MAS SIN 54151S - Information Technology Professional Services

PSC D399

Note 1: All non-professional labor categories must be incidental to and used solely to support hardware, software and/or
professional services, and cannot be purchased separately.
Note 2: Offerors and Agencies are advised that the Multiple Award Schedule (MAS) is not to be used as a means to procure
services which properly fall under the Brooks Act. These services include, but are not limited to, architectural, engineering,
mapping, cartographic production, remote sensing, geographic information systems, and related services. FAR 36.6 distinguishes
between mapping services of an A/E nature and mapping services which are not connected nor incidental to the traditionally
accepted A/E Services.
Note 3: This solicitation is not intended to solicit for the reselling of IT Professional Services, except for the provision of
implementation, maintenance, integration, or training services in direct support of a product. Under such circumstances the
services must be performance by the publisher or manufacturer or one of their authorized agents.
