE ON [WWW.DIGIUM.COM](http://WWW.DIGIUM.COM) OR THE MINIMUM DURATION REQUIRED BY APPLICABLE LAW- WHICHEVER PERIOD IS SHORTER. The Excluded Products are defined in the following subsections. All terms and conditions other than the warranty provisions of this Agreement apply to the Excluded Products as detailed in this Agreement.

#### **5.1.2**

Products obtained by Fraud: Digium will not support or offer any warranty on any product obtained fraudulently. End Users who are concerned they may have received their product as the outcome of a fraudulent sale may contact Digium's Technical Support Department at +1 256 428-6000 with the serial number of the Product for a determination of whether their product is excluded from this warranty.

## 6. Enhanced Hardware and Software Warranties

Digium, in its discretion, may provide enhanced warranties to certain parties via written agreements to extend warranty coverage and duration. The standard warranty contained herein shall always apply unless such a written agreement exists.

### 6.1 Three-Year or Five-Year Extended Appliance Hardware Warranty

For certain Appliances, Digium makes available a Three (3) Year or a Five (5) Year Extended Appliance Hardware Warranty. For those products and for End Users who have purchased the Three-Year or Five (5) Year Extended Appliance Hardware Warranty, Digium will, for a period of three (3) years or (5) five years from the Start Date, which is a period of two (2) additional years or four (4) additional years beyond the Standard Appliance Hardware Warranty of one (1) year, warrant that the Appliance purchased by End User shall be free of defects in material and workmanship under normal authorized use consistent with the Appliance instructions.

#### 6.1.1 PRODUCTS EXCLUDED FROM DIGIUM'S STANDARD WARRANTY POLICY

The following Excluded Products are not covered by Digium's Standard Warranty Policy and Digium expressly disclaims any liability arising from use of such Excluded Products pursuant to Section 6.1. :

FAX for Asterisk

G.729 for Asterisk

HPEC for Asterisk

The Digium Phone Module for Asterisk

Any Digium product obtained by fraud as described in Section 5.1.2

## 7. Returns

If returning a Product under warranty, returns must be made in accordance with Digium's Return Policy, a copy of which is available for viewing at [www.digium.com](http://www.digium.com). All terms contained in the referenced Digium Return Policy shall be incorporated herein by this reference and shall be binding as if contained fully in the text of this Agreement.

Returns of all defective or malfunctioning Products by Digium will be made at a location determined solely by Digium. Return authorization and an RMA number must be obtained from Digium prior to return of any items.

## 8. LIMITATION OF LIABILITY

TO THE MAXIMUM EXTENT PERMITTED BY LAW, DIGIUM IS NOT LIABLE UNDER ANY CONTRACT, NEGLIGENCE, STRICT LIABILITY OR OTHER LEGAL OR EQUITABLE THEORY FOR ANY LOSS OF USE OF THE PRODUCT, INCONVENIENCE OR INDIRECT DAMAGES OF ANY CHARACTER, WHETHER SPECIAL, INCIDENTAL OR CONSEQUENTIAL (INCLUDING, BUT NOT LIMITED TO, LOSS OF REVENUE OR PROFIT, WORK STOPPAGE, COMPUTER FAILURE OR MALFUNCTION, FAILURE OF CONNECTED EQUIPMENT OR PROGRAMS, LOSS OF INFORMATION OR DATA OR LOSS OF GOODWILL) RESULTING FROM THE USE OF THE PRODUCT, RELATING TO WARRANTY SERVICE, OR ARISING OUT OF ANY BREACH OF THIS AGREEMENT, EVEN IF DIGIUM HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE SOLE REMEDY FOR A BREACH OF THE FOREGOING LIMITED WARRANTIES IS REPAIR, REPLACEMENT OR REFUND OF THE PURCHASE PRICE OF THE PRODUCT. THE MAXIMUM LIABILITY OF DIGIUM UNDER THIS PRODUCT AGREEMENT IS LIMITED TO THE PURCHASE PRICE OF THE PRODUCT (S) WHICH IS THE SUBJECT OF THE DISPUTE. THE FOREGOING EXPRESS WRITTEN WARRANTIES AND REMEDIES ARE EXCLUSIVE AND IN LIEU OF ANY OTHER WARRANTIES OR REMEDIES, EXPRESS, IMPLIED OR STATUTORY.

## 9. Governing Law and Jurisdiction and Dispute Resolution

This Agreement shall be governed by and construed under the laws of the USA, and to the extent no federal law applies, the laws of the State of Alabama, USA. Forum, jurisdiction, and venue shall be determined in accordance with such law. If permitted by applicable law, Digium and End User hereby expressly waive any right to a trial by jury and consent to a bench trial. In the event of a dispute, Digium and End User agree to attempt to resolve any dispute

by direct communication between representatives of each party who are authorized to finally resolve the dispute prior to filing any legal action against the other party. The parties agree to attempt to resolve the dispute within fourteen (14) days of the first direct verbal communication between the representatives of the parties in which the parties make good faith efforts to attempt to resolve the dispute following written notice of the dispute having been provided to the party not invoking this clause. The party with the dispute must provide the written notice and must provide sufficient detail in the notice as to the nature of the problem and requested remedies so as to permit the party not invoking this clause to make good faith attempts to remedy the dispute. The parties agree not to resort to legal action, other than injunctions, either prior to or during the fourteen-day dispute resolution period. The United Nations Convention on International Sale of Goods, the application of which is expressly excluded, does not govern this Agreement.
